

SAFETY & SECURITY

Do one thing everyday that makes you happy

Dismissal & Termination
Dismissal & Termination
If you are being discharged from your job, you should receive a written notice of termination. This notice should include the date of termination, the reason for termination, and the date of your final paycheck. If you are being terminated without notice, you should receive a written notice of termination. If you are being terminated for cause, you should receive a written notice of termination. If you are being terminated for performance, you should receive a written notice of termination. If you are being terminated for misconduct, you should receive a written notice of termination. If you are being terminated for other reasons, you should receive a written notice of termination. All letters will be in writing.
