The image displays a curved glass wall system with a silver frame. The wall is composed of several large glass panels. A glass door with a silver frame and a handle is open, revealing the interior. The interior features a curved reception desk with a wooden top and a dark base. The wall behind the desk is covered in a dark, textured material. There are several framed notices or documents on the wall. The ceiling has recessed lighting fixtures. The floor is made of large, square tiles in shades of brown and yellow. The wall is framed by brick and stone columns.
