Name	CustomF	CustomField4
Ag Barn - Budde: add additional secure storage	PC02	147,000.00
Ag Barn - Budde: concrete washdown area for large animals	PC02	6,500.00
Ag Barn - Budde: fence needs to be repaired	PC02	14,000.00
Ag Barn - Budde: Install new pest control system	PC02	10,000.00
Ag Barn - Budde: needs a restroom facility for students and teachers	PC02	250,000.00
Ag Barn - Budde: Needs County sewer, currently has no septic system (need separator)	PC02	100,000.00
Ag Barn - Budde: Rebuild small animal barn	PC02	100,000.00
Ag Barn - Budde: uses well water, capacity of well does not meet water needs	PC02	60,000.00
Ag Barn - Otwell: Install new pest control system 2 buildings	PC02	15,000.00
Moorhead Junior High School: Install LED security lighting around exterior of building.	PC03	0.00
Ag Barn - Otwell: HVAC replacement for chicken room with filters	PC02	50,000.00
Oak Ridge Transportation Center: access control system	PC03	18,000.00
The Woodlands Transportation Center: access control system	PC03	18,000.00
Anderson Elementary School: Provide additional exterior wall packs for security.	PC03	32,343.75
Wilkerson Intermediate School: Install (15) exterior wall packs for security lighting.	PC03	32,343.75
Walter P. Jett Continuing Education Center: Provide new secure front entry vestibule (coordinate with administration security renovation).	PC03	107,812.50
Conroe Transportation Center: Upgrade site lighting; (18) poles to LED and add (5) additional poles.	PC03	0.00
Deane L. Sadler Administration & Technology Center: Replace remainder roof mod. Bit.	PC03	0.00
Giesinger Elementary School: Replace T-8 interior lighting with LED.	PC03	0.00
Hailey Elementary School: Install new exterior door sweep in Kitchen.	PC03	0.00
Houser Elementary School: Provide code separation between original building and addition (not required if school is sprinklered).	PC03	0.00
Oak Ridge Transportation Center: Upgrade (16) exterior wall packs to LED.	PC03	0.00
Anderson Elementary School: ADA modifications to Gym/Cafeteria Restrooms and ADA parking at Bus Loop	PC02	200,000.00
Oak Ridge Transportation Center: Upgrade (22) pole lights to LED.	PC03	0.00
Oak Ridge Transportation Center: Upgrade all interior lighting - the LED (276 +/- fixtures).	PC03	0.00
San Jacinto Elementary School: Provide District Standard 5'-0" High Marker board at (2) 106, 110, 111, 112, 120, 121, 122, 123, 124, 125, 130, 131, 132, 133, 142, 144, 145, 146, 148, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 161, 162, 163, 164, 165, 166, 1	PC03	0.00
The Woodlands High School: Provide accessible lockers and bench in varsity and junior varsity locker room at football field house per ADA standards.	PC03	0.00
The Woodlands Transportation Center: Install accessible graphics at throughout building.	PC03	0.00
Anderson Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Washington Junior High School: Review cracked walls with structural to verify if they have active movement and need repair at 316 choir, 316-A Stor, 317 Orchestra, 317-C, 317E.	PC03	0.00
Armstrong Elementary School: Remove or correct protruding casework at G11, G12, G13, G14, G15, G16.	PC03	172.50
Armstrong Elementary School: Repair sidewalk near service drive.	PC03	208.44
Bush Elementary School: Install lavatory guards under all accessible sinks per ADA standards.	PC03	215.63
Giesinger Elementary School: Replace damaged horizontal blinds at 307.	PC03	215.63
Hailey Elementary School: Install ADA compliant room graphic at Stage storage.	PC03	215.63
Irons Junior High School: Install ADA compliant room graphics where sign is damaged at 603.	PC03	215.63
Rice Elementary School: Remove old chalkboard. repair surfaces at 604, 508.	PC03	276.00
Knox Junior High School: Provide new track & field pole vault box plug.	PC03	287.50
Testing and Assessment Center: Restripe parking lot (24 Spaces).	PC03	287.50
Washington Junior High School: Provide new pole vault box plug.	PC03	287.50
The Woodlands College Park High School: Replace mini blinds in Room 1411.	PC03	323.44
Galatas Elementary School: Clean inlets (3) near covered porch.	PC03	359.38
Glen Loch Elementary School: Install flush valve on wide side of accessible toilet at 5A.	PC03	359.38
The Woodlands High School 9th Grade Campus: Replace cracked inlet grate.	PC03	395.31
Caney Creek High School: Renovate oversized wash ware and storage space outside Bally freezer to be functional space to include preparation, production and dry storage.	PC03	409.69
Lamar Elementary School: Remove (2) exterior wall packs above new canopy.	PC03	431.25
Oak Ridge Transportation Center: Install accessible signage at locker rooms.	PC03	431.25
Caney Creek High School: Provide pole vault box plug.	PC03	575.00
Collins Intermediate School: Remove/correct protruding fire cabinet at office corridor and data cabinet at Custodial Office.	PC03	575.00
Oak Ridge Elementary School: Remove or correct protruding object at sinks at serving.	PC03	575.00
Anderson Elementary School: Provide district standard projector at 54, Library, Science, Music, 66.	PC02	17,968.75
Oak Ridge Maintenance: Eliminate protruding lavatories at Men's and Women's toilet.	PC03	575.00
The Woodlands College Park High School: Provide new pole vault box plug.	PC03	575.00
Travis Intermediate School: Relocate non-compliant light switch at basement (too high).	PC03	575.00
Oak Ridge Maintenance: Install accessible signage at Conference, Directors Suite, Break room, office across from Women's toilet.	PC03	646.88
Ride Elementary School: Construct ADA compliant building graphics at Clinic, A-4, A-4 toilet.	PC03	646.88
Travis Intermediate School: Install ADA compliant district standard room graphic at Auditorium ticket, 201, 500	PC03	646.88
Anderson Elementary School: restrooms need to be revised to accommodate changing tables	PC02	60,000.00

Anderson Elementary School: Stage Curtains - fire proofing	PC02	
Conroe High School 9th Grade Campus: Replace chain link gate at bleachers.	PC03	718.75
Conroe Transportation Center: Repair and repaint hollow metal door frame, vision Lite frame, or door at Reception.	PC03	718.75
Cox Intermediate School: Install lavatory guards under all accessible sinks per ADA standards.	PC03	718.75
David Elementary School: Remove old TV and associated support brackets and cabling at 509.	PC03	718.75
Anderson Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Anderson Elementary School: Upgrade MDF (A/C) air conditioning system.	PC02	22,281.25
Anderson Elementary School: Upgrade stage public address system.	PC02	28,750.00
Armstrong Elementary School: Enlarge kitchen and prep areas, (needs storage, prep area, and service line) follow flex schools footprint (building addition)	PC02	3,000,000.00
Armstrong Elementary School: Expand cold storage assembly.	PC01	179,687.50
Galatas Elementary School: Restripe lots.	PC03	718.75
Oak Ridge Transportation Center: Provide pipe insulation at hand sink in Break room.	PC03	718.75
Armstrong Elementary School: Install (4) wall type data plates on floor in Library.	PC02	14,375.00
Armstrong Elementary School: Install exhaust fan in kitchen janitor closet.	PC02	12,218.75
Armstrong Elementary School: Install exit signs in kitchen.	PC01	3,450.00
Washington Junior High School: Repair chipped concrete pole vault box.	PC03	718.75
Armstrong Elementary School: Install exterior security lighting around building.	PC01	64,687.50
Moorhead Stadium: Install concrete landing at bleacher steps on ends.	PC03	790.63
Armstrong Elementary School: Install new grease trap.	PC02	14,375.00
The Woodlands College Park High School: Replace cracked inlet grade (2).	PC03	790.63
The Woodlands High School 9th Grade Campus: Partially renovate Boys' locker area: Repair/replace damaged/broken lockers in various locations; provide missing locker filler panels and benches, and touch-up paint on walls. Revise existing locker layout near ath	PC03	790.63
Bozman Intermediate School: Install stop signs.	PC03	862.50
Armstrong Elementary School: Mechanical 1 - emergency lighting and/or night lighting.	PC01	3,593.75
Armstrong Elementary School: Provide separate IDF Room in 'A' Wing.	PC02	31,912.50
Caney Creek High School: Replace broken or damaged mini blinds at exterior windows at 2447.	PC03	862.50
Giesinger Elementary School: Install ADA complaint accessible graphics at Custodial Office, Cafeteria Mechanical, A-2 Storage, 500 Corridor laundry.	PC03	862.50
Armstrong Elementary School: Regrade washout on service drive.	PC02	2,875.00
Glen Loch Elementary School: Extend wall to deck to separate interior of Room 641.	PC03	862.50
Rice Elementary School: Remove/correct protruding object at Clinic, 100 Corridor, 400 Corridor.	PC03	862.50
Conroe High School: Regrade swale between practice fields.	PC03	905.63
Moorhead Stadium: Expand north pole vault pad on runway side.	PC03	948.75
Caney Creek High School: Install ADA compliant district standard building graphics at 2447, storage at library, storage at 3400, stage dressing, B100, storage at auditorium sound room.	PC03	1,078.13
Cox Intermediate School: Install fiberglass reinforced plastic wall panel (FRP) on gypsum board walls at mop sink in custodial room 104.	PC03	1,078.13
Oak Ridge Transportation Center: Install accessible bench in men's locker rooms.	PC03	1,078.13
Oak Ridge Transportation Center: Replace Operations and routing - pass through counter that is non-accessible.	PC03	1,078.13
The Woodlands High School: Provide a swale between the synthetic football practice field and the existing softball field.	PC03	1,106.88
Washington Junior High School: Replace long jump take-off board.	PC03	1,114.06
Armstrong Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Armstrong Elementary School: Replace asphalt outside kitchen with concrete.	PC02	46,000.00
Caney Creek High School: Provide concrete walks from gates at home bleachers to track.	PC03	1,185.94
Armstrong Elementary School: Replace asphalt sidewalk with concrete at rear of building.	PC02	7,187.50
Wilkinson Elementary School: Restripe north parking lot (105 spaces).	PC03	1,221.88
The Woodlands High School: Re-sod area around pole vault runway.	PC03	1,257.81
The Woodlands High School: Sod area between long/triple jump events.	PC03	1,257.81
Armstrong Elementary School: Replace galvanized domestic water piping throughout building.	PC02	395,312.50
Anderson Elementary School: Install new horizontal blinds at locations of damaged blinds at 27, 20 Planning, 30 Planning, 40 Planning, 44, and 41.	PC03	1,293.75
Discipline Alternative Education Program (DAEP): Install ADA compliant hardware at Custodial closet.	PC03	1,293.75
Armstrong Elementary School: Replace one small transformer located in 'A' Wing mechanical yard.	PC01	5,031.25
Hailey Elementary School: Install ADA compliant hardware at Served.	PC03	1,293.75
Armstrong Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Armstrong Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Armstrong Elementary School: Upgrade emergency generator.	PC01	179,687.50
Ride Elementary School: Install ADA compliant hardware at Kitchen toilet.	PC03	1,293.75
Armstrong Elementary School: Upgrade one electrical panel and transformer in 'B' wing; (5) locations.	PC01	57,500.00
Anderson Elementary School: Remove/correct protruding storage shelf casework at all classrooms.	PC03	1,351.25
Powell Elementary School: Remove/correct protruding object (backpack storage shelf at classrooms).	PC03	1,380.00
Armstrong Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Discipline Alternative Education Program (DAEP): Remove old TV, associated support brackets and cabling at (2) classrooms.	PC03	1,437.50
Discipline Alternative Education Program (DAEP): Remove/correct protruding object (data cabinet, electric drinking fountain, paper towel dispensers).	PC03	1,437.50
Ford Elementary School: Provide projection screen in Library.	PC03	1,437.50
Hauke Academic Alternative High School: Remove old TV, associated support brackets and cabling at Art 7 and Office, 21.	PC03	1,437.50

Mitchell Intermediate School: Replace labeling at all outdoor chilled and hot water piping (labeling coming off or non existent).	PC03	1,437.50
Birnham Woods Elementary School: add 110 receptacle for changing table	PC02	2,000.00
Birnham Woods Elementary School: add 110 receptacle for the water closet lift	PC02	2,000.00
Birnham Woods Elementary School: Install wall mounted projector in art room 410, 411 and music room 412.	PC02	10,781.25
Birnham Woods Elementary School: level sidewalks water is coming in; add avedek canopy	PC01	52,000.00
Oak Ridge High School: Clean inlets (2) on southwest side.	PC03	1,437.50
Powell Elementary School: Install missing grab bar at A-7 and 6F.	PC03	1,437.50
Reaves Elementary School: Add exit signs in Admin. Corridor.	PC03	1,437.50
Reaves Elementary School: Remove and replace concrete section to meet finish floor.	PC03	1,437.50
Rice Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door at Kitchen toilet and Kitchen Office.	PC03	1,437.50
Birnham Woods Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
The Woodlands High School: Clean inlets in courtyard (2).	PC03	1,437.50
Birnham Woods Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
The Woodlands High School: Provide new water fountain at baseball home side dugout.	PC03	1,437.50
Travis Intermediate School: Replace or repair damaged tack board at 310, 316.	PC03	1,437.50
McCullough Junior High School: Provide insulated piping at Mens' and Womens' restrooms near C100, B100, E107, Gym B, E200, C200, B200, D200 (currently non-insulated).	PC03	1,509.38
Discipline Alternative Education Program (DAEP): Replace vinyl composition tile (VCT) flooring with open joints at Break room.	PC03	1,581.25
Bozman Elementary School: Stage Curtains - fire proofing	PC02	
Bozman Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Giesinger Elementary School: Remove or correct Protruding casework shelf and backpack storage at all classrooms.	PC03	1,610.00
Tough Elementary School (K-6): Restripe north lot (112 spaces).	PC03	1,610.00
Bozman Intermediate School: add 110 receptacle for changing table	PC02	2,000.00
Bozman Intermediate School: add 110 receptacle for the water closet	PC02	2,000.00
Bozman Intermediate School: KILN replacements	PC02	5,000.00
Bozman Intermediate School: level sidewalks water is coming in; add avedek canopy	PC02	52,000.00
Creighton Elementary School: Remove or correct protruding object at 413, 416, 407, cafeteria, 412, 401.	PC03	1,725.00
Giesinger Elementary School: Install ADA complaint accessible graphics at Servery, Kitchen, Kitchen toilet, dry storage, Kitchen Custodial, Kitchen Office.	PC03	1,725.00
Glen Loch Elementary School: Replace damaged mini blinds at Library, 308.	PC03	1,725.00
Hauke Academic Alternative High School: Remove or correct protruding fire cabinet and EDF at Food 9 and at first and second floor corridors.	PC03	1,725.00
Kaufman Elementary School: Restripe parking lots (144 spaces).	PC03	1,725.00
Galatas Elementary School: Remove/correct protruding object (casework) at all classrooms.	PC03	1,868.75
Broadway Elementary School: add 110 receptacle for changing table	PC02	2,000.00
Walter P. Jett Continuing Education Center: Replace current mop sink with floor mounted mop sink at Custodial rooms.	PC03	1,868.75
Broadway Elementary School: add 110 receptacle for the water closet	PC02	2,000.00
The Woodlands High School 9th Grade Campus: Replace electric hand dryers at womens' locker room/restroom.	PC03	1,955.00
Knox Junior High School: Replace entrance 6' chain-link fence and gates at track & field.	PC03	1,976.56
Glen Loch Elementary School: Remove/correct protruding object (fire extinguisher) in corridors and defibulator at stage access.	PC03	2,012.50
Glen Loch Elementary School: Replace (4) interior recessed light fixture at gymnasium entrance with LED.	PC03	2,012.50
Washington Junior High School: Remove old chalkboard and repair surfaces at 105, 108, 106, L3, 203, 209, 204, 305, 303, 301.	PC03	2,024.00
Birnham Woods Elementary School: Add inlet to courtyard.	PC03	2,156.25
Bozman Intermediate School: Add inlet near courtyard.	PC03	2,156.25
Caney Creek High School: Repair erosion/grading around pole vault pads.	PC03	2,156.25
Conroe Transportation Center: Provide accessible lavatory and faucet in Routing.	PC03	2,156.25
Cox Intermediate School: Repair plastic laminate (P-lam) door to staff room 402.	PC03	2,156.25
Giesinger Elementary School: Add inlet in theater area (currently no inlet).	PC03	2,156.25
McCullough Junior High School: Repair storm inlets.	PC03	2,156.25
Moorhead Stadium: Provide ADA parking throughout (existing spaces do not meet minimum requirements).	PC03	2,156.25
North Maintenance & Warehouse Complex: Install a range hood oven range in Break Room.	PC03	2,156.25
Oak Ridge High School: Provide local classroom audio system.	PC03	2,156.25
Broadway Elementary School: carpet	PC02	240,000.00
Broadway Elementary School: Deep sinks in the art rooms	PC02	15,000.00
Broadway Elementary School: level sidewalks water is coming in; add avedek canopy	PC02	52,000.00
Broadway Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Broadway Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Oak Ridge High School: Repair wood bench under locker 68, 70, & 72 in Girls' locker room G-204 .	PC03	2,156.25
Reaves Elementary School: Install compliant hand sink at serving line in Kitchen.	PC03	2,156.25
Rice Elementary School: Add inlet to basketball courts.	PC03	2,156.25
Ride Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	2,156.25
The Woodlands High School 9th Grade Campus: Provide local classroom audio system.	PC03	2,156.25
Travis Intermediate School: Install ADA compliant accessible lavatory with pipe protection, faucet and grab bars at 117B.	PC03	2,156.25
Wilkinson Elementary School: Add inlet to courtyard and check drainage.	PC03	2,156.25

San Jacinto Elementary School: Remove old chalkboard and repair damaged finishes at 120, 121, 122, 123, 130, 131, 132, 133, 221, 222, 223, 234.	PC03	2,208.00
Knox Junior High School: Replace take-off boards.	PC03	2,228.13
Hailey Elementary School: Replace (2) exterior light fixtures located near entry to gymnasium from the school building.	PC03	2,300.00
Powell Elementary School: Install ADA compliant panic hardware at exterior door in Kitchen.	PC03	2,300.00
The Woodlands College Park High School: Provide new backstop net at home bullpen at baseball field (short and poor condition).	PC03	2,443.75
Reaves Elementary School: Replace exterior door thresholds that are too high with ADA compliant accessible thresholds at exterior entrances at K corridor, Y corridor, A corridor, G corridor, B corridor, PK corridor, and P corridor.	PC03	2,515.63
Birnham Woods Elementary School: Install dumpster pads.	PC03	2,587.50
Bozman Intermediate School: Install dumpster pads.	PC03	2,587.50
Bush Elementary School: Install dumpster pads.	PC03	2,587.50
Broadway Intermediate: Add HVAC for Instrument Storage	PC02	75,000.00
Buckalew Elementary School: add 110 receptacle for changing table	PC02	2,000.00
Buckalew Elementary School: add 110 receptacle for the water closet	PC02	2,000.00
Buckalew Elementary School: Address drainage at play area.	PC02	7,187.50
Buckalew Elementary School: Install new classroom projection system.	PC02	215,625.00
Caney Creek High School: Install new dumpster pads.	PC03	2,587.50
Conroe High School 9th Grade Campus: Install dumpster pads.	PC03	2,587.50
Conroe High School: Install dumpster pads.	PC03	2,587.50
Buckalew Elementary School: Provide one (1) roof access ladder.	PC02	3,593.75
Creighton Elementary School: Install new dumpster pads.	PC03	2,587.50
David Elementary School: Install dumpster pads.	PC03	2,587.50
Deretchin Elementary School (K-6): Install dumpster pads.	PC03	2,587.50
East Transportation Center: Install new dumpster pad.	PC03	2,587.50
Buckalew Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows and joints between building and paving).	PC02	21,562.50
Buckalew Elementary School: repurpose dish room	PC02	30,000.00
Galatas Elementary School: Install dumpster pads.	PC03	2,587.50
Giesinger Elementary School: Install dumpster pads.	PC03	2,587.50
Grangerland Intermediate School: Install new dumpster pads.	PC03	2,587.50
Hailey Elementary School: Install dumpster pads.	PC03	2,587.50
Hauke Academic Alternative High School: Install dumpster pads.	PC03	2,587.50
Kaufman Elementary School: Install dumpster pads.	PC03	2,587.50
Buckalew Elementary School: Stage Curtains - fire proofing	PC02	
McCullough Junior High School: Install dumpster pads.	PC03	2,587.50
Milam Elementary School: Install new dumpster pads.	PC03	2,587.50
Moorhead Junior High School: Install new dumpster pads.	PC03	2,587.50
Moorhead Junior High School: Provide additional receptacles in Conference A-8 and Office A-5.	PC03	2,587.50
Oak Ridge High School: Install dumpster pads.	PC03	2,587.50
Powell Elementary School: Install dumpster pads.	PC03	2,587.50
Reaves Elementary School: Install dumpster pads.	PC03	2,587.50
Buckalew Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Reaves Elementary School: Install proper ADA compliant accessible district standard room signage at Y310, Music, P410, A140 Locker, A140A toilet, A141 Office, Stage, Stage Storage, G210, B110.	PC03	2,587.50
Rice Elementary School: Install dumpster pads.	PC03	2,587.50
Ride Elementary School: Install dumpster pads.	PC03	2,587.50
Runyan Elementary School: Install dumpster pads.	PC03	2,587.50
San Jacinto Elementary School: Install dumpster pads.	PC03	2,587.50
The Woodlands College Park High School: Install dumpster pads.	PC03	2,587.50
Buckalew Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
The Woodlands High School: Install dumpster pads.	PC03	2,587.50
Wilkerson Intermediate School: Install ADA compliant room graphic at Clinic Storage, 106, 118 Storage 1, 118 Storage 2, 324, Servery, FA-1, FA-2.	PC03	2,587.50
York Junior High School: Install new dumpster pads.	PC03	2,587.50
CISD Police Command Center: Restripe fire lane.	PC03	2,695.31
Bush Elementary School: Install additional fencing (site fence is not continuous around property).	PC02	21,562.50
Bush Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Bush Elementary School: Replace missing projector in science lab 601 (projector missing from mount).	PC02	2,156.25
Ford Elementary School: Replace damaged mini blinds in 204, 211, 212, 222.	PC03	2,803.13
Armstrong Elementary School: Install ADA compliance handrails at stage stairs.	PC03	2,875.00
Bush Elementary School: Provide ADA accessible sinks in Kindergarten and Art classrooms.	PC03	2,875.00
Caney Creek High School: Replace dugout water fountains at softball field.	PC03	2,875.00
CISD Police Command Center: Address drainage issue at dog kennels.	PC03	2,875.00
Conroe High School 9th Grade Campus: Replace tennis court nets and poles.	PC03	2,875.00
Ford Elementary School: Prepare and repaint hollow metal door frame, vision lite frame, or door at office Corridor, 109, Serving Line.	PC03	2,875.00
Galatas Elementary School: Custodial sink is too close to electrical panel at Custodial room in the 30 Corridor.	PC03	2,875.00

Bush Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC02	60,000.00
Galatas Elementary School: Prepare and repaint hollow metal door frame, vision lite frame, or door at Kitchen Custodial, Kitchen toilet.	PC03	2,875.00
Bush Elementary School: Stage Curtains - fire proofing	PC02	
Galatas Elementary School: Repair curb damage (5').	PC03	2,875.00
Galatas Elementary School: Replace Concrete under canopy.	PC03	2,875.00
Houston Elementary School: Provide ADA compliant handrails at the stage ramps as they do not extend beyond the change in level at the top and bottom of the ramp.	PC03	2,875.00
Lamar Elementary School: Relocate transformer in front of panel EHA and transformer in front of LLA.	PC03	2,875.00
Oak Ridge Elementary School: Remove or correct protruding object at Annex Corridor (EDF), Girls' and Boys' 3 (lav), Boys' and Girls' 2 (lav), and Clinic (lav).	PC03	2,875.00
Oak Ridge High School: Provide H-style goal post for track and field events.	PC03	2,875.00
Oak Ridge Transportation Center: Paint doors and door frames at locker area.	PC03	2,875.00
Powell Elementary School: Remove and replace 5' of curb in bus lane.	PC03	2,875.00
Bush Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Ride Elementary School: Remove old TV and associated support brackets and cabling at 601, Library, 605, 003.	PC03	2,875.00
Testing and Assessment Center: Provide accessible sink in Break room.	PC03	2,875.00
Caney Creek High School: add 110 receptacle for the water closet lift	PC02	2,000.00
Caney Creek High School: Add HVAC for Instrument Storage	PC02	100,000.00
Travis Intermediate School: Repair or replace door bottom at sound doors at 309, 310, 316, 315.	PC03	2,875.00
Walter P. Jett Continuing Education Center: Provide ADA ramp from front building to back building under the canopy walkway.	PC03	2,875.00
Vogel Intermediate School: Install lavatory guards under all accessible sinks per ADA standards.	PC03	2,910.94
Caney Creek High School: Add lightning protection at auditorium.	PC02	21,562.50
Anderson Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: baseball and practice field - no ground faults by sinks	PC02	3,000.00
Caney Creek High School: Baseball Turf Conversion	PC02	2,100,000.00
Caney Creek High School: both vent hoods are no good (Vent hoods are aging but only show minor cosmetic pitting)	PC02	20,000.00
Caney Creek High School: camera conversion - analog to IP	PC02	152,000.00
Armstrong Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Football Turf Conversion	PC02	1,600,000.00
Bozman Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Broadway Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Buckalew Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Bush Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Collins Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Cox Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Creighton Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Cryar Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
David Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Deretchin Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Install required exit signage at 1302C, 1301.	PC01	4,600.00
Ford Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Galatas Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Giesinger Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Provide 24/7 air conditioning at MDF.	PC02	21,562.50
Glen Loch Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Grangerland Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Hailey Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Provide district standard projector at 2220, 2210, 2217, 2215, 2213, 2214, 2216, 2208, 2206, 2203, 2204, 2201, 3113, 2101, 4208, 4305, 4307, 4309, 3408, 3202, 3204, 3309, 3100, 1220, 1218, 1214, 1212, 1210, 1217, 1215, 1208, 1206,	PC02	140,156.25
Caney Creek High School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC01	43,125.00
Caney Creek High School: Renovate serving line	PC02	460,000.00
Caney Creek High School: Repair or replace headwall/pipe near northwest corner of baseball at practice fields.	PC02	14,375.00
Hauke Academic Alternative High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Houser Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Irons Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Kaufman Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Knox Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Replace (2) cracked inlet grates, west side.	PC02	790.63
Lamar Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
McCullough Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Milam Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Mitchell Intermediate School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Moorhead Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00

Oak Ridge Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Caney Creek High School: Replace 600 amp breaker in mechanical mezzanine at Gym.	PC02	14,375.00
Oak Ridge High School 9th Grade Campus: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Peet Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Powell Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Reaves Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Rice Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Ride Elementary School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Washington Junior High School: Stage Curtains - safety rigging on tracks	PC03	3,000.00
Houston Elementary School: Remove/correct 24' long Protruding shelf at all classrooms.	PC03	3,047.50
Walter P. Jett Continuing Education Center: Remove and replace sidewalks at front entrance.	PC03	3,126.56
McCullough Junior High School: Repair chipped plastic laminate (P-lam) door surface at room E106A, D107A and D107C.	PC03	3,162.50
Moorhead Stadium: Restripe parking lot (275 Spaces).	PC03	3,162.50
The Woodlands High School 9th Grade Campus: Repair damaged plastic laminate (P-lam) door at Gymnasium 1; Art-1, and stairs-2.	PC03	3,162.50
The Woodlands High School 9th Grade Campus: Replace four (4) damaged fire extinguisher cabinets at gymnasium-1 and gymnasium-2.	PC03	3,162.50
Cox Intermediate School: Repaint parking lot (280 spaces).	PC03	3,220.00
Tough Elementary School (K-6): Install lavatory guards under all ADA accessible lavatories throughout campus.	PC03	3,234.38
Hauke Academic Alternative High School: Construct wall or correct Protruding lavatories to meet current ADA compliant accessibility requirements at Women A103, Boys' A109, Girls' A113, and Boys' A116.	PC03	3,450.00
Travis Intermediate School: Remove or correct protruding objects at 104, 110, 300B, 301, 320, 322, 326, 119, 202, 219, 221, 601,.	PC03	3,450.00
Caney Creek High School: Provide new backstop pads at softball field.	PC03	3,521.88
Conroe High School 9th Grade Campus: Paint wood floor at stage (color: black).	PC03	3,593.75
Conroe High School: Reseal concrete joints.	PC03	3,593.75
Caney Creek High School: Replace ceilings as necessary at storm drain repairs.	PC02	389,330.78
Creighton Elementary School: Repair and repaint door frame, vision lite frame, or door in various areas throughout school.	PC03	3,593.75
David Elementary School: Provide ADA access to stage.	PC03	3,593.75
Ford Elementary School: Provide one roof access ladder.	PC03	3,593.75
Ford Elementary School: Seal walls around penetrations at sprinkler pipe.	PC03	3,593.75
Caney Creek High School: Replace mechanical room boilers.	PC02	258,750.00
Hailey Elementary School: Install compliant hardware panic device on doors at Kitchen.	PC03	3,593.75
Hauke Academic Alternative High School: Prepare and repaint existing wood door frame, vision lite frame, or doors at Stage, Lounge, Art 7 and Gym office.	PC03	3,593.75
Hauke Academic Alternative High School: Provide miscellaneous repairs at walls.	PC03	3,593.75
Caney Creek High School: Reseal and restripe asphalt lot on north side.	PC02	47,959.31
Caney Creek High School: Restripe teachers' parking lot (125 spaces).	PC02	1,495.00
Caney Creek High School: Safety and Security upgrades	PC02	300,000.00
Houston Elementary School: Provide ADA compliant accessible sink at 705B.	PC03	3,593.75
Knox Junior High School: Regrade around northwest side of building.	PC03	3,593.75
Mitchell Intermediate School: Provide mirrored flush valve at clinic restroom to be ADA compliant.	PC03	3,593.75
Caney Creek High School: Softball Turf Conversion	PC02	1,300,000.00
Oak Ridge High School: Paint exterior overhead doors.	PC03	3,593.75
Powell Elementary School: Restripe fire lane in bus lane.	PC03	3,593.75
Caney Creek High School: Stage Curtains - fire proofing	PC02	
Reaves Elementary School: Install hood at stove in K101.	PC03	3,593.75
Reaves Elementary School: Replace can wash faucet outside kitchen.	PC03	3,593.75
Ride Elementary School: Relocate storage in office corridor as it limits exit width.	PC03	3,593.75
The Woodlands High School: Replace existing 4' fence at tennis courts.	PC03	3,593.75
Travis Intermediate School: Remove old television support bracket in ceiling 204, 205, 206, 207, 603.	PC03	3,593.75
Washington Junior High School: Install ADA compliant accessible handrails at ramp in corridor adjacent to 313, L3, stage.	PC03	3,593.75
Washington Junior High School: Provide ADA compliant seating in the Auditorium.	PC03	3,593.75
Washington Junior High School: Provide one roof access ladder.	PC03	3,593.75
Wilkerson Intermediate School: Replace existing window at roof.	PC03	3,593.75
Wilkerson Intermediate School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	3,593.75
Moorhead Stadium: Regrade swale north of long jump.	PC03	3,773.44
The Woodlands High School 9th Grade Campus: Extend concrete sidewalk on north side.	PC03	3,773.44
Caney Creek High School: Baseball Covered Batting Cages	PC02	
Caney Creek High School: Softball cages are not covered	PC02	
Caney Creek High School: Fire Alarm Voice Evac System Upgrade	PC02	
Caney Creek High School: DAS Repeater System and BDA First Responder	PC02	
Caney Creek High School: Stage Curtains - safety rigging on tracks	PC02	
Clark Intermediate: Add HVAC for Instrument Storage	PC02	75,000.00
Caney Creek High School: Install ADA compliant hardware at 2202 offices.	PC03	3,881.25
Knox Junior High School: Relocate non-compliant light switch to proper height at Kitchen, Kitchen Storage, Kitchen Custodial, dry Storage, toilet, Office.	PC03	4,025.00

Moorhead Junior High School: Provide new 4' C/L fence at drop from track to pond.	PC03	4,025.00
The Woodlands College Park High School: Regrade swale and repair due to erosion at inlet at practice field near tennis.	PC03	4,025.00
Collins Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
Washington Junior High School: Resurface pole vault runway.	PC03	4,071.00
Collins Intermediate School: Install (2) exit signs in Band and Art rooms.	PC02	2,300.00
Knox Junior High School: Knox Field House: Install ADA compliant room graphic plaques throughout.	PC03	4,096.88
The Woodlands Transportation Center: Relocate compressor so it is out of wash area.	PC03	4,168.75
Armstrong Elementary School: Install 3-way switch Music and Art Room has (2) door but (1) switch per room.	PC03	4,312.50
Armstrong Elementary School: Repair or replace damaged laminate on door 6A toilet and at 2A.	PC03	4,312.50
Armstrong Elementary School: Replace dumpster pads.	PC03	4,312.50
Bozman Intermediate School: Replace damaged apron at drinking fountain.	PC03	4,312.50
Conroe High School 9th Grade Campus: Add four (4) acoustical wall panels at Orchestra practice rooms.	PC03	4,312.50
Conroe High School 9th Grade Campus: Install barrier/buffer at end of track chute at pond.	PC03	4,312.50
David Elementary School: Prepare and repaint hollow metal door frame, vision lite frame, or door at 301, 308, 641, 608, 001, 002.	PC03	4,312.50
Deretchin Elementary School (K-6): Repair plastic laminate (P-lam) at door edge and bottom at A-6 Stage; door at custodial storage; and door base at Gym storage.	PC03	4,312.50
Discipline Alternative Education Program (DAEP): Install ADA compliant lavatory in Mens' restroom.	PC03	4,312.50
Glen Loch Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door at A-5, 641 Custodial, 640, 103, 102, and 6.	PC03	4,312.50
Glen Loch Elementary School: Repair or replace door with damaged laminate at 3A and 3B.	PC03	4,312.50
Houser Elementary School: Remove or correct protruding object (shelf in computer science, paper towel dispenser).	PC03	4,312.50
Knox Junior High School: Remove or correct protruding hand wash at Kitchen.	PC03	4,312.50
Knox Junior High School: Replace net posts at each tennis court.	PC03	4,312.50
Lamar Elementary School: Provide ADA Compliant accessible lavatory at 107 Lounge.	PC03	4,312.50
North Maintenance & Warehouse Complex: Install new fencing around proposed concrete parking	PC03	4,312.50
Collins Intermediate School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
North Maintenance & Warehouse Complex: Replace Warehouse EDF that does not comply with TAS to meet current ADA requirements.	PC03	4,312.50
Oak Ridge High School: Provide additional wall outlets in lieu of exposed wire mold in room B-203.	PC03	4,312.50
Oak Ridge High School: Replace seat/aisle tags at auditorium F-100 (approx. 27) .	PC03	4,312.50
San Jacinto Elementary School: Provide accessible non-protruding hi/lo electric drinking fountain at Cafeteria, vestibule at 211.	PC03	4,312.50
Collins Intermediate School: Install DX for Administration.	PC02	35,937.50
Testing and Assessment Center: Install complete ADA compliant graphics signage package.	PC03	4,312.50
Testing and Assessment Center: Provide district standard 5'-0" high marker board at training rooms.	PC03	4,312.50
The Woodlands High School 9th Grade Campus: Replace missing equipment from wall in gymnasium-1 and gymnasium-2.	PC03	4,312.50
Collins Intermediate School: life skills addition	PC02	120,000.00
Collins Intermediate School: needs gym addition	PC02	6,000,000.00
Collins Intermediate School: DAS Repeater System and BDA First Responder	PC02	
Collins Intermediate School: Fire Alarm Voice Evac System Upgrade	PC02	
Collins Intermediate School: Install ADA compliant hardware throughout facility.	PC02	
Collins Intermediate School: Provide district standard projector at 504 Science, 510, 511, 520, 500 Music, 600 music, 601 Science, 617, 620 and Art.	PC02	32,343.75
Collins Intermediate School: Provide hot water for 600 wing janitor closets.	PC02	11,500.00
Travis Intermediate School: Replace broken or damaged mini blinds at 214, 215, 218, 606, 607, 609, 610, 611, 501.	PC03	4,312.50
Caney Creek High School: Replace take-off boards.	PC03	4,456.25
Collins Intermediate School: Relocate transformer in front of panel in MDF.	PC02	6,468.75
The Woodlands College Park High School: Replace four (4) "end" take-off boards.	PC03	4,456.25
Armstrong Elementary School: Provide ADA compliant accessible room graphics at IDF, Library, Library Storage, Library Workroom, B17 Storage, B26, Corridor Boys', toilets at 8A, 6A, 5A, 4A, 4a toilets, 3A, 2A, 2A toilets, 1A, Conf at D Corridor, Conference at E Corridor	PC03	4,528.13
Hailey Elementary School: Relocate non compliant light switch - too high in Kitchen, Served, Toilet, Storage, Office.	PC03	4,600.00
Wilkerson Intermediate School: Install ADA compliant hardware at Kitchen exit.	PC03	4,600.00
Collins Intermediate School: Remove and replace sidewalks around building perimeter (700x4). Take special precautions to exterminate or control small ant infestation in the area.	PC02	29,181.25
Collins Intermediate School: Remove old handsets (6+/-).	PC02	1,293.75
The Woodlands High School 9th Grade Campus: Replace missing acoustical wall panels in three (3) Orchestra practice rooms and damaged acoustical wall panel(s) in Room 118; 119 and 121.	PC03	4,657.50
Washington Junior High School: Resurface long jump runway.	PC03	4,692.00
Anderson Elementary School: LED stage lighting	PC03	5,000.00
Collins Intermediate School: Replace all air handling units (7 total).	PC02	1,725,000.00
Collins Intermediate School: Replace all exit signs (50 +/- total).	PC02	35,937.50
Armstrong Elementary School: LED stage lighting	PC03	5,000.00
Austin Elementary School: LED stage lighting	PC03	5,000.00
Birnam Woods Elementary School: LED stage lighting	PC03	5,000.00
Bozman Intermediate School: LED stage lighting	PC03	5,000.00
Broadway Elementary School: LED stage lighting	PC03	5,000.00
Buckalew Elementary School: LED stage lighting	PC03	5,000.00
Bush Elementary School: LED stage lighting	PC03	5,000.00
Caney Creek High School: repaint lockers in freshman boys locker room to match school colors	PC03	5,000.00

Collins Intermediate School: Replace old clock system.	PC02	31,625.00
Collins Intermediate School: Stage Curtains - fire proofing	PC02	
Collins Intermediate School: hand washes glazed block walls	PC03	5,000.00
Collins Intermediate School: Stage Curtains - safety rigging on tracks	PC02	
Collins Intermediate School: KILN replacements	PC03	5,000.00
Collins Intermediate School: LED stage lighting	PC03	5,000.00
Cox Intermediate School: KILN replacements	PC03	5,000.00
Cox Intermediate School: LED stage lighting	PC03	5,000.00
Creighton Elementary School: LED stage lighting	PC03	5,000.00
Cryar Intermediate School: KILN replacements	PC03	5,000.00
Cryar Intermediate School: LED stage lighting	PC03	5,000.00
David Elementary School: LED stage lighting	PC03	5,000.00
Conroe High School 9th Grade Campus: Add HVAC for Instrument Storage	PC02	100,000.00
Conroe High School 9th Grade Campus: Provide robotics classroom	PC02	125,000.00
Conroe High School 9th Grade Campus: DAS Repeater System and BDA First Responder	PC02	
Conroe High School 9th Grade Campus: Fire Alarm Voice Evac System Upgrade	PC02	
Conroe High School 9th Grade Campus: Stage Curtains - fire proofing	PC02	
Conroe High School 9th Grade Campus: Stage Curtains - safety rigging on tracks	PC02	
Deretchin Elementary School: KILN replacements (1)	PC03	5,000.00
Deretchin Elementary School: LED stage lighting	PC03	5,000.00
Ford Elementary School: LED stage lighting	PC03	5,000.00
Galatas Elementary School: LED stage lighting	PC03	5,000.00
Giesinger Elementary School: LED stage lighting	PC03	5,000.00
Glen Loch Elementary School: LED stage lighting	PC03	5,000.00
Grangerland Intermediate School: KILN replacements (1)	PC03	5,000.00
Conroe High School: 8 lane track Demo track and fix drainage at stadium, New track at practice field(Part of Phase 2 work)	PC02	1,100,000.00
Grangerland Intermediate School: LED stage lighting	PC03	5,000.00
Hailey Elementary School: LED stage lighting	PC03	5,000.00
Hauke Academic Alternative High School: LED stage lighting	PC03	5,000.00
Houser Elementary School: LED stage lighting	PC03	5,000.00

Conroe High School: chair lift	PC02	15,000.00
Tough Elementary School (K-6): Remove existing classroom televisions.	PC03	5,750.00
Washington Junior High School: Adjust sideline inlets and swales closer to track.	PC03	5,750.00
Geisinger Elementary School: remove folding partition make it look like Anderson	PC03	6,000.00
Conroe High School: construction trades	PC02	190,000.00
Conroe High School: Deep sinks in the art rooms	PC02	120,000.00
Conroe High School: Football Turf Conversion	PC02	1,600,000.00
Conroe High School: law enforcement lab with courtroom and airsoft range	PC02	425,000.00
Conroe High School: need covered batting cage for softball	PC02	210,000.00
Conroe High School: Relay elevator outdated and has issues	PC02	80,000.00
Conroe High School 9th Grade Campus: Provide 6' back pvc-coated chain link fence at south side of restroom/storage building (restrict pedestrian access).	PC03	6,037.50
Conroe High School: robotics lab and play field	PC02	6,000,000.00
Travis Intermediate School: Replace can lighting and T-12 fixtures in Boys'/Girls' restroom in Cafeteria.	PC03	6,037.50
Conroe High School: Safety and Security upgrades	PC02	300,000.00
Walter P. Jett Continuing Education Center: Replace carpet at base of spiral stairs in the newer building addition so carpeted areas match; address water stain in same area.	PC03	6,109.38
Glen Loch Elementary School: Replace ceiling tile and grid in Kitchen, Kitchen Office, and dry Storage.	PC03	6,138.13
Washington Junior High School: Replace or repair damaged acoustical panels at 316C, 317E, 606.	PC03	6,210.00
McCullough Junior High School: Remove and replace west central sidewalk.	PC03	6,253.13
Oak Ridge High School: Resod area in front of dugouts and bleachers at softball field.	PC03	6,289.06
Creighton Elementary School: Remove old TV and associated support brackets and cabling at 419, 710, 704, 705, 102, 104, 105, 106.	PC03	6,468.75
Ford Elementary School: Install ADA compliant hardware at Kitchen.	PC03	6,468.75
Moorhead Junior High School: Replace damaged mini blinds at window at 105D, 105C, 109, 110, 113, 114, 115, 117, 118, 209, 211, 302, 304, 317, 319.	PC03	6,468.75
Rice Elementary School: Install ADA compliant hardware at Serving, Kitchen, Kitchen toilet, Kitchen Office, Dry Storage.	PC03	6,468.75
The Woodlands High School: Install concrete loading zone for dumpster trucks.	PC03	6,468.75
The Woodlands High School: Provide accessibility to auditorium control room per ADA standards.	PC03	6,468.75
Wilkinson Elementary School: Remove existing classroom televisions.	PC03	6,468.75
Ford Elementary School: sheetrock walls are getting wet - more durable material needed	PC03	6,500.00
Conroe High School: Softball Turf Conversion	PC02	1,000,000.00
Hailey Elementary School: sheetrock walls are getting wet - more durable material needed.	PC03	6,500.00
Houser Elementary School: sheetrock walls are getting wet - more durable material needed.	PC03	6,500.00
Wilkerson Intermediate School: Remove or correct protruding object upper casework at 119A, electric drinking fountain at Corridor 612, 615, 616, 619, 512, 513, 516, 517; 716 Cafeteria, hand wash at serving and Kitchen, shelf at FA-4 and FA-6.	PC03	6,612.50
Tough Elementary School (K-6): Restripe fire lane.	PC03	6,756.25
Bozman Intermediate School: Repair cracked concrete masonry (CMU) wall and reseal control joint in fine arts hallway near drinking fountain (opposite wall).	PC03	6,828.13
Galatas Elementary School: Install range hood over range in Science.	PC03	6,900.00
Conroe High School: Stage Curtains - safety rigging on tracks	PC02	35,000.00
Lamar Elementary School: Replace old exterior wall packs on gymnasium exterior wall.	PC03	6,900.00
Conroe High School: wood dance floor - 4,500 mirrors and bars - match Grand Oaks HS	PC02	102,000.00
Conroe Transportation Center: 4-5 additional offices needed	PC02	127,500.00
Moorhead Stadium: Replace existing drinking fountain at home side field house with accessible fixture per ADA standards.	PC03	6,900.00
Conroe Transportation Center: 6 portable buildings need to be replaced with facility upgrade	PC02	800,000.00
The Woodlands College Park High School: Repair bald spots in track surface at high jump.	PC03	6,900.00
Anderson Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Bozman Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: access control system	PC02	18,000.00
Conroe Transportation Center: ADA fix	PC02	100,000.00
Conroe Transportation Center: add a body shop to the side	PC02	1,000,000.00
Conroe Transportation Center: addition or new building / facility	PC02	6,000,000.00
Conroe Transportation Center: cameras - Security package	PC02	18,000.00
Conroe Transportation Center: Coat existing metal roof system at all buildings excluding bus parking.	PC02	222,244.69
Buckalew Elementary School: Stage Curtains - fire proofing	PC03	7,000.00

Conroe Transportation Center: convert second building for a better tire center, flooring needs to be leveled out	PC02	840,000.00
Conroe Transportation Center: DDC controls at main building	PC02	100,000.00
Bush Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: East and North fence replace 1100 foot	PC02	60,500.00
Collins Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: generator needs upgrade	PC02	120,000.00
Conroe Transportation Center: Independent AC for MDF / IDF enclose space with new walls	PC02	25,000.00
Conroe Transportation Center: Install fire sprinkler systems throughout building.	PC01	76,187.50
Conroe Transportation Center: Install insulation at the addition to the shop.	PC02	7,187.50
Conroe Transportation Center: larger lounge space needed	PC02	315,000.00
Cox Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Creighton Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: need 800 sq ft classroom for training	PC02	280,000.00
Conroe Transportation Center: need awnings for service bay, size: approx 3 bays wide	PC02	40,000.00
Cryar Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: need more restroom facilities - expand	PC02	350,000.00
Conroe Transportation Center: no covering at portable building or walk	PC02	72,000.00
Conroe Transportation Center: out of room, employees parking	PC02	1,500,000.00
Conroe Transportation Center: Provide exhaust in Janitor's closet.	PC02	12,218.75
Conroe Transportation Center: Remove and replace exterior metal building walls and waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and pavement)	PC02	15,000.00
Conroe Transportation Center: repave driveway on back entry to ISD site	PC02	210,000.00
David Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Deretchin Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Replace (1) gas unit heater in tire storage.	PC02	7,187.50
Ford Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Galatas Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Giesinger Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Replace (4) gas unit heaters in buss repair.	PC02	28,750.00
Glen Loch Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Replace A/C system.	PC02	442,750.00
Conroe Transportation Center: Replace ceiling and grid in Office area for fire sprinkler scope of work.	PC02	74,390.63
Grangerland Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Replace one shop air compressor and air dryer.	PC02	5,031.25
Conroe Transportation Center: Revise toilet exhaust for shop discharges to Mezzanine; duct to exterior.	PC02	17,825.00
Hailey Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Tree preservation	PC02	1,500,000.00
Hauke Academic Alternative High School: Stage Curtains - fire proofing	PC03	7,000.00
Houser Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Irons Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Underground detention	PC02	1,500,000.00
Kaufman Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Conroe Transportation Center: Upgrade entire electrical system.	PC02	179,687.50
Cox Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
Cox Intermediate School: level sidewalks water is coming in; add awedek canopy	PC02	52,000.00
Cox Intermediate School: Stage Curtains - fire proofing	PC02	
Cox Intermediate School: Stage Curtains - safety rigging on tracks	PC02	
Creighton Elementary School: ADA modifications to Gym/Cafeteria Restrooms and ADA parking at Bus Loop	PC02	200,000.00
Knox Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Creighton Elementary School: Add 24/7 air conditioning in MDF (room is hot).	PC02	21,562.50
Lamar Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
McCullough Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Milam Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Mitchell Intermediate School: Stage Curtains - fire proofing	PC03	7,000.00
Moorhead Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Oak Ridge Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Oak Ridge High School 9th Grade Campus: Stage Curtains - fire proofing	PC03	7,000.00
Creighton Elementary School: Complete a fire code review of the facility.	PC01	14,375.00
Peet Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Powell Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Reaves Elementary School: Stage Curtains - fire proofing	PC03	7,000.00
Rice Elementary School: Stage Curtains - fire proofing	PC03	7,000.00

Washington Junior High School: Stage Curtains - fire proofing	PC03	7,000.00
Moorhead Junior High School: Install hard surface ceiling at food production of kitchen in family consumer 604.	PC03	7,043.75
Anderson Elementary School: Paint exterior lintels.	PC03	7,187.50
Bozman Intermediate School: Monitor building movement: Cracked concrete masonry (CMU) wall noted in fine arts hallway near drinking fountain (opposite wall). (STRUCTURE)	PC03	7,187.50
Broadway Elementary School: Monitor building movement: Building movement detected. (STRUCTURE)	PC03	7,187.50
Bush Elementary School: Clean storm inlets (4).	PC03	7,187.50
Conroe High School 9th Grade Campus: Monitor building movement: Provide structural investigation at mechanical yard wall.	PC03	7,187.50
Conroe Transportation Center: Clean storm sewer.	PC03	7,187.50
Conroe Transportation Center: Construct ADA Compliant entrance at the storage room by the tire station.	PC03	7,187.50
Conroe Transportation Center: Install man door at Tire Station.	PC03	7,187.50
Creighton Elementary School: HVAC R22 equipment	PC02	350,000.00
Creighton Elementary School: Install ceiling mounted projectors in older portion of building.	PC02	136,562.50
Conroe Transportation Center: Provide accessible HI/Lo EDF at the Corridor. Requires architectural renovation.	PC03	7,187.50
Creighton Elementary School: Install double door into mechanical room for equipment replacement.	PC03	7,187.50
Creighton Elementary School: Paint exterior hollow metal window frames.	PC03	7,187.50
Cryar Intermediate School: Monitor building movement: Vertical crack in concrete masonry (CMU) wall in room 207. (STRUCTURAL)	PC03	7,187.50
Deretchin Elementary School (K-6): Monitor building movement: Cracks noted at EDF & gym corridor and high horizontal crack all around exterior perimeter of gym. (STRUCTURAL)	PC03	7,187.50
Creighton Elementary School: needs a bigger cooler and freezer	PC02	120,000.00
East Transportation Center: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC03	7,187.50
Creighton Elementary School: needs additional serving lines (Needs additional SF, Needs new A/C)	PC02	300,000.00
Ford Elementary School: Provide required approach clearances at the kitchen exterior door.	PC03	7,187.50
Galatas Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	7,187.50
Giesinger Elementary School: Replace kitchen receptacles with GFCI.	PC03	7,187.50
Giesinger Elementary School: Revise door swing as door swings into and encroaches over 50% of corridors egress width at A-7.	PC03	7,187.50
Glen Loch Elementary School: Replace air devices in Kitchen.	PC03	7,187.50
Hauke Academic Alternative High School: Clean storm inlets.	PC03	7,187.50
Creighton Elementary School: Patch and repair ceiling tile and grid at areas where storm drain is repaired per Plumbing comments.	PC02	71,156.25
Creighton Elementary School: pneumatic fire dampers need to be overhauled	PC02	150,000.00
Knox Junior High School: Clean storm sewer system.	PC03	7,187.50
Creighton Elementary School: Provide district standard projector at 407,A11,A12.	PC02	10,781.25
Creighton Elementary School: Provide two roof access ladders.	PC02	7,187.50
Knox Junior High School: Knox Field House: Install ADA compliant accessible walk and ramp.	PC03	7,187.50
Lamar Elementary School: Extend the walls to deck and seal around openings through wall at Pod 5 Mechanical and electrical.	PC03	7,187.50
McCullough Junior High School: Provide miscellaneous repairs at walls.	PC03	7,187.50
Creighton Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
McCullough Junior High School: Provide two roof access ladders.	PC03	7,187.50
McCullough Junior High School: Reseal asphalt loop.	PC03	7,187.50
Creighton Elementary School: Replace existing built up roof system.	PC02	1,230,212.50
Milam Elementary School: Monitor building movement: Minor movement noted due to wall cracks on both sides of hallway near art rooms 409 and 410. (STRUCTURAL)	PC03	7,187.50
Mitchell Intermediate School: Insulate condensate drain lines at all air handling units.	PC03	7,187.50
North Maintenance & Warehouse Complex: Construct ADA compliant accessible path / ramp with compliant railings into building.	PC03	7,187.50
North Maintenance & Warehouse Complex: Replace stair to Mezzanine. Install proper railings and provide proper width.	PC03	7,187.50
Creighton Elementary School: single control point 5 zone single zone air handlers	PC01	7,200,000.00
Oak Ridge Elementary School: Provide required approach clearances at doors at Kitchen Custodial.	PC03	7,187.50
Oak Ridge High School 9th Grade Campus: Provide structural investigation at mechanical yard wall.	PC03	7,187.50
Oak Ridge High School: Refurbish existing ticket booth at tennis courts.	PC03	7,187.50
Powell Elementary School: Correct cable management issues at food serving line.	PC03	7,187.50
Powell Elementary School: Provide structural investigation at exterior wall.	PC03	7,187.50
Powell Elementary School: Relocate fire sprinkler line over electrical gear M6.	PC03	7,187.50
Reaves Elementary School: Investigate foundation crack in slab is not active at A134 Stage storage.	PC03	7,187.50
Rice Elementary School: Provide hot water to janitor's sink in Room 507.	PC03	7,187.50
Ride Elementary School: Clean storm inlets.	PC03	7,187.50
Creighton Elementary School: Stage Curtains - fire proofing	PC02	
Ride Elementary School: Investigate slab/foundation at area that is not level in Corridor 600.	PC03	7,187.50
Ride Elementary School: Provide two roof access ladders.	PC03	7,187.50
San Jacinto Elementary School: Paint exterior hollow metal window frames.	PC03	7,187.50
Testing and Assessment Center: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	7,187.50
Creighton Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Creighton Elementary School: Install ADA compliant hardware throughout the building. Installation will create modification of hollow metal frame and potential replacement of door. Replace door with compliant laminate clad district standard door.	PC02	
Creighton Elementary School: DAS Repeater System and BDA First Responder	PC02	
Creighton Elementary School: Fire Alarm Voice Evac System Upgrade	PC02	

Creighton Elementary School: two small restrooms at the front hallway need to be major renovated and include accommodate changing tables - 26" x 72"	PC02	100,000.00
Cryar Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
The Woodlands College Park High School: Replace discus pads with new discus ring and pad.	PC03	7,187.50
Travis Intermediate School: Prepare and repaint hollow metal door frame, vision Lite frame, or Door 326, 309, 310, 311, 314, 317, 318, elevator.	PC03	7,187.50
Cryar Intermediate School: Add inlet near entrance.	PC02	2,156.25
Cryar Intermediate School: Add inlet to courtyard.	PC02	2,156.25
Cryar Intermediate School: Add pour-in-place concrete retaining walls along Montgomery Park Boulevard.	PC02	35,937.50
Travis Intermediate School: Review old structural wood post bracing / shoring still in place where metal support beams were added. Remove of install permanent shoring at basement 107.	PC03	7,187.50
Walter P. Jett Continuing Education Center: Clean inlets.	PC03	7,187.50
Walter P. Jett Continuing Education Center: Monitor building movement: structural cracks in foundation noted.	PC03	7,187.50
Washington Junior High School: Install ADA compliant accessible transaction counter at FE-1 Administration.	PC03	7,187.50
Cryar Intermediate School: Install new projection system in all classrooms throughout facility.	PC02	431,250.00
Cryar Intermediate School: Remove existing secondary analog clocks from hallways (removal only; do not replace).	PC02	10,781.25
Cryar Intermediate School: Stage Curtains - fire proofing	PC02	
Cryar Intermediate School: Stage Curtains - safety rigging on tracks	PC02	
Washington Junior High School: Revise swing of doors so it does not encroach greater than 50% of egress width of corridor at FE9.	PC03	7,187.50
York Junior High School: Remove existing classroom televisions.	PC03	7,187.50
David Elementary School: Clean storm inlets.	PC02	7,187.50
David Elementary School: Install district standard projector in Room 504 and 506.	PC02	7,187.50
David Elementary School: Install shunt trip breaking and GFCI devices in Kitchen.	PC02	30,187.50
The Woodlands High School: Provide synthetic turf in front of dugouts at softball field.	PC03	7,331.25
Caney Creek High School: Replace turf in dugouts at softball field.	PC03	7,360.00
Irons Junior High School: Install road to lift station (no concrete required).	PC03	7,475.00
Walter P. Jett Continuing Education Center: Provide fence around playground (not enclosed).	PC03	7,475.00
Deretchin Intermediate School: sheetrock walls are getting wet - more durable material needed. Needs storage	PC03	7,500.00
Hailey Elementary School: Replace sidewalks (180x4).	PC03	7,503.75
Oak Ridge High School: Re-sod area in front of dugouts and bleachers at baseball field.	PC03	7,546.88
Conroe Transportation Center: Provide new ADA compliant room graphics and way finding signage throughout facility.	PC03	7,762.50
McCullough Junior High School: Provide local classroom audio system.	PC03	7,762.50
David Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
McCullough Junior High School: Remove existing classroom televisions.	PC03	7,762.50
Travis Intermediate School: Install ADA compliant hardware at 106A, 105, 107, 320, 322, 321.	PC03	7,762.50
Washington Junior High School: Provide new windscreen at tennis courts.	PC03	7,762.50
Caney Creek High School: Provide concrete walks to bleachers at tennis courts.	PC03	7,906.25
Caney Creek High School: Replace or repair damaged tack board at 2303, 1212, 1217, 1208, 1204, 1116, 1108, 1106, 1104, 1102, 1508.	PC03	7,906.25
Oak Ridge Transportation Center: Install exhaust in custodial closet.	PC03	7,906.25
Reaves Elementary School: Extend interior CMU walls to deck at kiln G213.	PC03	7,906.25
Reaves Elementary School: Relocate transformer under electrical panels in Room P410.	PC03	7,906.25
The Woodlands High School: Pave area (20X50) between the existing track and jump events.	PC03	7,906.25
David Elementary School: Provide 24/7 air conditioning system for MDF and relocate library T-stat to library.	PC02	27,312.50
McCullough Junior High School: Replace sidewalk on north side.	PC03	7,920.63
The Woodlands College Park High School: Provide new concrete walk to home dugout and storage at baseball field.	PC03	7,985.31
The Woodlands College Park High School: Lower inlets.	PC03	8,050.00
Oak Ridge High School: Repair damaged lockers in Boys' dressing room A-123; at red lockers in Boys' dressing room G-105; repair six (6) lockers in Cheerleading room G-204-C; and repair locker tag #4 at room G-204-D.	PC03	8,366.25
David Elementary School: Provide floor power and data in Library.	PC02	28,750.00
The Woodlands College Park High School: Replace synthetic turf at home plate apron at baseball field.	PC03	8,487.00
David Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Collins Intermediate School: Provide district standard 5'-0" high marker board at 500 Choir, 600 Choir, Speech, Band.	PC03	8,625.00
David Elementary School: Replace all air handling equipment throughout the building, including ductwork.	PC02	4,469,636.72
Conroe High School 9th Grade Campus: Replace 6' black pvc-coated chain link fabric at perimeter fence along west side of practice field.	PC03	8,625.00
David Elementary School: Replace exhaust fans.	PC02	143,750.00
Conroe Transportation Center: Restripe fire lane.	PC03	8,625.00
Deretchin Elementary School (K-6): Remove existing classroom televisions.	PC03	8,625.00
Giesinger Elementary School: Provide accessible hand wash sink at Servery and Kitchen.	PC03	8,625.00
David Elementary School: Replace Kitchen water heater.	PC02	30,187.50
Glen Loch Elementary School: Repair major gypsum board wall damage and repaint wall at Mechanical M-6, Boiler. Sills at 108,208,308,408.	PC03	8,625.00
Hauke Academic Alternative High School: Provide accessible hi/lo electric drinking fountains at the first floor main Corridor and second floor main Corridor.	PC03	8,625.00
Knox Junior High School: Knox Field House: Provide accessible hi/lo electric drinking fountain at main locker room 1, main locker room 2.	PC03	8,625.00
Knox Junior High School: Replace chain-link backstops at practice fields.	PC03	8,625.00
Moorhead Junior High School: Remove or correct protruding lavatories to comply with current ADA requirements at boys and girls at 107-110 corridor, boys and girls at 111-114 corridor, boys and girls at 112-mech corridor, staff at 112 corridor, boys and girls at 112 corridor.	PC03	8,625.00
Moorhead Stadium: Field House: Replace old casework with current district standard casework at field house office; replace trough urinal at Boys' toilets at locker room 1 and 2; provide required approach clearances at doors in visitors' locker room; reconfigure to	PC03	8,625.00

David Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	7,187.50
North Maintenance & Warehouse Complex: Provide accessible HI/Lo EDF at Shop and extra Storage.	PC03	8,625.00
Powell Elementary School: Install ADA compliant lavatories and faucets at 6A, 6B, 6C, and 6D.	PC03	8,625.00
Powell Elementary School: Install ADA compliant lavatories and faucets at Kitchen hand wash locations.	PC03	8,625.00
Ride Elementary School: Repair or replace damaged laminate on door at 501, 6B, 6C, and 207.	PC03	8,625.00
David Elementary School: Replace Sellers boiler with high efficiency heater.	PC02	119,851.56
Runyan Elementary School: Provide ADA compliant accessible hi/lo electric drinking fountain at 400/500 Corridor and 200/300 Corridor.	PC03	8,625.00
The Woodlands College Park High School: Replace plastic toilet partition at mens' restroom near kitchen.	PC03	8,625.00
Travis Intermediate School: Provide accessible hi/lo electronic drinking fountain at Main first floor corridor adjacent to 115, Second Floor main corridor across from 511.	PC03	8,625.00
David Elementary School: Replace under counter water heater with new electric water heater above ceiling. The existing installation does not comply with ADA in Pre-K room 002.	PC02	5,462.50
Travis Intermediate School: Replace (6) HID light fixtures in cafeteria with LED.	PC03	8,625.00
David Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC02	60,000.00
York Junior High School: Resurface long/triple jump runways.	PC03	8,625.00
David Elementary School: Stage Curtains - fire proofing	PC02	
David Elementary School: Stage Curtains - safety rigging on tracks	PC02	
David Elementary School: Upgrade DDC controls throughout the building.	PC02	1,231,908.75
David Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Knox Junior High School: Knox Field House: Renovate the training room shower to be accessible at Knox.	PC03	8,984.38
Anderson Elementary School: Install current ADA compliant district standard panic hardware at Music and Art.	PC03	9,200.00
Ford Elementary School: Install ADA compliant hardware at Mechanical Room, Boiler Room, and Riser Room.	PC03	9,200.00
Deane L. Sadler Administration & Technology Center: Provide miscellaneous repairs at roof.	PC02	21,562.50
Deane L. Sadler Administration & Technology Center: Provide safety railing around cooling tower.	PC02	28,750.00
Galatas Elementary School: Install exit signs in LGI, Art and Music (8 total).	PC03	9,200.00
Powell Elementary School: Install exit signs in LGI; Art and Music (8 total).	PC03	9,200.00
The Woodlands High School: Replace synthetic turf at baseball home side bullpen.	PC03	9,200.00
Ford Elementary School: Replace air devices in Kitchen.	PC03	9,343.75
Deane L. Sadler Administration & Technology Center: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Deane L. Sadler Administration & Technology Center: Replace existing built-up roof system.	PC02	555,872.63
Knox Junior High School: Remove old TV, associated support brackets and cabling at 308, 303, 303A, 309, Conf 1, Conf 2, 109, 108, 110, 111, 112, 113.	PC03	9,343.75
Moorhead Stadium: Provide handrails at NM and ML section ramps.	PC03	9,343.75
McCullough Junior High School: Refurbish all lockers throughout (repair/replace missing or damaged lockers at mens' locker room D107 near 821, 822, 707, 522, 657, 215, 441 and D107D Boys' Cross Country locker #59 and repair locker trim near commons at lockers).	PC03	9,760.63
Deane L. Sadler Administration & Technology Center: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	21,562.50
Rice Elementary School: Replace ceiling tile and grid with vinyl surface 2X2 ceiling tile and grid in Kitchen, Serving, Kitchen Office, Dry Storage, toilet.	PC03	9,936.72
Buckalew Elementary School: return air issues (confirm, may be fixed)	PC03	10,000.00
Deretchin Elementary School (K-6): Add HVAC for Instrument Storage	PC02	75,000.00
Deretchin Elementary School (K-6): Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Deretchin Elementary School (K-6): Restripe fire lane.	PC02	2,875.00
Deretchin Elementary School (K-6): Restripe lots.	PC02	7,187.50
Conroe High School: wind screens on tennis courts	PC03	10,000.00
Knox Junior High School: wind screens on tennis courts	PC03	10,000.00
Deretchin Elementary School (K-6): Stage Curtains - Fireproofing	PC02	
Moorhead Junior High School: wind screens on tennis courts	PC03	10,000.00
Oak Ridge High School 9th Grade Campus: wind screens on tennis courts	PC03	10,000.00
Oak Ridge High School: Clean exterior of fieldhouse	PC03	10,000.00
Oak Ridge High School: wind screens on tennis courts	PC03	10,000.00
Peet Junior High School: wind screens on tennis courts	PC03	10,000.00
The Woodlands College Park High School: wind screens on tennis courts	PC03	10,000.00
The Woodlands High School 9th Grade Campus: wind screens on tennis courts	PC03	10,000.00
Deretchin Elementary School (K-6): Stage Curtains - safety, rigging & tracks	PC02	
The Woodlands High School: wind screens on tennis courts	PC03	10,000.00
Washington Junior High School: wind screens on tennis courts	PC03	10,000.00
York Junior High School: wind screens on tennis courts	PC03	10,000.00
Lamar Elementary School: Remove old television and associated support brackets and cabling at C136, C131, 107, Stage, Lounge, C114, Pod 3 Storage, A201, Library, IDF.	PC03	10,062.50
The Woodlands High School: Replace batting cage turf at softball field.	PC03	10,263.75
Deretchin Elementary School (K-6): Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Discipline Alternative Education Program (DAEP): Coat existing metal roof system.	PC02	64,076.56
North Maintenance & Warehouse Complex: Install ADA compliant hardware throughout the building.	PC03	10,350.00
Oak Ridge High School: Provide new turf for existing running hill.	PC03	10,350.00
Rice Elementary School: Install ADA compliant hardware at 6A, 6B, 5A, 5B, 7A, 7B, 4C, 1C.	PC03	10,350.00
Wilkerson Intermediate School: Install ADA compliant hardware at 119A, 6A, Corridor at 6B, Stage Storage 1, Stage Storage 2, 715, 715 Transformer, 609, 509, Corridor at 5B, 716 Cafeteria, exit door at 709.	PC03	10,350.00
Discipline Alternative Education Program (DAEP): Install a complete direct digital control (DDC) system.	PC02	64,687.50

CISD Natatorium: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC03	10,781.25
CISD Natatorium: Reseal perimeter joint between pool deck and pool gutter system around entire pool perimeter.	PC03	10,781.25
Collins Intermediate School: Relocate fire water pipe around electrical gear.	PC03	10,781.25
Conroe High School 9th Grade Campus: Provide control integration for locker room units.	PC03	10,781.25
Hailey Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	10,781.25
Oak Ridge High School 9th Grade Campus: Paint exterior overhead doors and lintels.	PC03	10,781.25
Oak Ridge High School: Provide new accessible sink and transaction counter at concession room 239.	PC03	10,781.25
Reaves Elementary School: Replace kitchen gas water heater flue.	PC03	10,781.25
York Junior High School: Replace goal post.	PC03	10,781.25
Caney Creek High School: Replace turf in hitting cage at softball field.	PC03	11,040.00
Caney Creek High School: Replace turf in dugouts at baseball field.	PC03	11,270.00
Discipline Alternative Education Program (DAEP): Install exhaust in Janitor's closet.	PC02	12,218.75
Discipline Alternative Education Program (DAEP): Install exterior wall packs.	PC02	9,200.00
Hailey Elementary School: Replace ceiling tile and grid with vinyl surface 2X2 ceiling tile and grid in Kitchen.	PC03	11,270.00
Collins Intermediate School: Replace old ceiling tile and grid at kitchen, Serving, Restroom, Locker, Storage, Kitchen Office.	PC03	11,320.31
Oak Ridge High School: Add musical storage in Percussion room F-107.	PC03	11,471.25
Discipline Alternative Education Program (DAEP): Install occupancy sensors throughout.	PC02	15,812.50
Discipline Alternative Education Program (DAEP): Provide district standard cable management at all rooms.	PC02	29,109.38
Hailey Elementary School: Replace (10) exterior soffit light fixtures.	PC03	11,500.00
Discipline Alternative Education Program (DAEP): Provide district standard projector at (5) classrooms.	PC02	17,968.75
Hauke Academic Alternative High School: Replace old casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink at Storage and Cafeteria.	PC03	11,500.00
Knox Junior High School: Repair chain-link fence between track and woods.	PC03	11,500.00
Lamar Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door at Office Ice, Clinic, Corridor at Attendance, Pod 1 Corridor, Pod 2 Corridor, Pod 2 Storage, Pod 3 Storage, Music, C131, and C132 Vestibule at M2.	PC03	11,500.00
Discipline Alternative Education Program (DAEP): Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and p	PC02	2,156.25
Discipline Alternative Education Program (DAEP): Replace all air conditioning units. Create mechanical rooms for a VAV type system for better control.	PC02	388,125.00
Discipline Alternative Education Program (DAEP): Replace damaged or rusted wall panels and repaint all exterior walls to match.	PC02	43,125.00
The Woodlands College Park High School: Install drain between covered and open hitting cages at baseball field (home side).	PC03	11,500.00
The Woodlands Transportation Center: Replace (10) wall packs with LED.	PC03	11,500.00
The Woodlands Transportation Center: Upgrade (10) light poles to LED.	PC03	11,500.00
Discipline Alternative Education Program (DAEP): Wet glaze all deteriorated and damaged window glazing gaskets.	PC02	1,437.50
East County Transportation Center: A/C needs to be replaced bard unit	PC02	20,000.00
Travis Intermediate School: Provide protective covering or protection at exposed metal columns in the cafeteria.	PC03	11,500.00
Knox Junior High School: Replace sidewalks on east side of building (280x4).	PC03	11,672.50
Buckalew Elementary School: Remove and replace sidewalks to meet ADA requirements.	PC03	11,776.72
East County Transportation Center: Access control system	PC02	18,000.00
East County Transportation Center: add a deck to admin building	PC02	35,000.00
East County Transportation Center: add a restroom to operation office space	PC02	15,000.00
East County Transportation Center: add lobby area	PC02	315,000.00
East County Transportation Center: added paving for additional parking (is this duplicate?)	PC02	420,000.00
East County Transportation Center: Addition of parking along current drive, Concrete	PC02	180,000.00
East County Transportation Center: Additional drainage provisions (lift station pump; detention pond deeper)	PC02	100,000.00
East County Transportation Center: admin building needs 7 more office spaces (Add portable building)	PC02	200,000.00
East County Transportation Center: Cameras	PC02	18,000.00
East County Transportation Center: HVAC system needs replaced, heaters and ventilation fans requested	PC02	100,000.00
East County Transportation Center: Lighting - office shop, parking lot and entry to facility off of road	PC02	60,000.00
East County Transportation Center: need a new generator, none currently on site	PC02	185,000.00
East County Transportation Center: shop needs - awning outside on the West side of the shop	PC02	180,000.00
East County Transportation Center: shop needs - compressor area	PC02	12,500.00
East County Transportation Center: shop needs - general storage	PC02	12,500.00
East County Transportation Center: shop needs - MDF	PC02	25,000.00
East County Transportation Center: shop needs - office space	PC02	400,000.00
East County Transportation Center: shop needs - oil bay / pit to the East side, size approx. 20'x40'	PC02	280,000.00
East County Transportation Center: shop needs - oil tank for waste Oil	PC02	3,500.00
East County Transportation Center: shop needs - parts office for clerk	PC02	105,000.00
East County Transportation Center: shop needs - parts room	PC02	350,000.00
East County Transportation Center: shop needs - restrooms	PC02	140,000.00
East County Transportation Center: shop needs - tire machine, needs to be fenced in and powered from main bldg	PC02	15,000.00
East County Transportation Center: shop needs fan	PC02	30,000.00
East Transportation Center: Replace gravel lot with concrete.	PC02	429,525.00
Flex Schools: need canopy over doors, driving rain is penetrating the doors	PC02	112,000.00
North Maintenance & Warehouse Complex: Provide new ADA compliant room graphics and way finding signage throughout facility.	PC03	11,859.38

Wilkinson Elementary School: Install gravel under canopy due to washout around footings.	PC03	11,859.38
Anderson Elementary School: risers	PC03	12,000.00
Ford Elementary School: Add exterior lighting at back parking lot.	PC02	17,250.00
Armstrong Elementary School: risers	PC03	12,000.00
Ford Elementary School: need more space for their special ed load - renovate space to accommodate occupant load	PC02	40,000.00
Ford Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Ford Elementary School: Please review Mechanical item "add (2) additional VAV's at classrooms. Reconfigure and add VAV's (1) per classroom to create individual room controls, typical.	PC02	36,368.75
Austin Elementary School: risers	PC03	12,000.00
Birnham Woods Elementary School: risers	PC03	12,000.00
Bozman Intermediate School: risers	PC03	12,000.00
Broadway Elementary School: risers	PC03	12,000.00
Ford Elementary School: Provide district standard cable management in 201.	PC02	7,187.50
Buckalew Elementary School: risers	PC03	12,000.00
Bush Elementary School: risers	PC03	12,000.00
Collins Intermediate School: risers	PC03	12,000.00
Ford Elementary School: Provide district standard projector in 219, 222, 400, 401.	PC02	17,968.75
Ford Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Ford Elementary School: Repair major gypsum board wall damage due to water infiltration at exterior windows at team rooms 315, 316, 115, 116.	PC02	7,187.50
Cox Intermediate School: risers	PC03	12,000.00
Creighton Elementary School: risers	PC03	12,000.00
Cryar Intermediate School: risers	PC03	12,000.00
David Elementary School: risers	PC03	12,000.00
Ford Elementary School: Replace (14) exterior soffit lights.	PC02	16,100.00
Ford Elementary School: Stage Curtains - fire proofing	PC02	
Deretchin Elementary School: risers	PC03	12,000.00
Ford Elementary School: risers	PC03	12,000.00
Galatas Elementary School: risers	PC03	12,000.00
Giesinger Elementary School: risers	PC03	12,000.00
Glen Loch Elementary School: risers	PC03	12,000.00
Grangerland Intermediate School: risers	PC03	12,000.00
Hailey Elementary School: risers	PC03	12,000.00
Hauke Academic Alternative High School: risers	PC03	12,000.00
Houser Elementary School: risers	PC03	12,000.00
Ford Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Houston Elementary School: risers	PC03	12,000.00
Irons Junior High School: risers	PC03	12,000.00
Kaufman Elementary School: risers	PC03	12,000.00
Galatas Elementary School: ADA modifications to Gym/Cafeteria Restrooms and ADA parking at Bus Loop	PC02	200,000.00
Galatas Elementary School: Add (2) additional VAV's at classrooms. Reconfigure and add VAV's (1) per classroom to create individual room controls, typical.	PC02	36,368.75
Knox Junior High School: risers	PC03	12,000.00
Lamar Elementary School: risers	PC03	12,000.00
McCullough Junior High School: risers	PC03	12,000.00
Milam Elementary School: risers	PC03	12,000.00
Mitchell Intermediate School: risers	PC03	12,000.00
Moorhead Junior High School: risers	PC03	12,000.00
Oak Ridge Elementary School: risers	PC03	12,000.00
Oak Ridge High School 9th Grade Campus: risers	PC03	12,000.00
Oak Ridge High School: Prep and Paint doors at fieldhouse	PC03	12,000.00
Peet Junior High School: risers	PC03	12,000.00
Powell Elementary School: risers	PC03	12,000.00
Reaves Elementary School: risers	PC03	12,000.00
Rice Elementary School: risers	PC03	12,000.00
Ride Elementary School: risers	PC03	12,000.00
Galatas Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Runyan Elementary School: risers	PC03	12,000.00
San Jacinto Elementary School: risers	PC03	12,000.00
Stewart Elementary School: risers	PC03	12,000.00
The Woodlands High School 9th Grade Campus: risers	PC03	12,000.00
Galatas Elementary School: Install shunt trip breakers and GFCI devices in Kitchen.	PC02	21,562.50
Tough Elementary School: risers	PC03	12,000.00
Travis Intermediate School: risers	PC03	12,000.00

Vogel Intermediate School: risers	PC03	12,000.00
Washington Junior High School: Deep sinks in the art rooms	PC03	12,000.00
Washington Junior High School: risers	PC03	12,000.00
Wilkerson Elementary School: risers	PC03	12,000.00
Wilkinson Elementary School: risers	PC03	12,000.00
Galatas Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
York Junior High School: risers	PC03	12,000.00
Galatas Elementary School: Patch and repair wall where thermostat covers were removed and repaint wall.	PC02	14,375.00
Galatas Elementary School: Provide district standard projector at Speech, 52 Lounge, Science Lab, Technology Lab, LGI 1, LGI 2, Music, 24 Classroom.	PC02	28,750.00
Galatas Elementary School: Remove old 6"x4" metal covers on thermostats in all classrooms.	PC02	20,623.81
Galatas Elementary School: Repair miscellaneous pipe insulation.	PC02	41,328.13
Caney Creek High School: Regrade area behind 3rd base dugout to drain to inlet at baseball field.	PC03	12,075.00
David Elementary School: Replace ceiling grid and tile in Kitchen, dry Storage, toilet, Custodial, and Servery.	PC03	12,075.00
Anderson Elementary School: Install exhaust in Administrative Janitor closet.	PC03	12,218.75
Reaves Elementary School: Install exhaust in gymnasium custodial room.	PC03	12,218.75
Reaves Elementary School: Install exhaust in IDF Room A-9.	PC03	12,218.75
Galatas Elementary School: Replace air handling units throughout, including ductwork (23 years old).	PC02	4,469,636.72
Oak Ridge High School: window from coaches office to locker room hallways	PC03	12,500.00
Peet Junior High School: window from coaches office to locker room hallways	PC03	12,500.00
Caney Creek High School: Replace old door with district standard laminate door and hardware at 2202 Offices and repair or replace damaged doors at multiple locations throughout facility (damaged laminate).	PC03	12,506.25
Oak Ridge High School: Remove and replace sidewalk on east side.	PC03	12,506.25
Wilkerson Intermediate School: Remove and replace concrete sidewalks around building.	PC03	12,506.25
East Transportation Center: Upgrade all building and fueling lighting to LED.	PC03	12,650.00
San Jacinto Elementary School: Relocate non compliant light switch at 106,110, 112, 120, 121, 122, 123, 124, 130, 131, 132, 133, 210, 212, 220, 221, 222, 223, 230, 231, 232, and 233.	PC03	12,650.00
Galatas Elementary School: Stage Curtains - fire proofing	PC02	
The Woodlands College Park High School: Install new synthetic turf in visitor hitting cage at baseball field.	PC03	12,880.00
Anderson Elementary School: Install ADA compliant hardware at 30 Corridor Boys', 30 Corridor Girls', 40 Corridor Boys', 40 Corridor Girls', 20 Corridor Boys', 20 Corridor Girls', 10 Corridor Boys', 10 Corridor Girls', Art Vestibule, Serving.	PC03	12,937.50
Collins Intermediate School: Install marker board. Remove old chalkboard. Repair surfaces at 500 choir, 600 Choir, Speech, diagnostician.	PC03	12,937.50
Discipline Alternative Education Program (DAEP): Provide district standard 5'-0" high marker boards in all classrooms.	PC03	12,937.50
Galatas Elementary School: Provide accessible hi/lo electric drinking fountain at Office Corridor, right main Corridor, left main Corridor.	PC03	12,937.50
Galatas Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Galatas Elementary School: Repair or replace door with damaged laminate at Clinic, Office Corridor, 38, Kitchen, Servery, main Custodial.	PC03	12,937.50
Galatas Elementary School: Upgrade DDC controls throughout the building.	PC02	595,125.00
Hailey Elementary School: Provide accessible hi/lo electric drinking fountain at office corridor, 200 Corridor, 600 Corridor.	PC03	12,937.50
Houser Elementary School: Repair or replace door with damaged laminate at 301, 302, 100, corridor, 405, and 2B.	PC03	12,937.50
Oak Ridge Elementary School: Install ADA compliant accessible sinks and faucets with pipe protection at A-8, 207A, 205, 303, 6, A-4.	PC03	12,937.50
Oak Ridge High School: Provide accessible sink at room B-116; B-118; C-108; D-100 at casework; D-104; D-107; D-108; Cosmetology D-110E and F-108, per ADA standards.	PC03	12,937.50
Rice Elementary School: Provide accessible hi/lo electric drinking fountain at office Corridor, Cafeteria, right main Corridor.	PC03	12,937.50
Ride Elementary School: Provide accessible hi/lo electric drinking fountain at office Corridor, right main Corridor, Cafeteria.	PC03	12,937.50
Travis Intermediate School: Remove old TV and associated support brackets and cabling 210, 211, 212, 213, 214, 215, 216, 217, 218, 606, 607, 608, 609, 610, 611, 612, 613, 614.	PC03	12,937.50
Walter P. Jett Continuing Education Center: Provide ADA ramp access to stage at auditorium.	PC03	12,937.50
Caney Creek High School: Pave concrete walk from maintenance by hitting cage through gate at football/track.	PC03	13,124.38
Caney Creek High School: Provide new netting system in hitting cage at softball field.	PC03	13,317.00
York Junior High School: Replace existing windscreen at tennis courts.	PC03	13,627.50
Caney Creek High School: Provide ADA compliant accessible bench at dressing and locker rooms.	PC03	13,800.00
Oak Ridge High School: Provide new turf for existing batting cage at softball field.	PC03	13,800.00
The Woodlands College Park High School: Provide synthetic turf in hitting cage at softball field.	PC03	13,800.00
Galatas Elementary School: Upgrade mechanical boiler with high efficiency heater.	PC02	119,851.56
Travis Intermediate School: Install ADA Compliant panic hardware to meet current district standards at Kitchen.	PC03	13,800.00
Geisinger Elementary School: ADA modifications to Gym/Cafeteria Restrooms and ADA parking at Bus Loop	PC02	200,000.00
Conroe High School: Provide new block wall at softball field.	PC03	14,015.63
Anderson Elementary School: Repair foundation issues at left main corridor adjacent to Mechanical Room and provide structural investigation at exterior wall.	PC03	14,375.00
Armstrong Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	14,375.00
Geisinger Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Buckalew Elementary School: Clean out and/or resurface corroded floor sinks at kitchen.	PC03	14,375.00
Geisinger Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC02	60,000.00
Conroe High School 9th Grade Campus: Provide new tennis beat walls.	PC03	14,375.00
Conroe High School: Adjust existing irrigation at main practice field.	PC03	14,375.00
Deane L. Sadler Administration & Technology Center: Provide isolation valves at all fixture banks.	PC03	14,375.00
Giesinger Elementary School: Ceiling projectors missing in Rooms 605, 9 and 10.	PC02	2,156.25
Giesinger Elementary School: Clean storm sewer inlets.	PC02	71,875.00

Deane L. Sadler Administration & Technology Center: Replace damaged transformers in electrical room near elevators.	PC03	14,375.00
Deretchin Elementary School (K-6): Connect downspout washout next to sidewalk.	PC03	14,375.00
Discipline Alternative Education Program (DAEP): Prepare and repaint hollow metal door frames, vision lite frames or doors throughout facility.	PC03	14,375.00
Giesinger Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Glen Loch Elementary School: Revise door swing and install ADA compliant panic devices at doors to 610 and 611.	PC03	14,375.00
Grangerland Intermediate School: Install divider curtain at gymnasium per district standards.	PC03	14,375.00
Grangerland Intermediate School: Repaint window lite kits at hollow metal doors in various locations throughout facility (20 doors).	PC03	14,375.00
Hauke Academic Alternative High School: Repair minor gypsum board wall damage and repaint wall at offices adjacent to 3, food science 9, storage 2, 19, 12, 13, 14, 15, 16, 17, 18.	PC03	14,375.00
Giesinger Elementary School: Install floor drain for ice maker at A-5 lounge.	PC02	7,187.50
Hauke Academic Alternative High School: Replace wood door frames with hollow metal or aluminum frames. Patch and repair walls as necessary throughout the existing facility.	PC03	14,375.00
Knox Junior High School: Install emergency lighting in (2) gymnasiums.	PC03	14,375.00
McCullough Junior High School: Provide tuck point repair at all cracked mortar joints.	PC03	14,375.00
McCullough Junior High School: Provide two (2) practice football field H-style goal posts.	PC03	14,375.00
Mitchell Intermediate School: Install cages on chillers in central plant to protect compressors and wiring.	PC03	14,375.00
Moorhead Junior High School: Repaint all exterior doors, frames, lintels and soffits at old field house.	PC03	14,375.00
Giesinger Elementary School: Provide district standard projector at 9, 10, 704.	PC02	10,781.25
Moorhead Stadium: Install new concrete curb at long jump pit at end of track chute.	PC03	14,375.00
Moorhead Stadium: Provide hydraulic fluid disposal barrel and spill containment in elevator equipment room.	PC03	14,375.00
Moorhead Stadium: Reseal joints and spalled areas in concourse paving.	PC03	14,375.00
North Maintenance & Warehouse Complex: Address drainage issue along south property line	PC03	14,375.00
North Maintenance & Warehouse Complex: Provide accessible entrance at Main Entry. Install ramp and threshold.	PC03	14,375.00
Oak Ridge High School: Drainage repairs near portables, north side of lot.	PC03	14,375.00
Oak Ridge High School: Regrade area between inlets at the football field.	PC03	14,375.00
Powell Elementary School: Install GFCI devices in Kitchen.	PC03	14,375.00
Reaves Elementary School: Install combustion air for kitchen gas water heater.	PC03	14,375.00
Rice Elementary School: Revise doors to swing out of room and provide ADA compliant panic hardware at Music 504, Art 505.	PC03	14,375.00
Ride Elementary School: Install control joints in gypsum board at Library.	PC03	14,375.00
San Jacinto Elementary School: Upgrade spot lighting at stage.	PC03	14,375.00
Giesinger Elementary School: Repair major gypsum board wall damage and repaint wall at all exterior window locations where cracked or damaged at 706A, 100 toilet vestibule.	PC02	21,562.50
Testing and Assessment Center: Provide accessible path into facility.	PC03	14,375.00
Giesinger Elementary School: Replace all air handling equipment throughout the building, including ductwork	PC02	4,469,636.72
Giesinger Elementary School: Replace ceiling grid and tile for Mechanical scope of work.	PC02	207,431.25
Giesinger Elementary School: Replace ceiling throughout entire campus.	PC02	259,289.06
Giesinger Elementary School: Replace emergency generator.	PC02	215,625.00
Giesinger Elementary School: Replace mechanical boiler with high efficiency heater.	PC02	248,092.73
Testing and Assessment Center: Relocate non compliant light switch - too high throughout facility.	PC03	14,375.00
Giesinger Elementary School: Replace old tectum ceiling grid and tile with new code compliant tile and grid at Cafeteria.	PC02	24,150.00
Testing and Assessment Center: Rework light switching throughout building.	PC03	14,375.00
The Woodlands College Park High School: Install new drainage in home side bullpen at baseball field (rain is eroding under edge of hitting cage pad).	PC03	14,375.00
The Woodlands High School: Monitor building movement (structural movement detected).	PC03	14,375.00
Giesinger Elementary School: Replace the entire HVAC system throughout; including ductwork.	PC02	3,318,900.00
The Woodlands High School: Provide swale between long/triple jump runways.	PC03	14,375.00
The Woodlands High School: Seal joints at tennis courts.	PC03	14,375.00
The Woodlands High School: Sod area by first base at baseball field.	PC03	14,375.00
Giesinger Elementary School: Stage Curtains - fire proofing	PC02	
The Woodlands Transportation Center: Provide accessible entrance at Lounge entry (main entry) . Install ramp and threshold.	PC03	14,375.00
The Woodlands Transportation Center: Replace old casework with current district standard casework. Provide accessible sink at locations with sink at Parts Office 108, large Lounge (sink).	PC03	14,375.00
Giesinger Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Travis Intermediate School: Remove existing trough urinal and replace with ADA Compliant urinals at 109 Boys'.	PC03	14,375.00
Travis Intermediate School: Repair wall damage and repaint wall. Eliminate intrusion of water through wall at basement 107.	PC03	14,375.00
Washington Junior High School: Correct power/data stub-up issue at Library circular desk.	PC03	14,375.00
Wilkerson Intermediate School: Revise doors to swing in direction of egress at 202 Library, 203, 204 and 205.	PC03	14,375.00
Giesinger Elementary School: Upgrade (direct digital control) DDC Controls throughout building.	PC02	414,000.00
Giesinger Elementary School: Upgrade stage public address system.	PC02	28,750.00
Glen Loch Elementary School: Cover existing storm piping above slab that is PVC with fire wrap.	PC02	57,040.00
Glen Loch Elementary School: Install 24/7 air handling equipment in MDF.	PC02	21,562.50
Collins Intermediate School: Provide proper access at washer/dryer in 500 wing janitor closet.	PC03	14,554.69
Glen Loch Elementary School: Install emergency generator and system.	PC02	329,187.50
Caney Creek High School: Provide new cable netting system in hitting cage adjacent to field (poles remain) at baseball field.	PC03	14,791.88
Anderson Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Armstrong Elementary School: Deep sinks in the art rooms	PC03	15,000.00

Glen Loch Elementary School: Install occupancy sensors throughout.	PC02	158,125.00
Glen Loch Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Birnham Woods Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Provide district standard cable management at 615.	PC02	7,187.50
Bozman Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Provide district standard projector at 505.	PC02	3,593.75
Buckalew Elementary School Deep sinks in the art rooms	PC03	15,000.00
Bush Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Caney Creek High School: KILN replacements	PC03	15,000.00
Collins Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Provide hot water in Janitor's closets.	PC02	12,218.75
Glen Loch Elementary School: Provide two roof access ladders.	PC02	7,187.50
Glen Loch Elementary School: Reinstall carpet. Carpet is loose laid over plastic vapor barrier and is loose with open joints throughout the facility.	PC02	467,546.88
Cox Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Remove technology box in Kitchen office.	PC02	230,000.00
Creighton Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Repair water leak at exterior windows of team rooms 108, 208, 308, 408, and Library, replace gypsum board and finishes.	PC02	14,375.00
Cryar Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
David Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Replace (14) exterior soffit light fixtures.	PC02	16,100.00
Deretchin Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Ford Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Galatas Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Giesinger Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Replace (2) exterior wall mounted light fixtures at exit doors adjacent to gymnasium.	PC02	2,300.00
Glen Loch Elementary School: Replace ceiling tile and grid throughout school for Mechanical scope of work.	PC02	184,000.00
Grangerland Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Replace electrical equipment throughout school.	PC02	322,000.00
Hailey Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Hauke Academic Alternative High School: Deep sinks in the art rooms	PC03	15,000.00
Hauke Academic Alternative High School: KILN replacements (Verify)	PC03	15,000.00
Glen Loch Elementary School: Replace old air handling equipment and ductwork.	PC02	1,854,375.00
Houser Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Replace pneumatic controls with (direct digital control) DDC.	PC02	362,250.00
Irons Junior High School: KILN replacements	PC03	15,000.00
Glen Loch Elementary: Deep sinks in the art rooms	PC02	
Glen Loch Elementary School: Replace Pneumatic Fire Dampers with electronic. (Mechanical Item)	PC02	150,000.00
Irons Junior High School: Replace pole vault pit	PC03	15,000.00
Glen Loch Elementary School: Reroute storm and fire sprinkler piping presently located above electrical gear.	PC02	7,187.50
Glen Loch Elementary School: Stage Curtains - fire proofing	PC02	
Kaufman Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Glen Loch Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Knox Junior High School: KILN replacements (3)	PC03	15,000.00
Lamar Elementary School: Deep sinks in the art rooms	PC03	15,000.00
McCullough Junior High School: KILN replacements	PC03	15,000.00
Milam Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Mitchell Intermediate School: Deep sinks in the art rooms	PC03	15,000.00
Moorhead Junior High School: KILN replacements	PC03	15,000.00
Oak Ridge Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Oak Ridge High School 9th Grade Campus: KILN replacements (3)	PC03	15,000.00
Oak Ridge High School: KILN replacements	PC03	15,000.00
Granderland Intermediate School: Stage Curtains - safety, rigging & tracks	PC02	
Peet Junior High School: Deep sinks in the art rooms	PC03	15,000.00
Peet Junior High School: KILN replacements (3)	PC03	15,000.00
Powell Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Reaves Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Rice Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Ride Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Runyan Elementary School: Deep sinks in the art rooms	PC03	15,000.00
Grangerland Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00

Grangerland Intermediate School: need to add 110 receptacle for personal lift	PC02	2,000.00
Grangerland Intermediate School: Stage Curtian - fire proofing	PC02	
The Woodlands College Park High School: KILN replacements	PC03	15,000.00
Travis Intermediate School: LED stage lighting	PC03	15,000.00
Washington Junior High School: KILN replacements	PC03	15,000.00
Armstrong Elementary School: Replace (21) 2-lamp 8 ft. long gymnasium light fixtures with LED.	PC03	15,093.75
Discipline Alternative Education Program (DAEP): Repair or replace doors with damaged laminate at all classrooms.	PC03	15,093.75
Houston Elementary School: Repair or replace door with damaged laminate at 301, 304, 306, 404, 406, 407, and 500A.	PC03	15,093.75
Reaves Elementary School: Repair or replace door with chipped or damaged laminate at P409, A corridor, Kitchen locker, A729, G204, B104.	PC03	15,093.75
The Woodlands College Park High School: Regrade swales in foul territory to drain to existing inlets at softball field.	PC03	15,093.75
The Woodlands College Park High School: Replace hitting cage netting at softball field.	PC03	15,214.50
The Woodlands College Park High School: Replace visitor hitting cage netting at baseball field.	PC03	15,214.50
Testing and Assessment Center: Replace old casework with current district standard casework in Lounge.	PC03	15,525.00
Conroe High School 9th Grade Campus: Replace pole vault pads.	PC03	15,812.50
Oak Ridge High School: Provide sloped top to all student lockers.	PC03	16,387.50
Oak Ridge High School: Resurface existing pole vault and long/triple jump runway.	PC03	16,430.63
The Woodlands College Park High School: Install turf in dugouts at softball field.	PC03	16,560.00
Hailey Elementary School: Add (2) additional VAV's at classrooms. Reconfigure and add VAV's (1) per classroom to create individual room controls, typical.	PC02	36,368.75
Wilkerson Intermediate School: Relocate non-compliant light switch - too high at 119A, 608, 609, 610, 204, 204A, 203A, 203, 509, 107, (4) 524, 701A, 701B, 706, (2) 205, 705, 702, 703, 704720, 7M, 715, and FA-6.	PC03	16,675.00
Hailey Elementary School: Clean storm inlets that are filled to the rim.	PC02	7,187.50
David Elementary School: Replace ceiling grid and tile in Cafeteria (approximately 25% are mismatched and not tectum material).	PC03	16,710.94
Cryar Intermediate School: Reseal asphalt service drive.	PC03	16,818.75
McCullough Junior High School: Connect south central downspout (1 Boot, 300' PVC).	PC03	16,818.75
McCullough Junior High School: Provide new slats in tennis fence.	PC03	16,818.75
Austin Elementary School: Remove old TV and associated support brackets and cabling at 115, 108, 111, 109, 107, 104, 102, 101, 105, 201, 202, 203, 204, 205, 207, 209, 306, 304, 302, 305, 307, 401, 403, 118, 124, 122.	PC03	17,250.00
Broadway Elementary School: Paint duct work in gym.	PC03	17,250.00
Caney Creek High School: Provide new batters eye at baseball field.	PC03	17,250.00
Caney Creek High School: Repair and repaint hollow metal door frame, vision lite frame, or door at 3408, 3420, 3313, café vestibule, serving, kitchen office, kitchen mechanical, 3104, 3100, 5504, 5506C, 5508A storage, 5512, Girls' training, gym A, gym B, gym C, 5	PC03	17,250.00
Caney Creek High School: Replace backstops with 20' chain-link fence with mow strip at practice fields.	PC03	17,250.00
Collins Intermediate School: Provide accessible hi/lo electric drinking fountain in Office Corridor, (2) Cafeteria, right main Corridor.	PC03	17,250.00
Conroe High School 9th Grade Campus: Resurface and reseal joints at tennis court.	PC03	17,250.00
Deane L. Sadler Administration & Technology Center: Relocate mop sink on second floor from above first floor electrical room.	PC03	17,250.00
Hailey Elementary School: Provide code required combustion air to Boiler Room.	PC02	21,562.50
Ford Elementary School: Replace all exterior wall pack light fixtures with LED.	PC03	17,250.00
Hailey Elementary School: Provide district standard cable management at 705D, and 615.	PC02	14,375.00
Hailey Elementary School: Provide district standard projector in 803 Library and at 200D.	PC02	7,187.50
Hailey Elementary School: Provide hot water to all janitor sinks.	PC02	12,218.75
Hailey Elementary School: Remove old 6"x4" metal covers on thermostat at all classrooms.	PC02	14,375.00
Hailey Elementary School: Replace Kitchen water heater.	PC02	31,625.00
Glen Loch Elementary School: Provide accessible hi/lo electric drinking fountain at Office Corridor, right main Corridor, left main Corridor, Cafeteria.	PC03	17,250.00
Hailey Elementary School: Repair or replace damaged laminate on door at 201D, 402E, 601, 600F, 603F, 634, 500, 105.	PC03	17,250.00
Knox Junior High School: Repair or replace damaged laminate on door at AP Administration, 128, workroom 127, 106, and 107.	PC03	17,250.00
Moorhead Stadium: Install additional HVAC unit for visitor pressbox.	PC03	17,250.00
Moorhead Stadium: Upgrade lighting in pressbox to LED fixtures.	PC03	17,250.00
Reaves Elementary School: Construct ADA compliant accessible walkway to entries for G212 Mechanical, G13 kiln and G14 Storage, A142 electrical.	PC03	17,250.00
Reaves Elementary School: Provide required 36" clearance at panel 'C' at stage.	PC03	17,250.00
Hailey Elementary School: Reseal asphalt parking lot.	PC02	17,860.94
Ride Elementary School: Replace trough urinals at 1B, 2C, 3B, 4B.	PC03	17,250.00
San Jacinto Elementary School: Remove or correct protruding lavatory to meet current ADA compliance at Boys' 213, Girls' 214, Boys' 125, Girls' 127, Boys' 135, Girls' 137, Boys' 311, Girls' 312, Boys' 237, Girls' 235, Boys' 227, Girls' 225.	PC03	17,250.00
Travis Intermediate School: Replace (15) existing exterior light fixtures; wall mounted. (Exterior Lighting).	PC03	17,250.00
Washington Junior High School: Recoat and reseal joints at tennis courts.	PC03	17,250.00
Washington Junior High School: Replace old or damaged drinking fountain with ADA compliant accessible hi/lo electric drinking fountain at 100 Corridor, 400B, Cafeteria, 600-A Band, at 300A.	PC03	17,250.00
Conroe High School: Annex: Remove existing data cabinet in wall at Annex. Provide new data distribution system. Patch and repair finish surfaces throughout building.	PC03	17,865.25
Hailey Elementary School: Revise doors to swing out and install compliant hardware panic device on doors at 610, 611, K Corridor.	PC03	17,968.75
Lamar Elementary School: Revise location and configuration of doors between Dining and the pods. Provide accessible panic hardware on doors at Pod entrances for exiting requirements.	PC03	17,968.75
Oak Ridge High School: Provide five (5) roof access ladders.	PC03	17,968.75
Walter P. Jett Continuing Education Center: Renovate clinic restroom: Provide all new finishes (floors, walls, ceiling). Rework space to be ADA accessible.	PC03	17,968.75
Hailey Elementary School: Stage Curtain - Fire Proofing	PC02	
Walter P. Jett Continuing Education Center: Renovate restroom in room 100: Provide all new finishes (floor, walls, ceiling). Rework space to provide ADA accessibility.	PC03	17,968.75
York Junior High School: Repaint door lite kits at multiple door locations (approx. 25 doors).	PC03	17,968.75
Moorhead Junior High School: repair sprinkler system on football field.	PC03	18,000.00

The Woodlands College Park High School: Replace jump boards on track event runways	PC03	18,000.00
Hailey Elementary School: Stage Curtain - safety, rigging & tracks	PC02	
Washington Junior High School: Resurface high jump pad.	PC03	18,009.00
Giesinger Elementary School: Install ADA compliant Hardware at 5A, 5B, 7A, 7B, 7C, 7D, 100 Corridor Boys', 100 Corridor Girls', 200 Corridor Boys', 200 Corridor Girls', 300 Corridor Boys', 300 Corridor Girls', 400 Corridor Boys', 400 Corridor Girls'.	PC03	18,112.50
Ride Elementary School: Install ADA compliant hardware at A-6, A-8, 5A, 5B, 3A, 3B, 4A, 4B, 2A, 2B, 1A, 1B, 6E, 6F, Serving.	PC03	18,112.50
Creighton Elementary School: Relocate non-compliant light switches that are too high throughout the facility. Install dual level lighting.	PC03	18,400.00
Rice Elementary School: Provide auxiliary drain pans for air handling units above ceiling; required by code.	PC03	18,400.00
Anderson Elementary School: Connect downspouts (2 boots, 300' PVC) at the north side front entrance.	PC03	18,543.75
Bush Elementary School: Connect downspouts (2).	PC03	18,543.75
David Elementary School: Connect downspouts (2 boots, 300' PVC) on north side.	PC03	18,543.75
David Elementary School: Connect downspouts (2 boots, 300' PVC).	PC03	18,543.75
Giesinger Elementary School: Connect downspouts (2 boots, 300' PVC) at concrete play area.	PC03	18,543.75
Giesinger Elementary School: Connect downspouts (2 boots, 300' PVC) on northeast side.	PC03	18,543.75
Hauke Academic Alternative High School: camera conversion - analog to IP	PC02	152,000.00
Walter P. Jett Continuing Education Center: Connect downspout (2 boots, 300' PVC) to storm sewer.	PC03	18,543.75
Collins Intermediate School: acoustical shells	PC03	18,600.00
Deretchin Elementary School: acoustical shells	PC03	18,600.00
Irons Junior High School: acoustical shells	PC03	18,600.00
Hauke Academic Alternative High School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Knox Junior High School: acoustical shells	PC03	18,600.00
McCullough Junior High School: acoustical shells	PC03	18,600.00
Hauke Academic Alternative High School: Install range hoods over (4) cooktops in Home Economics.	PC02	8,625.00
Hauke Academic Alternative High School: Install separate disconnect switches on three (3) RTU's.	PC02	3,450.00
Hauke Academic Alternative High School: Install sound door at Mechanical Room to isolate wall noise in the Library.	PC02	7,906.25
Moorhead Junior High School: acoustical shells	PC03	18,600.00
Oak Ridge High School 9th Grade Campus: acoustical shells	PC03	18,600.00
Peet Junior High School: acoustical shells	PC03	18,600.00
The Woodlands High School 9th Grade Campus: acoustical shells	PC03	18,600.00
Washington Junior High School: acoustical shells	PC03	18,600.00
Hauke Academic Alternative High School: Provide district standard projector at class 2.	PC02	57,500.00
Hauke Academic Alternative High School: Provide exhaust at second floor restrooms and Auditorium restrooms.	PC02	34,500.00
York Junior High School: acoustical shells	PC03	18,600.00
Caney Creek High School: Provide new running hill with synthetic track running lane.	PC03	18,687.50
Travis Intermediate School: Replace old casework with current district ADA compliant standard casework at 106, 414, and 600B.	PC03	18,687.50
Hauke Academic Alternative High School: Relocate electrical panels in basement to above grade.	PC02	11,500.00
Hauke Academic Alternative High School: Remove and replace asphalt lot with concrete and restripe.	PC02	664,125.00
San Jacinto Elementary School: Remove old television and associated support brackets or cabinet, and cabling at 102, 120, 121, 122, 123, 130, 131, 132, 133, 142, 145, 146, 203, 211, 220, 221, 222, 223, 230, 231, 232, 233, 240, 241, 242, 244, 245.	PC03	19,406.25
The Woodlands Transportation Center: Install ADA compliant hardware throughout facility.	PC03	19,406.25
Caney Creek High School: Stage Curtains - safety rigging on tracks	PC03	20,000.00
Hauke Academic Alternative High School: Renovate kiln in Art per District standards.	PC02	11,500.00
Oak Ridge High School: Stage Curtains - safety rigging on tracks	PC03	20,000.00
The Woodlands College Park High School: Stage Curtains - safety rigging on tracks	PC03	20,000.00
Oak Ridge Elementary School: Replace old casework with current ADA compliant accessible district standard casework and provide accessible sink at locations with sink at Clinic.	PC03	20,125.00
Hauke Academic Alternative High School: Replace galvanized steel domestic water piping with copper.	PC02	465,750.00
Oak Ridge High School: Provide accessible water fountain at Room G-108 and near Room G-107 and G-204 per ADA standards.	PC03	20,125.00
The Woodlands College Park High School: Remove existing classroom televisions from original construction section of campus.	PC03	20,125.00
The Woodlands College Park High School: Replace missing instrument storage cages in room 1407M.	PC03	20,125.00
Vogel Intermediate School: Replace ceiling tiles in Kitchen.	PC03	20,125.00
Washington Junior High School: Replace basketball goals.	PC03	20,125.00
Washington Junior High School: Replace broken or damaged mini blinds at exterior windows at 101, 103, 105, 107, 109, 111, 113, 104A, 104B, 106, 108, 201, 203, 205, 207, 209, 211, 213, 210, FE10, FE5, 302A, 304, 306, 311, L0, and 502.	PC03	20,125.00
Hauke Academic Alternative High School: Safety and Security upgrades	PC02	300,000.00
Anderson Elementary School: Connect downspouts (3 boots, 300' PVC) on southeast side.	PC03	20,268.75
Anderson Elementary School: Connect downspouts (3 boots, 300' PVC) on west side.	PC03	20,268.75
Hauke Academic Alternative High School: Stage Curtains - fire proofing	PC02	
Caney Creek High School: Connect downspouts (3 boots, 300' PVC) on north side.	PC03	20,268.75
Hauke Academic Alternative High School: Stage Curtains - safety rigging on tracks	PC02	
Hauke Academic Alternative High School: Upgrade sump pump system in basement.	PC02	21,562.50
Hauke Alternative High School: Install new countertops and cabinets for Culinary arts	PC02	40,000.00
Hauke Alternative High School: Start horticulture program. Add greenhouse	PC02	300,000.00
Houser Elementary School: boilers are bad (Running on one)	PC02	200,000.00
Houser Elementary School: controls are bad at old section of building	PC02	100,000.00

Caney Creek High School: Connect downspouts (3 boots, 300' PVC) on northwest side.	PC03	20,268.75
Houser Elementary School: generator needs replacement	PC02	150,000.00
Caney Creek High School: Connect downspouts (3 boots, 300' PVC) on south side.	PC03	20,268.75
Houser Elementary School: Install code compliant panic hardware at Kitchen exit.	PC02	2,300.00
Houser Elementary School: Install fire sprinkler system.	PC01	392,477.75
Houser Elementary School: Install fire sprinkler system.	PC02	399,607.03
Houser Elementary School: DAS Repeater System and BDA First Responder	PC02	
Houser Elementary School: Fire Alarm Voice Evac System Upgrade	PC02	
Houser Elementary School: Install smoke detectors in Library.	PC01	3,450.00
Caney Creek High School: Connect downspouts (3 boots, 300' PVC) on southwest side.	PC03	20,268.75
Houser Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Houser Elementary School: Patch and finish openings in the ceiling of the Mechanical room M1.	PC02	14,375.00
Houser Elementary School: Provide 24/7 air conditioning in MDF.	PC02	21,562.50
The Woodlands High School: Connect downspouts (3 boots, 300' PVC).	PC03	20,268.75
Washington Junior High School: Connect downspouts (3) to storm sewer on south side.	PC03	20,268.75
Rice Elementary School: Replace exhaust hoods.	PC03	20,484.38
The Woodlands College Park High School: Provide new block wall backstop at base of existing backstop net at baseball field.	PC03	20,484.38
Collins Intermediate School: Replace (24) soffit light fixtures.	PC03	20,700.00
Houser Elementary School: Provide district standard projector at all teaching spaces.	PC02	179,687.50
Houser Elementary School: Provide required approach clearances at doors at kitchen.	PC02	7,187.50
Moorhead Stadium: Fill concrete flume below visitor bleachers at edge of track, leaving concrete swales to inlets.	PC03	20,815.00
Galatas Elementary School: Install additional exterior wall packs.	PC03	20,843.75
Anderson Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door at Clinic, Clinic Storage, Office, Principal, 55, Office, Office Storage, Left Main Corridor Girls', Art, Art Storage, 20 Corridor Boys', 20 Corridor Girls', 10/20 Corridor	PC03	21,562.50
Houser Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at kitchen toilet.	PC02	23,000.00
Armstrong Elementary School: Repair very 'noisy' air devices at building main entry (4) sidewall devices.	PC03	21,562.50
Houser Elementary School: Remove and replace concrete.	PC02	9,487.50
Broadway Elementary School: Install wall openings at mechanical room in classroom pod area D (return air problem).	PC03	21,562.50
Caney Creek High School: Add drains/sub-drain in foul territory and grade small swales to drains at softball field.	PC03	21,562.50
Caney Creek High School: Revise configuration of doors to allow code required and proper egress at doors at courtyard, 5514.	PC03	21,562.50
CISD Natatorium: Provide additional electrical circuits in Natatorium Concession area.	PC03	21,562.50
CISD Police Command Center: Provide classroom local sound system.	PC03	21,562.50
Houser Elementary School: Repair concrete sidewalk below entry canopy where cracked. (no control joints were installed).	PC02	7,187.50
CISD Police Command Center: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	21,562.50
Houser Elementary School: Replace air handling units, piping and ductwork, chillers, boilers and controls.	PC02	4,111,250.00
Houser Elementary School: Replace and upgrade all exterior lighting around building (poles, wall packs, etc.).	PC02	186,875.00
Houser Elementary School: Replace ceiling tile and grid throughout school for fire sprinkler scope of work.	PC02	251,154.25
Houser Elementary School: Replace ceiling tile and grid with vinyl surface 2X2 ceiling tile and grid in Kitchen.	PC02	12,578.13
Conroe High School 9th Grade Campus: Regrade and resod swales inside track at fault line.	PC03	21,562.50
Creighton Elementary School: Provide accessible HI/Lo EDF at Office Corridor, 504/505 vestibule, 605/606 vestibule, 303/304 vestibule, 202/203 vestibule.	PC03	21,562.50
Cryar Intermediate School: Provide variable speed drives on chilled and hot water pumps.	PC03	21,562.50
Houser Elementary School: Replace rusted out CT can in service yard.	PC02	14,375.00
Deane L. Sadler Administration & Technology Center: Remove abandoned domestic water piping throughout building.	PC03	21,562.50
Houser Elementary School: Restripe fire lane.	PC02	5,767.97
Ford Elementary School: Provide accessible hi/lo electric drinking fountain at right main Corridor, office Corridor, 300 Corridor, cafeteria, left main Corridor.	PC03	21,562.50
Ford Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC03	21,562.50
Galatas Elementary School: Repair minor gypsum board wall damage and repaint wall, reception, Office Corridor, left main Corridor, Speech, 52 Lounge, 30 Custodial, Library, LGI 1, LGI 2, main Custodial, Art Storage, Cafeteria Vestibule at Art, K Custodial, 41, 42, 4	PC03	21,562.50
Galatas Elementary School: Replace old casework circulation desk at Library with current accessible district standard casework.	PC03	21,562.50
Galatas Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC03	21,562.50
Giesinger Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC03	21,562.50
Houser Elementary School: Stage Curtains - fire proofing	PC02	
Houser Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Houser Elementary School: Upgrade boiler room combustion air.	PC02	14,375.00
Houser Elementary School: Upgrade stage spot lighting.	PC02	21,562.50
Giesinger Elementary School: Upgrade stage spot lighting.	PC03	21,562.50
Knox Junior High School: Provide district standard 5'-0" high marker board at 305, B102 Conf 1, B103 Conf2, B104 Green room, 108, 109, 110, 111, 112, 113.	PC03	21,562.50
Knox Junior High School: Provide new beat walls at tennis courts.	PC03	21,562.50
Lamar Elementary School: Repair minor gypsum board wall damage and repaint wall at Stage, C131, C132, Vestibule at M2, 114, 114 Toilet, Art, Kiln, Pod 5 Cust, Activity, A301, A304, Pod 4 Corridor, A404, A406, Pod 5 Corridor, Pod 5 Electrical, Pod 1 Corridor, Pod	PC03	21,562.50
Houston Elementary School: Deep sinks in the art rooms	PC02	15,000.00
McCullough Junior High School: Provide two (2) football field goal posts.	PC03	21,562.50
Houston Elementary School: Install lighting occupancy sensors.	PC02	215,625.00
Houston Elementary School: LED stage lighting	PC02	5,000.00

Milam Elementary School: Replace entry cupola lighting to LED.	PC03	21,562.50
Moorhead Stadium: Provide additional electrical circuits and receptacles in concession areas (home and visitor).	PC03	21,562.50
Oak Ridge Elementary School: Provide required approach clearances at doors at A-2, A-8, L-3.	PC03	21,562.50
Oak Ridge High School: Fix lip buildup at baseball field.	PC03	21,562.50
Houston Elementary School: Provide district standard cable management at all classrooms and offices.	PC02	427,656.25
Houston Elementary School: Provide district standard projector at 705 and 408.	PC02	7,187.50
Oak Ridge High School: Regrade area between existing storage and track chute.	PC03	21,562.50
Peet Junior High School: Replace lighting contactors.	PC03	21,562.50
Powell Elementary School: Provide required approach clearances at doors A-4A, A-2A, A-7, (2) Office Corr, 602, 603B, 604, and 605.	PC03	21,562.50
Powell Elementary School: Repair or replace door with damaged laminate at Rooms 402, 407, 641, Serving, 609, and 205.	PC03	21,562.50
Reaves Elementary School: Install new stage public address system.	PC03	21,562.50
Reaves Elementary School: Install spot lighting at stage.	PC03	21,562.50
Houston Elementary School: Replace (3) canopy light fixtures at Kitchen and Central Plant entry water are damaged.	PC02	718.75
Rice Elementary School: Install hi-lo louvers. Combustion air for boiler room.	PC03	21,562.50
Rice Elementary School: Install spot lighting at stage.	PC03	21,562.50
Houston Elementary School: Replace stained or damaged carpet throughout facility. Replace stained or damaged vinyl composition tile (VCT) flooring and all areas with open joints at Rooms 504, 504A, 509, 505, 500A, 609, 608, 608A, 607, 500A, 015, 025, 017A,	PC02	879,175.00
Rice Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door at 3, 4, 5, 603, 604, 200, 205, 201, 202, 203, 204, 302, 301, 300, 400 Corridor, 400, 401, 402, 403, 404, 405, 201, 30, 40, 50, 00, 10, 20.	PC03	21,562.50
Testing and Assessment Center: Provide required approach clearances at doors to Men and Women's toilet and at break room.	PC03	21,562.50
Houston Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Houston Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
The Woodlands College Park High School: Provide new concrete curb mound at home bullpen at baseball field.	PC03	21,562.50
The Woodlands College Park High School: Provide new drainage at front of dugouts at baseball field.	PC03	21,562.50
The Woodlands College Park High School: Remove and replace approximately 75 LF of concrete walk and add walk drains and swales at softball/baseball practice fields.	PC03	21,562.50
The Woodlands High School 9th Grade Campus: Provide additional circuits in concession stand.	PC03	21,562.50
Irons Junior High School: Add HVAC for Instrument Storage	PC02	75,000.00
The Woodlands High School 9th Grade Campus: Provide new long/triple jump runways.	PC03	21,562.50
The Woodlands High School 9th Grade Campus: Relocate light fixtures in athletic corridor at ramp area.	PC03	21,562.50
The Woodlands High School: Air handling unit (AHU) #38 needs larger return air opening to alleviate negative pressure in room.	PC03	21,562.50
The Woodlands High School: Replace lay-in ceiling tile and grid at football field house.	PC03	21,562.50
Travis Intermediate School: Provide ADA compliant seating in auditorium 105 on first floor and balcony level.	PC03	21,562.50
Washington Junior High School: Provide district standard 5'-0" high marker board at 314, 313, 400A, 818, 302A, 305, 316, 317, Weight Room.	PC03	21,562.50
Wilkerson Intermediate School: Prepare and repaint hollow metal door frame, vision lite frame, or door at Mechanical adjacent to 614, 119A, 618, 610, 620, 126, 204, 203, 203A, 518A, 325, 514A, 524, 706, 710, Stage Storage 1, Stage Storage 2, 133, 722, 7M, 715	PC03	21,562.50
Wilkerson Intermediate School: Provide required approach clearances at doors at Kitchen.	PC03	21,562.50
Wilkerson Intermediate School: Replace old casework with current accessible district standard casework. Provide accessible sink at locations with sink at 715.	PC03	21,562.50
Woodforest Bank Stadium: Provide additional electrical circuits in concession stand (home and visitor).	PC03	21,562.50
The Woodlands College Park High School: Replace synthetic turf in dugouts at baseball field.	PC03	21,620.00
Oak Ridge High School: Connect downspouts (4 boots, 300' PVC) on west side.	PC03	21,993.75
Powell Elementary School: Install ADA compliant hardware at toilets.	PC03	21,993.75
The Woodlands College Park High School: Regrade, re-sod swales and around inlets inside track on west of field.	PC03	22,640.63
Irons Junior High School: Restripe fire lane on service drive.	PC02	17,519.53
Anderson Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Kitchen toilet.	PC03	23,000.00
Armstrong Elementary School: Replace old panic devices with current ADA compliant accessible district standard panic hardware at exits.	PC03	23,000.00
Caney Creek High School: Replace shot put throw sector crushed rock.	PC03	23,000.00
Conroe Transportation Center: Install emergency lighting.	PC03	23,000.00
Conroe Transportation Center: Replace (20) wall packs with LED.	PC03	23,000.00
Creighton Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Provide grab bars and proper clearance between water	PC03	23,000.00
David Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Kitchen toilet.	PC03	23,000.00
Ford Elementary School: Reconfigure student toilets and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory at kitchen toilet.	PC03	23,000.00
Kaufman Elementary School: Add stacking loop.	PC02	1,078,125.00
Galatas Elementary School: Reconfigure Kitchen toilet for current ADA configuration Provide 5' turnaround with compliant toilet, lavatory, grab bars.	PC03	23,000.00
Giesinger Elementary School: Renovate toilets to meet current ADA requirements with proper clearance at kitchen toilet and sink.	PC03	23,000.00
Hailey Elementary School: Reconfigure toilet and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the wc and lavatory. Renovate to have 5' stall with grab bars, lavatory with pipe protection. Provid	PC03	23,000.00
Knox Junior High School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at Kitchen toilet.	PC03	23,000.00
Lamar Elementary School: Replace old panic device with current district standard panic hardware at the exterior exits at Pod 2, Pod 3, Pod 4, Pod 5, Library.	PC03	23,000.00
Kaufman Elementary School: level sidewalks water is coming in; avadek canopy	PC02	52,000.00
Oak Ridge High School: Provide additional light fixtures in hallway B and D.	PC03	23,000.00
Powell Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to current ADA requirements at toilets with grab bars and lavatory with pipe protection at kitchen toilet.	PC03	23,000.00
Kaufman Elementary School: Provide projection system in all classrooms (60 classrooms).	PC02	215,625.00
Kaufman Elementary School: Stage Curtains - fire proofing	PC02	
Kaufman Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Reaves Elementary School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at Kitchen toilet .	PC03	23,000.00

Rice Elementary School: Reconfigure toilet and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory at kitchen toilet.	PC03	23,000.00
Ride Elementary School: Reconfigure toilet and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory at kitchen toilet.	PC03	23,000.00
San Jacinto Elementary School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at Kitchen toilet 310 .	PC03	23,000.00
The Woodlands High School: Remove existing classroom televisions.	PC03	23,000.00
Washington Junior High School: Reconfigure toilets to comply with ADA requirements. Renovate to have proper turn around and required distance between water closet with grab bars and accessible lavatory and faucet with pipe protection at kitchen toilet.	PC03	23,000.00
Collins Intermediate School: Install ADA room graphics package in school.	PC03	23,431.25
Caney Creek High School: baseball and practice field - lights are turned on / off with breaker, no switching	PC03	24,000.00
Caney Creek High School: Deep sinks in the art rooms	PC03	24,000.00
Collins Intermediate School: Repair minor gypsum board wall damage and repaint wall throughout facility. (Special attention at exterior windows with water infiltration and movement cracks.)	PC03	24,437.50
Knox Junior High School: Knox Field House: Install ADA compliant hardware at Custodial Room.	PC03	24,581.25
Moorhead Stadium: Repair 3'H PVC fence in front of bleachers on both sides.	PC03	24,581.25
Knox Junior High School: Add HVAC for Instrument Storage	PC02	100,000.00
Knox Junior High School: basketball goals, both gyms	PC02	42,000.00
Natatorium: gutter grates at the pool edge located around pool need to replaced	PC03	25,000.00
McCullough Junior High School: Provide new drive and parking. Dirt road to T-building. approximately 700ft of Drive and 50,000 SF of paving	PC03	25,156.25
Moorhead Junior High School: Provide required approach clearances at doors at 600, 600A, 601, 602, 603, 608, 609.	PC03	25,156.25
The Woodlands High School: Renovate concession room (14'x10'). Provide new flooring, paint, ceiling and lights.	PC03	25,156.25
Washington Junior High School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC03	25,156.25
Oak Ridge High School: Connect downspouts (6 boots, 300' PVC) on southeast side.	PC03	25,443.75
The Woodlands High School: Provide new floor coating at agriculture welding shop.	PC03	25,659.38
Knox Junior High School: Intro to robotics lab	PC02	350,000.00
David Elementary School: Provide accessible hi/lo electric drinking fountain at office corridor, right main corridor at 602 and right main mechanical; left main corridor at 605 and left main mechanical.	PC03	25,875.00
Houser Elementary School: Install ADA compliant hardware at toilets.	PC03	25,875.00
Knox Junior High School: Clean/recoat and reseal joints each tennis court.	PC03	25,875.00
Knox Junior High School: Provide accessible hi/lo electric drinking fountain at Cafeteria, 307, entry toilets, Boys' locker room and Girls' locker room.	PC03	25,875.00
McCullough Junior High School: Provide ADA sinks in shop E102, E103, E104, E105, E106, E107, E207, E205, #201A; room 214 and office areas.	PC03	25,875.00
Oak Ridge Maintenance: Replace exterior lighting with LED: (7) 4-head poles and (7) 1-head poles	PC03	25,875.00
Travis Intermediate School: Repair or replace door with damaged of chipped laminate at 103, 105, 105 Entry, 320, 322, 326, 309, 309A.	PC03	25,875.00
Creighton Elementary School: Replace ceiling tile and grid in Kitchen and Served for renovation scope of work.	PC03	26,036.72
Hailey Elementary School: Replace (23) exit signs.	PC03	26,450.00
Knox Junior High School: new gym floors	PC02	333,000.00
Houston Elementary School: Install (2) light poles in small parking lot.	PC03	26,593.75
Oak Ridge Elementary School: Provide new ADA compliant room graphics and way finding signage throughout facility.	PC03	26,953.13
Peet Junior High School: Regrade swales northeast of track below tennis.	PC03	27,420.31
Conroe High School 9th Grade Campus: Replace 12' black pvc-coated chain link fabric and add windscreen at tennis.	PC03	27,657.50
Bush Elementary School: Repair plastic laminate (P-lam) on doors to room 606; Gym west vestibule corridor; TV Studio room 505; Boy's restroom 6E; Girl's restroom 6C; Storage room 607; Conference room 501; classroom 101; room 641A; 005; and three (3) door	PC03	28,031.25
Testing and Assessment Center: Install ADA compliant hardware at all rooms.	PC03	28,462.50
Knox Junior High School: Provide district standard projector at 305, B102 Conf 1, B102 Conf 2.	PC02	10,781.25
Anderson Elementary School: Repair major cracks in gypsum board at exterior window locations at Speech, 58, 55, 59, 26, 27, 10 Planning, 20 Planning, 30, planning, 40 planning, 44, 42, 41, K1, K workroom, K2, K3, K1.	PC03	28,750.00
Anderson Elementary School: Revise configuration of doors that encroach greater than 50% of Corridor exit width at 10/20 Corridor Custodial, 10/20 Corridor toilet, 30/40 Corridor Custodial, 30/40 Corridor toilet.	PC03	28,750.00
Caney Creek High School: Add drainage between hitting cages at baseball field.	PC03	28,750.00
Caney Creek High School: Provide new single bullpen with curb at baseball field (visitor).	PC03	28,750.00
Caney Creek High School: Top-dress aerate and fertilize at outfield low spot along fence and plant solid sod in bare spots at softball field.	PC03	28,750.00
Caney Creek High School: Top-dress/repair sod, aerate, fertilize competition field.	PC03	28,750.00
CISD Natatorium: Install volume tank for chiller.	PC03	28,750.00
Collins Intermediate School: Replace semi-circular wash fountains (4).	PC03	28,750.00
Knox Junior High School: Reconstruct tennis courts	PC02	600,000.00
Knox Junior High School: Stage Curtains - fire proofing	PC02	
Knox Junior High School: Stage Curtains - safety rigging on tracks	PC02	
Collins Intermediate School: Revise doors to swing in direction of egress at Art. Add two doors to meet code requirements.	PC03	28,750.00
Conroe High School: Top-dress and aerate existing natural turf at baseball field.	PC03	28,750.00
Conroe High School: Top-dress and aerate main practice field.	PC03	28,750.00
Creighton Elementary School: Doors at 407 music and 413 should swing out due to room size.	PC03	28,750.00
Cryar Intermediate School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC03	28,750.00
Deane L. Sadler Administration & Technology Center: Repaint all exterior previously painted (i.e. doors, frames, lintels and soffits, etc.).	PC03	28,750.00
Grangerland Intermediate School: Provide scale inhibitor on domestic water entry.	PC03	28,750.00
Houser Elementary School: Revise doors to swing out and install panic hardware at doors to art 701 and music 703.	PC03	28,750.00
Irons Junior High School: Move irrigation valve boxes away from practice field.	PC03	28,750.00
Irons Junior High School: Top-dress, aerate and fertilize practice fields (turf in very bad condition and non-planar).	PC03	28,750.00
Knox Junior High School: Install additional exterior lighting around perimeter building (25).	PC03	28,750.00
Knox Junior High School: Knox Field House: Provide required approach clearances at Storage door adjacent to Laundry, and 3 exterior entrances.	PC03	28,750.00

Knox Junior High School: Provide new long jump pits.	PC03	28,750.00
McCullough Junior High School: Top-dress and aerate practice field.	PC03	28,750.00
Milam Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	28,750.00
Milam Elementary School: Install scale inhibitor on domestic water entry.	PC03	28,750.00
Moorhead Stadium: Football Stadium Concession: Provide required approach clearances at doors in mens' restroom at stadium concession.	PC03	28,750.00
Oak Ridge Elementary School: Remove and replace asphalt pavement with concrete at service yard (40'x50') .	PC03	28,750.00
Oak Ridge High School: Provide new bull pen at baseball field.	PC03	28,750.00
Powell Elementary School: Replace kitchen water heater and repair adjacent piping.	PC03	28,750.00
Reaves Elementary School: Revise corridor width. Actual width is less than 5'-0' and does not comply with ADA or code at the Kindergarten corridor and PK Corridor.	PC03	28,750.00
Rice Elementary School: Replace kitchen electric water heater.	PC03	28,750.00
San Jacinto Elementary School: Reconfigure doors that encroach greater than 50% of corridor egress width at Mechanical 114, Storage adjacent to 142, Mechanical 143, Mechanical A143.	PC03	28,750.00
Testing and Assessment Center: Replace stained or damaged vinyl composition tile (VCT) or carpet throughout facility with sealed concrete finish.	PC03	28,750.00
The Woodlands College Park High School: Provide exhaust fan with local thermostat control for intermediate distribution frame (IDF) closets throughout (closets are hot).	PC03	28,750.00
The Woodlands College Park High School: Top-dress and aerate outfield at softball.	PC03	28,750.00
The Woodlands High School 9th Grade Campus: Perform coordination study on electrical distribution equipment.	PC03	28,750.00
The Woodlands High School 9th Grade Campus: Provide new long/triple jump pits.	PC03	28,750.00
The Woodlands High School 9th Grade Campus: Top-dress and aerate practice field near track.	PC03	28,750.00
The Woodlands High School 9th Grade Campus: Top-dress and aerate track field.	PC03	28,750.00
The Woodlands High School: Provide new bull pen netting at baseball field.	PC03	28,750.00
Lamar Elementary School: new kitchen	PC02	3,000,000.00
Lamar Elementary School: Clean inlet on west central side.	PC02	7,187.50
Travis Intermediate School: Provide required Approach Clearances for doors at 202, 411, 501A, 601.	PC03	28,750.00
Washington Junior High School: Install drainage/grading between track and building.	PC03	28,750.00
Lamar Elementary School: Install (1) exit sign at commons adjacent to Room 118.	PC02	1,150.00
Lamar Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Washington Junior High School: Top-dress, aerate and fertilize practice field.	PC03	28,750.00
Conroe High School: Annex: Remove old TV, associated support brackets and cabling throughout.	PC03	29,468.75
The Woodlands High School: Replace existing 12' fence at tennis courts.	PC03	29,756.25
Irons Junior High School: Deep sinks in the art rooms	PC03	30,000.00
Knox Junior High School: Deep sinks in the art rooms	PC03	30,000.00
McCullough Junior High School: Deep sinks in the art rooms	PC03	30,000.00
Lamar Elementary School: Provide proper combustion air to Boiler Room.	PC02	14,375.00
Moorhead Junior High School: Deep sinks in the art rooms	PC03	30,000.00
Oak Ridge High School 9th Grade Campus: Deep sinks in the art rooms	PC03	30,000.00
Oak Ridge High School: Deep sinks in the art rooms	PC03	30,000.00
Lamar Elementary School: Reconfigure toilet and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the wc and lavatory. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Kitch	PC02	23,000.00
Armstrong Elementary School: Provide accessible non-protruding hi/lo electric drinking fountain at cafeteria, corridors B, C, D, E, and F .	PC03	30,187.50
Hailey Elementary School: Replace malfunctioning exhaust hoods.	PC03	30,187.50
Houser Elementary School: Provide accessible hi/lo electric drinking fountain throughout building at office Corridor, right main Corridor, 500 Corridor, 708 Cafeteria, 600 Corridor, 400 Corridor, and 100 Corridor.	PC03	30,187.50
Powell Elementary School: Provide accessible hi/lo EDF at Office Corridor, right main Corridor, 300 Corridor, 400 Corridor, left main Corridor, 200 Corridor, and 100 Corridor.	PC03	30,187.50
Lamar Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
The Woodlands High School: Provide new running hill turf.	PC03	30,187.50
The Woodlands High School: Provide new high jump pad.	PC03	30,705.00
Knox Junior High School: Replace high jump pad at track & field.	PC03	30,906.25
Moorhead Stadium: Install 12" concrete curb along perimeter of track.	PC03	30,906.25
Irons Junior High School: Top-dress, aerate, and fertilize portion of competition field (from south 25 yard line to back of south end zone; non-planar w/ dip at east hash marks).	PC03	30,942.19
Collins Intermediate School: Install (18) wall packs around building.	PC03	31,050.00
Moorhead Junior High School: Replace or repair damaged material on acoustical panels at 400F, 400I, and 400J.	PC03	31,050.00
Lamar Elementary School: Replace ceiling and grid as required for Plumbing scope of work.	PC02	122,874.63
Galatas Elementary School: Connect downspout (6).	PC03	31,625.00
Lamar Elementary School: Replace existing built-up roof system.	PC02	197,656.25
Lamar Elementary School: Replace existing metal roof system.	PC02	107,826.88
Lamar Elementary School: Replace existing modified bitumen roof system at front entrance.	PC02	69,970.31
Lamar Elementary School: Replace existing skylights.	PC02	28,750.00
Anderson Elementary School: Install current district standard ADA compliant panic hardware at 40 Corridor, 30 Corridor, 10 Corridor, 20 Corridor, exterior door at Music, exterior door at Art, K Corridor.	PC03	32,200.00
Armstrong Elementary School: Relocate light switches located in public corridors at area B, C, D, E, F and relocate light switches in multiple classrooms (non-compliant light switches located outside of the classrooms at B10 thru B14, C10 thru C14, D10 thru D14, E	PC03	32,343.75
Conroe Transportation Center: Install ADA compliant hardware throughout building	PC03	32,343.75
Galatas Elementary School: Install complete ADA compliant graphics signage package throughout facility.	PC03	32,343.75
Lamar Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	14,375.00
Lamar Elementary School: Reseal and stripe asphalt lots.	PC02	53,906.25
Lamar Elementary School: Stage Curtains - fire proofing	PC02	

Lamar Elementary School: Stage Curtains - safety rigging on tracks	PC02	
North Maintenance & Warehouse Complex: Replace old interior wood doors with current district standard door.	PC03	32,343.75
Oak Ridge Elementary School: Provide district standard 5'-0" high marker board at 101, Art, 400, 401, 401, 403, 404, 405, 406, 407, 408, 409.	PC03	32,343.75
Rice Elementary School: Construct Mechanical wall to go to deck at M-3.	PC03	32,343.75
The Woodlands College Park High School: Provide new dry marker boards in room 3101; 3103; 3104; 3105; 3108; 3109; 3110; 3111; 3112; and 3114.	PC03	32,343.75
Anderson Elementary School: Remove old TV, associated support brackets and cabling all classrooms.	PC03	33,062.50
Knox Junior High School: Provide new concrete paving under bleachers and between track and bleachers.	PC03	33,649.00
Lamar Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Caney Creek High School: Replace old ceiling tile and grid with new code compliant ceiling grid and tile at Kitchen, Kitchen dry storage, toilet, Office and Custodial.	PC03	34,086.72
Glen Loch Elementary School: Expand cold storage.	PC03	34,155.00
East Transportation Center: Add parking.	PC03	34,500.00
Ford Elementary School: Provide district standard 5'-0" high marker board at 201, 202, 203, 204, 205, 206, 207, 208, 210, 211, 212, 213, 214, 215, 222.	PC03	34,500.00
McCullough Junior High School: Add HVAC for Instrument Storage	PC02	75,000.00
McCullough Junior High School: add new gym	PC02	7,250,000.00
Galatas Elementary School: Remove old TV and associated support brackets and cabling at all classrooms.	PC03	34,500.00
McCullough Junior High School: Address drainage inlet at lift station.	PC02	7,187.50
McCullough Junior High School: Baseball Turf Conversion	PC02	2,100,000.00
Hailey Elementary School: Replace existing trough urinals with code compliant urinals at Boys' 301,401,501,and 601.	PC03	34,500.00
Oak Ridge High School 9th Grade Campus: Resurface existing tennis courts.	PC03	34,500.00
Reaves Elementary School: Remove and replace loading dock.	PC03	34,500.00
Rice Elementary School: Repair or replace damaged laminate on door at 3, 603, 603, 304, 306, 307, 401, 402, 403, 404, 405, 701, 506.	PC03	34,500.00
Ride Elementary School: Reconfigure toilet to comply with current ADA. Provide accessible toilet, grab bars, lavatory and Remove shower at clinic A-1A.	PC03	34,500.00
McCullough Junior High School: doors on toilets stall boys locker rooms	PC02	6,000.00
The Woodlands College Park High School: Aerate, fertilize, and top-dress as needed to repair worn areas at crown of practice field near tennis.	PC03	34,500.00
The Woodlands College Park High School: Aerate, fertilize, water and top-dress practice fields by baseball/softball as needed (large bald areas).	PC03	34,500.00
Travis Intermediate School: Provide accessible toilet, lavatory, faucet, and sink at Kitchen hand wash.	PC03	34,500.00
York Junior High School: Recoat existing tennis courts.	PC03	34,500.00
Caney Creek High School: Replace turf in hitting cages at baseball field (glued systems).	PC03	34,615.00
Collins Intermediate School: Renovate kitchen (restroom does not meet ADA requirements; cold storage space is deficient by 50 square feet).	PC03	34,859.38
San Jacinto Elementary School: Replace locksets with ADA compliant accessible hardware at all restroom doors.	PC03	34,931.25
Oak Ridge Transportation Center: add a moveable partition to lounge area	PC03	35,000.00
McCullough Junior High School: Paint walls in kitchen.	PC02	19,260.70
Testing and Assessment Center: Replace old ceiling tile and grid throughout facility.	PC03	35,218.75
Armstrong Elementary School: Construct ADA compliant access to stage.	PC03	35,937.50
Birnham Woods Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Broadway Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Buckalew Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Bush Elementary School: Install new air conditioning unit in MDF.	PC03	35,937.50
Bush Elementary School: Replace domestic water heaters in central plant.	PC03	35,937.50
Bush Elementary School: Replace five (5) pendant metal halide fixtures in library with new LED.	PC03	35,937.50
Caney Creek High School: Provide new double bullpen with concrete curb at baseball field (home).	PC03	35,937.50
CISD Police Command Center: Provide lightning protection at storm water lift station.	PC03	35,937.50
CISD Police Command Center: Upgrade exterior lighting to LED (10 poles; 10 wall packs).	PC03	35,937.50
Conroe High School 9th Grade Campus: Add new shot put pad and sector.	PC03	35,937.50
Conroe High School 9th Grade Campus: Provide new double pit long/triple jump.	PC03	35,937.50
Conroe High School 9th Grade Campus: Provide new pole vault.	PC03	35,937.50
Creighton Elementary School: Install exterior exit emergency lighting.	PC03	35,937.50
Deretchin Elementary School (K-6): Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Galatas Elementary School: Provide ADA access to stage.	PC03	35,937.50
Giesinger Elementary School: Provide ADA compliant access to stage.	PC03	35,937.50
Glen Loch Elementary School: Provide ADA access to Stage.	PC03	35,937.50
Grangerland Intermediate School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Hailey Elementary School: Provide ADA access to stage.	PC03	35,937.50
McCullough Junior High School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	28,750.00
Houser Elementary School: Provide ADA access to stage.	PC03	35,937.50
McCullough Junior High School: Remove and replace south driveway near temporary buildings.	PC02	50,312.50
Houser Elementary School: Remove old TV and associated support brackets and cabling at all classrooms.	PC03	35,937.50
Kaufman Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Knox Junior High School: Provide ADA compliant access to the stage.	PC03	35,937.50
McCullough Junior High School: Remove existing tech panel and cabling; relocate power outlet to below; and repair repaint wall (approx. 54 classrooms: C101, C103, C109, C111, C105, C107, C113, C114, C104, C112, C102, C100, E104, E102, A103, A104, D107B, D107C, D107D, D107E, D107F, D107G, D107H, D107I, D107J, D107K, D107L, D107M, D107N, D107O, D107P, D107Q, D107R, D107S, D107T, D107U, D107V, D107W, D107X, D107Y, D107Z, D107AA, D107AB, D107AC, D107AD, D107AE, D107AF, D107AG, D107AH, D107AI, D107AJ, D107AK, D107AL, D107AM, D107AN, D107AO, D107AP, D107AQ, D107AR, D107AS, D107AT, D107AU, D107AV, D107AW, D107AX, D107AY, D107AZ, D107BA, D107BB, D107BC, D107BD, D107BE, D107BF, D107BG, D107BH, D107BI, D107BJ, D107BK, D107BL, D107BM, D107BN, D107BO, D107BP, D107BQ, D107BR, D107BS, D107BT, D107BU, D107BV, D107BW, D107BX, D107BY, D107BZ, D107CA, D107CB, D107CC, D107CD, D107CE, D107CF, D107CG, D107CH, D107CI, D107CJ, D107CK, D107CL, D107CM, D107CN, D107CO, D107CP, D107CQ, D107CR, D107CS, D107CT, D107CU, D107CV, D107CW, D107CX, D107CY, D107CZ, D107DA, D107DB, D107DC, D107DD, D107DE, D107DF, D107DG, D107DH, D107DI, D107DJ, D107DK, D107DL, D107DM, D107DN, D107DO, D107DP, D107DQ, D107DR, D107DS, D107DT, D107DU, D107DV, D107DW, D107DX, D107DY, D107DZ, D107EA, D107EB, D107EC, D107ED, D107EE, D107EF, D107EG, D107EH, D107EI, D107EJ, D107EK, D107EL, D107EM, D107EN, D107EO, D107EP, D107EQ, D107ER, D107ES, D107ET, D107EU, D107EV, D107EW, D107EX, D107EY, D107EZ, D107FA, D107FB, D107FC, D107FD, D107FE, D107FF, D107FG, D107FH, D107FI, D107FJ, D107FK, D107FL, D107FM, D107FN, D107FO, D107FP, D107FQ, D107FR, D107FS, D107FT, D107FU, D107FV, D107FW, D107FX, D107FY, D107FZ, D107GA, D107GB, D107GC, D107GD, D107GE, D107GF, D107GG, D107GH, D107GI, D107GJ, D107GK, D107GL, D107GM, D107GN, D107GO, Knox Junior High School: Provide new pole vault in new location at track & field.	PC03	35,937.50

Knox Junior High School: Provide new shot put at practice fields.	PC03	35,937.50
Knox Junior High School: Replace concrete islands at east parking lot.	PC03	35,937.50
Lamar Elementary School: Reconfigure doors that swing into corridor and encroach more than 50% of the exiting width at C111, C12, C113, Custodial across from Speech, Storage across from Speech.	PC03	35,937.50
McCullough Junior High School: Repair sidewalk.	PC02	3,126.56
McCullough Junior High School: Provide accessible toilet and shower at restroom/dressing area D107B.	PC03	35,937.50
McCullough Junior High School: Replace and expand cold storage assembly	PC02	324,932.50
McCullough Junior High School: Provide new shot put.	PC03	35,937.50
Moorhead Junior High School: Top-dress and patch sod at football field.	PC03	35,937.50
Oak Ridge High School: Replace all chemical pot feeders.	PC03	35,937.50
Oak Ridge Transportation Center: Provide spill containment in Shop.	PC03	35,937.50
Rice Elementary School: Provide ADA access to Stage.	PC03	35,937.50
McCullough Junior High School: Replace exhaust hoods.	PC02	23,718.75
Ride Elementary School: Provide ADA access to stage.	PC03	35,937.50
McCullough Junior High School: Replace existing commons curtain wall system	PC02	200,000.00
The Woodlands High School 9th Grade Campus: Provide new shot put with concrete curb.	PC03	35,937.50
The Woodlands High School: Add new distribution panel by Cafeteria area.	PC03	35,937.50
The Woodlands Transportation Center: Provide required approach clearances at doors at locker 102, men 103, and women 104, Janitor 105, Shop Office 109.	PC03	35,937.50
Tough Elementary School (K-6): Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
McCullough Junior High School: Reseal restripe south driveway asphalt.	PC02	21,562.50
McCullough Junior High School: Reseal south asphalt parking lot.	PC02	50,312.50
McCullough Junior High School: Restripe fire lane.	PC02	7,187.50
Vogel Intermediate School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Washington Junior High School: Provide direct ADA compliant access from Auditorium to stage without having to exit the area.	PC03	35,937.50
Washington Junior High School: Provide new shot put.	PC03	35,937.50
Wilkerson Intermediate School: Repair minor gypsum board wall damage and repaint wall throughout facility.	PC03	35,937.50
Wilkinson Elementary School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	35,937.50
Woodforest Bank Stadium: Provide lightning protection at stadium incoming electrical service.	PC03	35,937.50
McCullough Junior High School: Stage Curtains - fire proofing	PC02	
McCullough Junior High School: Stage Curtains - safety rigging on tracks	PC02	
McCullough Junior High School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	28,750.00
York Junior High School: Top-dress and aerate existing practice fields by discus area.	PC03	35,937.50
Reaves Elementary School: Upgrade light poles with LED.	PC03	36,656.25
Milam Elementary School: Install lightning protection for sanitary lift station.	PC02	35,937.50
Milam Elementary School: Install lightning protection for storm lift station.	PC02	35,937.50
Milam Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Milam Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	28,750.00
Collins Intermediate School: Remove old TV, associated support brackets and cabling throughout facility.	PC03	37,375.00
Creighton Elementary School: Install exterior LED wall packs around building.	PC03	37,375.00
Galatas Elementary School: Replace Kitchen water heater.	PC03	37,375.00
The Woodlands High School: Provide new turf between office/restroom and practice fields.	PC03	37,633.75
Conroe High School: Regrade swales along the main practice field.	PC03	37,734.38
Mitchell Intermediate School: Install acoustical wall panels at Library.	PC03	37,950.00
Milam Elementary School: Stage Curtains - fire proofing	PC02	
Houston Elementary School: Remove old TVs and associated support brackets and cabling at Rooms 001, 002, 003, 004, 005, 007, 012, 011, 010, 009, 008, 101, 102, 103, 104, 105, 106, 107, 108, 205, 207, 206, 204, 203, 202, 201, 705, 503, 509, 500, 501, 516, 604	PC03	38,093.75
Knox Junior High School: Regrade sideline swales to inlets at track & field.	PC03	38,504.16
Anderson Elementary School: Provide accessible hi/lo electric drinking fountain at Office Corridor, Right Main Corridor at Mechanical, Right Main Corridor at 67, Left Main Corridor at Mechanical, Left Main Corridor at 66, 10 Corridor, 20 Corridor, 30 Corridor, 40 C	PC03	38,812.50
Milam Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Anderson Elementary School: Provide district standard 5'-0" high marker board at 31, 32, 33, 34, 35, 36, 37, 38, 41, 42, 43, 44, 45, 46, 47, 48, 66, computer.	PC03	38,812.50
Giesinger Elementary School: Provide accessible hi/lo electric drinking fountain at office Corridor, right main Corridor by M-1 and 704, left main Corridor by M-1 and 705, 100 Corridor at toilets, 200 Corridor at toilets, 300 Corridor at toilets, 400 Corridor at toilets.	PC03	38,812.50
Wilkerson Intermediate School: Provide accessible hi/lo electric drinking fountain at Corridor adjacent to 5A, electric drinking fountain at Corridor at 612, electric drinking fountain at Corridor at 615, electric drinking fountain at Corridor at 616, electric drinking fo	PC03	38,812.50
David Elementary School: Replace all interior lighting with LED.	PC03	39,531.25
Caney Creek High School: secure playground for child care program - new equipment 2 -5 years	PC03	40,000.00
Mitchell Elementary School: Life skills remodel	PC03	40,000.00
Ride Elementary School: rework the restrooms of the current life skills area (CE1)	PC03	40,000.00
The Woodlands Transportation Center: expand awning at bus bay to the west	PC03	40,000.00
Deane L. Sadler Administration & Technology Center: Replace roof mounted AHU-14.	PC03	40,250.00
Oak Ridge High School: Replace ceiling tiles in kitchen.	PC03	40,250.00
Mitchell Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
Testing and Assessment Center: Convert interior lighting with LED (approximately 96 +/- fixtures).	PC03	41,400.00
Moorhead Junior High School: Remove old TV, associated support brackets and cabling at 101, 102, 104, 106, 107, 109, 110, 108, 111, 112, 113, 114, 115, 116, 117, 118, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 302, 303, 304, 306, 307, 308, 309	PC03	41,687.50
Washington Junior High School: Replace old casework with current district standard casework. Provide accessible sink at locations with sink.	PC03	41,687.50

Mitchell Intermediate School: Install ceiling mounted projectors at band room 126-128; orchestra 127; music 129; art 130-131.	PC02	17,250.00
Glen Loch Elementary School: Relocate non-compliant light switches throughout facility that are too high.	PC03	42,550.00
Ford Elementary School: Remove and replace sidewalks around building exterior (1030x4).	PC03	42,938.13
Bozman Intermediate School: Remove existing classroom televisions.	PC03	43,125.00
Broadway Elementary School: Remove existing classroom televisions.	PC03	43,125.00
Buckalew Elementary School: Remove existing classroom televisions.	PC03	43,125.00
Caney Creek High School: Provide accessible hi/lo EDF at 2300 Corridor, Library, 4200 Corridor, 3200 Corridor, 3100 Corridor, 1100 Corridor, 5504, Boys' Athletic locker, Girls' athletics, and 1500 Corridor.	PC03	43,125.00
Caney Creek High School: Provide new H-style goals at practice fields.	PC03	43,125.00
Collins Intermediate School: Replace old ceiling tile and grid at Cafeteria vestibules, Diagnostician, AP, Office, Counselor, Counselor Storage, 501, 514, Media, Custodial, and Corridors.	PC03	43,125.00
Conroe High School 9th Grade Campus: Add new long jump/triple jump pits and new drainage at pits.	PC03	43,125.00
Conroe High School 9th Grade Campus: Replace seating in large group instruction area - LG1 (approx. 150 seats).	PC03	43,125.00
Mitchell Intermediate School: Remove and replace service drive, swale and curb (floods when rains).	PC02	158,125.00
Mitchell Intermediate School: Remove classroom technology panels.	PC02	34,500.00
Conroe High School: Provide new flag pole at softball field.	PC03	43,125.00
Cox Intermediate School: Remove existing classroom televisions.	PC03	43,125.00
Cryar Intermediate School: Remove existing classroom televisions.	PC03	43,125.00
Discipline Alternative Education Program (DAEP): Provide classroom local sound system.	PC03	43,125.00
Mitchell Intermediate School: Replace sports court gym flooring per district standards.	PC02	124,882.81
Ford Elementary School: Relocate non-compliant light switch and install dual level lighting throughout building (too high).	PC03	43,125.00
Galatas Elementary School: Replace pneumatic fire damper with electronic.	PC03	43,125.00
Grangerland Intermediate School: Provide new room graphics and way-finding signage throughout facility per district standards.	PC03	43,125.00
Grangerland Intermediate School: Remove existing classroom televisions.	PC03	43,125.00
Houser Elementary School: Provide district standard 5'-0" high marker board.	PC03	43,125.00
Irons Junior High School: Remove existing classroom televisions	PC03	43,125.00
Mitchell Intermediate School: Stage Curtains - fire proofing	PC02	
Mitchell Intermediate School: Stage Curtains - safety rigging on tracks	PC02	
Mitchell Intermediate School: Upgrade technology cabling where technology panels were removed throughout building.	PC02	138,000.00
Kaufman Elementary School: Remove existing classroom televisions.	PC03	43,125.00
Knox Junior High School: Relocate non-compliant light switches throughout facility that are too high.	PC03	43,125.00
McCullough Junior High School: Added drop-off queuing at front of building	PC03	43,125.00
McCullough Junior High School: Provide irrigation meter for campus separate from domestic water service.	PC03	43,125.00
Moorhead Junior High School: Add HVAC for Instrument Storage	PC02	75,000.00
McCullough Junior High School: Renovate gang showers to compartment showers at D107, D107D, D107C and D123.	PC03	43,125.00
Mitchell Intermediate School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	43,125.00
Moorhead Junior High School: Repair or replace door with damaged laminate at 104, 110, 108, 113, 117, 201, 203, 204, Library, 208, 310, 312, 604, 607, 606A, 401C.	PC03	43,125.00
Moorhead Stadium: Install lighting control system.	PC03	43,125.00
Oak Ridge Elementary School: Install acoustical panels in Gym.	PC03	43,125.00
Oak Ridge High School: Replace curtains at black box theater F-114.	PC03	43,125.00
San Jacinto Elementary School: Replace (1) DX system in Administration Area.	PC03	43,125.00
Testing and Assessment Center: Provide classroom local sound system.	PC03	43,125.00
Testing and Assessment Center: Replace doors to be district standard laminate doors.	PC03	43,125.00
Moorhead Junior High School: Install range hood over instructors cook top in Room 604.	PC02	20,125.00
Moorhead Junior High School: Install return air at (4) Music practice rooms.	PC02	12,300.00
Moorhead Junior High School: Provide District standard projector at 101, 102, 104, 106, 107, 109, 110, 108, 111, 112, 113, 114, 115, 116, 117, 118, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 302, 303, 304, 306, 307, 308, 309, 310, 312, 313, 314,	PC02	222,812.50
Moorhead Junior High School: Provide exhaust in IDF Room 604C (room is very hot).	PC02	12,218.75
The Woodlands High School: Provide access to sloped seating at large group instruction area per ADA standards.	PC03	43,125.00
The Woodlands High School: Provide accessibility to sloped seating at football field house team meeting room per ADA standards.	PC03	43,125.00
Tough Elementary School (K-6): Upgrade outdoor pavilion lighting with LED or T8 fixtures.	PC03	43,125.00
Vogel Intermediate School: Replace lighting contactors.	PC03	43,125.00
Walter P. Jett Continuing Education Center: Replace acoustical wall panel system at Auditorium.	PC03	43,125.00
Washington Junior High School: Replace 250 gallon water heater in gymnasium.	PC03	43,125.00
Wilkerson Intermediate School: Provide an additional door to meet egress requirements at rooms that exceed square footage requirements at 320, 321, 322, 323, 203 and 204.	PC03	43,125.00
Moorhead Junior High School: Remove and replace asphalt entrance and exit with concrete.	PC02	21,562.50
Moorhead Junior High School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Woodforest Bank Stadium: Increase ventilation in concession stands home and visitor.	PC03	43,125.00
Moorhead Junior High School: Replace old casework with current district standard casework at 605A, 605C and install casework skirt at accessible sink locations at 110, Library Workroom, 405, and 406.	PC03	43,412.50
Moorhead Junior High School: Repair finishes (floor and wall) and monitor expansion joint between office and stage due to movement.	PC02	11,500.00
Moorhead Junior High School: Replace existing built up roof system.	PC02	1,748,862.50
Hailey Elementary School: Relocate non compliant light switch - too high throughout facility. Install dual level lighting.	PC03	43,700.00
Oak Ridge High School 9th Grade Campus: Replace fencing at tennis courts.	PC03	43,915.63
Powell Elementary School: Connect downspouts (8).	PC03	43,987.50

Giesinger Elementary School: Replace stained or damaged carpet at Library, 505, 404, 405, 403, 402, 202, 103, 104, 105, 106, and 4.	PC03	55,703.13
Caney Creek High School: risers	PC03	56,000.00
Conroe High School: risers	PC03	56,000.00
Oak Ridge High School: risers	PC03	56,000.00
The Woodlands College Park High School: risers	PC03	56,000.00
The Woodlands High School: risers	PC03	56,000.00
North Maintenance & Warehouse Complex: Add DDC Controls throughout facility.	PC02	138,000.00
The Woodlands College Park High School: Replace home side hitting cage netting at baseball field.	PC03	57,261.38
North Maintenance & Warehouse Complex: Coat existing metal roof system at three original buildings.	PC02	332,637.50
Bozman Intermediate School: Install scale inhibitor on domestic water entry.	PC03	57,500.00
North Maintenance & Warehouse Complex: Correct air conditioning issue in Energy Manager's Office in Warehouse.	PC02	7,187.50
North Maintenance & Warehouse Complex: Install (2) 120 Volt receptacles in Computer Room.	PC02	2,156.25
North Maintenance & Warehouse Complex: Install 24/7 air conditioning in MDF.	PC02	21,562.50
North Maintenance & Warehouse Complex: Install a fire alarm system throughout entire facility.	PC01	138,000.00
North Maintenance & Warehouse Complex: Install a fire sprinkler system throughout facility.	PC01	182,562.50
Caney Creek High School: Provide new long jump/triple jump pits.	PC03	57,500.00
Conroe High School 9th Grade Campus: Provide scale inhibitor on domestic water entry	PC03	57,500.00
North Maintenance & Warehouse Complex: Install emergency lighting.	PC02	58,650.00
Conroe High School: Provide new batting cage at softball field.	PC03	57,500.00
Cryar Intermediate School: Install scale inhibitor on domestic water entry.	PC03	57,500.00
North Maintenance & Warehouse Complex: Install ventilation in grounds Mechanic Shop.	PC02	11,500.00
Giesinger Elementary School: Replace kitchen electrical panels are rusted, and there are no shunt trip breaks for equipment under range hood.	PC03	57,500.00
Knox Junior High School: Top-dress, aerate, mow and fertilize practice fields.	PC03	57,500.00
Lamar Elementary School: Provide required ADA compliant approach clearances at doors to Pod 1 Custodial, Pod 2 Custodial, Pod 3, Custodial, Pod 4 Custodial, Pod 5 Custodial, Storage at diagnostician	PC03	57,500.00
North Maintenance & Warehouse Complex: Provide miscellaneous repairs at walls.	PC02	7,187.50
McCullough Junior High School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	57,500.00
Moorhead Stadium: Football Stadium Ticket Booth: Provide ADA compliant accessible threshold at ticket booths and eliminate/correct the protruding shelf.	PC03	57,500.00
Oak Ridge High School: Provide new batting cages at baseball field.	PC03	57,500.00
North Maintenance & Warehouse Complex: Remove and replace concrete paving at loading dock (150x150').	PC02	323,437.50
North Maintenance & Warehouse Complex: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving)	PC02	35,937.50
North Maintenance & Warehouse Complex: Replace (1) 3 ton split system.	PC02	7,546.88
North Maintenance & Warehouse Complex: Replace all ductwork in Office area.	PC02	251,562.50
North Maintenance & Warehouse Complex: Replace approximately (365 +/-) T-12 light fixtures with LED.	PC02	157,406.25
North Maintenance & Warehouse Complex: Replace asphalt paving with concrete.	PC02	1,380,000.00
North Maintenance & Warehouse Complex: Replace ceiling tile and grid for fire sprinkler scope of work.	PC01	35,937.50
North Maintenance & Warehouse Complex: Replace ceiling tile and grid in office area for Mechanical scope of work.	PC02	35,937.50
North Maintenance & Warehouse Complex: Replace damaged or rusted wall panels at three original buildings and repaint all exterior walls to match.	PC02	79,062.50
North Maintenance & Warehouse Complex: Replace existing built up roof system.	PC02	1,022,350.00
North Maintenance & Warehouse Complex: Replace existing foam roof system.	PC02	20,125.00
Oak Ridge High School: Provide new pits for existing long/triple jump runways.	PC03	57,500.00
North Maintenance & Warehouse Complex: Replace hollow metal interior frame and louver (8 total) at the maintenance warehouse and cabinet shop wall and replace exterior wooden doors or rusted doors.	PC02	50,312.50
San Jacinto Elementary School: Install exterior exit emergency lighting.	PC03	57,500.00
North Maintenance & Warehouse Complex: Replace one 10-ton split system in Central Warehouse.	PC02	25,156.25
North Maintenance & Warehouse Complex: Replace one 5 ton split system in Warehouse.	PC02	12,578.13
North Maintenance & Warehouse Complex: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	28,750.00
North Maintenance & Warehouse Complex: Replace Plexiglas or broken glass panes.	PC02	21,562.50
The Woodlands High School 9th Grade Campus: Replace damaged stage curtain.	PC03	57,500.00
The Woodlands High School: Paint all hollow doors and frames and exterior hollow metal window frames.	PC03	57,500.00
North Maintenance & Warehouse Complex: Rewire Paint Room (not explosion proof).	PC02	31,625.00
North Maintenance & Warehouse Complex: Upgrade site lighting with LED.	PC02	204,843.75
North Maintenance & Warehouse Complex: Up-Grade the electrical service and replace all equipment.	PC02	143,750.00
Walter P. Jett Continuing Education Center: Provide variable speed drives on chilled and hot water pumps.	PC03	57,500.00
McCullough Junior High School: Provide new 150 SF press box.	PC03	59,296.88
Walter P. Jett Continuing Education Center: Provide room graphic and wayfinding signage throughout facility.	PC03	59,296.88
Caney Creek High School: restroom renovation	PC03	60,000.00
Ford Elementary School: remodel with a dedicated restroom	PC03	60,000.00
Galatas Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC03	60,000.00
Glen Loch Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC03	60,000.00
Houser Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC03	60,000.00
Natatorium: pool decking (check)	PC03	60,000.00
Oak Ridge High School: boilers are old	PC03	60,000.00

Oak Ridge Transportation Center: add fans to shop area	PC03	60,000.00
Powell Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC03	60,000.00
Oak Ridge Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Oak Ridge Elementary School: Remove and replace north asphalt parking with concrete.	PC02	625,312.50
Ride Elementary School: restrooms need to be renovated to accommodate changing tables - 26" x 72"	PC03	60,000.00
Washington Junior High School: Replace sky-light at middle of building	PC03	60,000.00
Moorhead Junior High School: Prepare and repaint hollow metal door frame, vision lite frame, or door at 104, 109, 109A, 110, 108, 111, 113, 114, 118, mech-2, 201, 202, 203, 204, library, 206, 208, 210, 211, 212, 302, 303, 304, 305, 306, 307, 308, 309, 310, 312,	PC03	61,093.75
Reaves Elementary School: Remove and replace basketball court.	PC03	61,812.50
Oak Ridge Elementary School: Replace existing flooring with hard surface flooring at 200A.	PC02	13,282.50
Oak Ridge Elementary School: Replace existing metal roof system at fourth grade building.	PC02	196,218.75
Oak Ridge Elementary School: Replace existing modified bitumen roof system.	PC02	1,043,625.00
Reaves Elementary School: Expand cold storage.	PC03	62,100.00
The Woodlands High School: convert classroom they use during halftime for basketball to auxiliary weight room	PC03	62,500.00
Oak Ridge Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	107,812.50
Oak Ridge Elementary School: Stage Curtains - fire proofing	PC02	
Oak Ridge Elementary School: Stage Curtains - safety rigging on tracks	PC02	
San Jacinto Elementary School: Repair or replace door with damaged laminate at 101, (2) 105, 106 (2), 110, 112, 121, 122, 124, 130, 131, 173, 182, 201, 206, 207, (2) 208, 220, 224, 226, 231, 232, 233, 241, 242, 245, and 301.	PC03	62,531.25
Collins Intermediate School: Relocate non-compliant light switches throughout facility (too high).	PC03	63,825.00
The Woodlands College Park High School: Replace missing locker tops, filler panels, and locks and replace various dented/damaged lockers in locker room 1505; 1507; 151; 1525; and 1532.	PC03	64,400.00
Conroe High School 9th Grade Campus: Replace discus pad (reorient towards field).	PC03	64,687.50
Creighton Elementary School: Reconfigure door so it does not encroach code required egress in corridor. Currently the doors limit egress widths at Office Custodial, Corridor 700 mechanical, Staff and Custodial, Corridor 100 Mechanical, Staff and Custodial.	PC03	64,687.50
Knox Junior High School: Provide new discus pad and cage at practice fields.	PC03	64,687.50
McCullough Junior High School: Provide new discus.	PC03	64,687.50
Oak Ridge High School 9th Grade Campus: Add HVAC for Instrument Storage	PC02	100,000.00
Mitchell Intermediate School: Provide variable speed drives on chilled water pumps.	PC03	64,687.50
Oak Ridge High School 9th Grade Campus: camera conversion - analog to IP	PC02	152,000.00
Mitchell Intermediate School: Upgrade parking lot lighting to LED.	PC03	64,687.50
Oak Ridge Elementary School: Install control joints in gypsum board walls above the head of doors and windows and approximately 25' on center on continuous and un-interrupted walls.	PC03	64,687.50
Oak Ridge High School: Provide new discus pad and cage.	PC03	64,687.50
Reaves Elementary School: Remove or correct protruding EDF's in Corridors.	PC03	64,687.50
Reaves Elementary School: Revise door so it does not swing into the corridor. Door encroaches greater than 50% of the egress width of the corridor at k104, Y309, Y310, P410, P409, G209, G210, B109, B110.	PC03	64,687.50
The Woodlands High School 9th Grade Campus: Provide new discus pad and cage.	PC03	64,687.50
The Woodlands High School: Provide new discus pad.	PC03	64,687.50
Washington Junior High School: Provide new discus with cage.	PC03	64,687.50
Caney Creek High School: acoustical shells	PC03	65,000.00
Oak Ridge High School 9th Grade Campus: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	28,750.00
Conroe High School: acoustical shells	PC03	65,000.00
Conroe High School: acoustical shells (20 Shells)	PC03	65,000.00
Oak Ridge High School 9th Grade Campus: Replace and Expand cold storage. Convert existing cooler-freezer to cooler only and add outdoor freezer	PC02	217,651.88
Oak Ridge High School 9th Grade Campus: Replace ceiling tiles throughout kitchen.	PC02	45,281.25
Oak Ridge High School: acoustical shells	PC03	65,000.00
The Woodlands College Park High School: acoustical shells	PC03	65,000.00
The Woodlands High School: acoustical shells	PC03	65,000.00
Lamar Elementary School: Replace 400 amp motor control center (MCC), 225 amp 480V panel, (4) 225 amp/120-208 panels and re-support (1) 112.5 kVA transformer not properly supported.	PC03	65,406.25
Oak Ridge High School 9th Grade Campus: Safety and Security upgrades	PC02	300,000.00
Oak Ridge High School 9th Grade Campus: Stage Curtains - fire proofing	PC02	
Oak Ridge High School 9th Grade Campus: Stage Curtains - safety rigging on tracks	PC02	
The Woodlands College Park High School: Refinish and repaint competition gym floor	PC03	65,500.00
Ford Elementary School: Upgrade parking lot lighting to LED.	PC03	69,000.00
Glen Loch Elementary School: Relocate toilets to meet current ADA requirements with proper clearance at toilets with grab bars and lavatory with pipe protection at A-A1,5A,5B.	PC03	69,000.00
Hailey Elementary School: Add additional VAV boxes for individual room control.	PC03	69,000.00
Oak Ridge High School 9th Grade Campus: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	14,375.00
Hauke Academic Alternative High School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and sink at third floor toilet, office toilet on second level, gym office toilet on second level at stairs.	PC03	69,000.00
Oak Ridge High School: front serving line needs a refresh	PC02	300,000.00
Oak Ridge High School: Major overhaul - include HVAC	PC02	40,000,000.00
Lamar Elementary School: Reconfigure toilet to comply with current ADA requirements. Renovate to have clearance between water closet and lavatory at Boys' at Library, Girls' at Library, Staff toilet at Dining.	PC03	69,000.00
McCullough Junior High School: Replace four (4) tennis courts.	PC03	69,000.00
Oak Ridge High School: Need ADA Frontal approach clearance at classroom B-101, B-102, B-116, B-117, B-118, C-100 - C-103, C-105 -> C-107, C-109 -> C-112, C-116, C-118 -> C-120, C-132, D-100, D-101, D-106 -> D-113, G-105 (approx. 32 doors).	PC03	69,000.00
Oak Ridge High School: Add HVAC for Instrument Storage	PC02	100,000.00
Ride Elementary School: Relocate non-compliant light switch to proper height throughout building.	PC03	69,000.00
Oak Ridge High School: Audirotium Review and Improvements	PC02	

The Woodlands High School 9th Grade Campus: Resurface existing tennis courts (4).	PC03	69,000.00
Oak Ridge High School: Baseball Turf Conversion	PC02	2,100,000.00
Wilkerson Intermediate School: Replace asphalt service yard with concrete.	PC03	69,000.00
The Woodlands High School: Strip, regrade and sod softball field.	PC03	69,858.91
Caney Creek High School: Boys Freshman area needs additional storage	PC03	70,000.00
Ride Elementary School: Stage Curtains - fire proofing	PC03	70,000.00
Vogel Intermediate School: Expand cold storage.	PC03	70,056.56
CISD Police Command Center: Upgrade existing light fixtures to LED including controls.	PC03	70,078.13
Caney Creek High School: Remove old TV, associated support brackets and cabling throughout school.	PC03	71,156.25
Moorhead Stadium: Reseal east parking lot.	PC03	71,156.25
Oak Ridge High School: camera conversion - analog to IP	PC02	152,000.00
Birnham Woods Elementary School: Install LED parking lot lighting	PC03	71,875.00
Oak Ridge High School: fire alarm, no voice evacuation	PC02	420,000.00
Broadway Elementary School: Install LED parking lot lighting.	PC03	71,875.00
Buckalew Elementary School: Replace domestic water heaters in classroom pods	PC03	71,875.00
Buckalew Elementary School: Upgrade parking lot lighting to LED.	PC03	71,875.00
Caney Creek High School: Provide new shot put.	PC03	71,875.00
Oak Ridge High School: Football Turf Conversion	PC02	1,600,000.00
Oak Ridge High School: Install new data cabling to replace classroom technology panels.	PC02	503,125.00
Collins Intermediate School: Provide required approach clearances at doors at stage entry, Principal toilet, Orchestra Practice Rooms, Office toilets.	PC03	71,875.00
Conroe Transportation Center: Provide required approach clearances at doors to Office #1, Break, Secretary for Director Office, Directors Office, Toilet, Routing, Toilet, IDF, Corridor, Men, Women and Shop.	PC03	71,875.00
Deretchin Elementary School (K-6): Upgrade parking lot lighting to LED.	PC03	71,875.00
Hauke Academic Alternative High School: Replace ramp & handrails in Auditorium that are not ADA compliant. Provide accessible seating in Auditorium balcony and accessible access to Stage.	PC03	71,875.00
Irons Junior High School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	71,875.00
Kaufman Elementary School: Install LED parking lot lighting.	PC03	71,875.00
Milam Elementary School: Upgrade gym lighting with T5 or LED fixtures including control.	PC03	71,875.00
Milam Elementary School: Upgrade parking lot lighting to LED.	PC03	71,875.00
Mitchell Intermediate School: Upgrade gym lighting with T5 or LED fixtures including control.	PC03	71,875.00
Moorhead Stadium: Retrofit scoreboard lighting to LED.	PC03	71,875.00
North Maintenance & Warehouse Complex: Provide required approach clearances at doors at Break, Offices, Storage, Men, Women, Athletics and Shop.	PC03	71,875.00
Rice Elementary School: Replace the Trane chiller for the newer portion of the school in 3 to 5 years.	PC03	71,875.00
San Jacinto Elementary School: Provide required approach clearances at doors 110A, 110B, stage access, 134, 135, 137, 125, 127.	PC03	71,875.00
The Woodlands High School 9th Grade Campus: Install LED lighting wall pack fixtures around perimeter of building.	PC03	71,875.00
The Woodlands High School 9th Grade Campus: Replace domestic electric water heaters throughout campus.	PC03	71,875.00
The Woodlands High School: Replace long/triple jump pits.	PC03	71,875.00
Tough Elementary School (K-6): Upgrade parking lot lighting to LED.	PC03	71,875.00
Vogel Intermediate School: Provide new LED parking lot lighting.	PC03	71,875.00
Oak Ridge High School: Install projectors in all classrooms (78 classrooms).	PC02	280,312.50
Washington Junior High School: Provide fire resistance rating on exposed steel structural columns. Some locations are at 101, 103, 105, 107, 109, 111, 113, 108, 106, 104, 104A, 201. 203, 205, 207, 209, 211, 213, 210, 315, 302, 304, 306, 311.	PC03	71,875.00
Washington Junior High School: Provide new long jump/triple jump (double sand pit).	PC03	71,875.00
Wilkerson Intermediate School: Relocate or revise swing of the door. Door swings into corridor and encroaches more than 50% of the exit corridor at Mechanical adjacent to 614, Mechanical adjacent to 617, Mechanical adjacent to 515, Mechanical adjacent to 51	PC03	71,875.00
Wilkinson Elementary School: Provide LED parking lot lighting.	PC03	71,875.00
Woodforest Bank Stadium: Replace interior spaces lighting to LED including controls.	PC03	71,875.00
York Junior High School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	71,875.00
Glen Loch Elementary School: Replace site lighting with LED.	PC03	73,312.50
McCullough Junior High School: Remove and replace southwest sidewalk (440x4).	PC03	73,370.00
Caney Creek High School: Adjust inlets/regrade area east of tennis courts.	PC03	74,210.94
Natorium: boards and stands need to be replaced	PC03	75,000.00
Armstrong Elementary School: Replace old wood doors with ADA compliant accessible plastic laminate doors to meet current district standards at original portion of facility.	PC03	75,468.75
Conroe Transportation Center: Replace lighting throughout (approximately 172 fixtures to LED).	PC03	75,468.75
Conroe High School: Provide new fence for existing batting cage at softball field.	PC03	75,900.00
Conroe Transportation Center: Replace doors to be district standard laminate doors.	PC03	77,625.00
Anderson Elementary School: Replace stained or damaged carpet at Lounge, 55, 21, 22, 26, 48, 66, Library Office, Music, 12, 15, K2, K3, K4, and K5.	PC03	78,918.75
Armstrong Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door throughout facility.	PC03	79,062.50
Conroe High School: Provide new netting for existing batting cage at softball field.	PC03	79,695.00
McCullough Junior High School: Provide accessible drinking fountains at corridor near Room C100, Commons area at both stair cases, Room D107, D107D, D107C, Girl's locker rooms, and upstairs near all restrooms.	PC03	80,500.00
Oak Ridge High School: Provide miscellaneous repairs at roof.	PC02	24,000.00
Oak Ridge High School: Remove and replace exterior building waterproofing sealants throughout entire facility. Including all wall control joints, through wall penetrations around all doors and windows and joints between building and paving.	PC02	43,125.00
Moorhead Junior High School: Replace HID lighting in Gymnasiums 1 and 2 with LED.	PC03	80,500.00
Oak Ridge High School: Remove and replace north central loading dock and porch.	PC02	143,750.00
Hailey Elementary School: Provide district standard 5'-0" high marker board at all classrooms.	PC03	81,937.50

Broadway Elementary School: Paint door lite trim and frames at all classrooms.	PC03	82,656.25
Oak Ridge High School: Replace turf at batting cages at softball field.	PC03	84,525.00
Walter P. Jett Continuing Education Center: Remove and replace street parking spaces.	PC03	84,812.50
Anderson Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Office Women.	PC03	86,250.00
Birnham Woods Elementary School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Bozman Intermediate School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Broadway Elementary School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Bush Elementary School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Caney Creek High School: Top-dress, aerate, fertilize and patch sod at three (3) main practice fields.	PC03	86,250.00
Cox Intermediate School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Cryar Intermediate School: Replace existing hydronic heating boiler with new hybrid boiler system.	PC03	86,250.00
Cryar Intermediate School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Deretchin Elementary School (K-6): Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Ford Elementary School: Provide required approach clearances at doors 1A, 1B, 1C, 1D, 1E, 3A, 3B, 3C, 3D, 4A, 4B, Corridor 403.	PC03	86,250.00
Glen Loch Elementary School: Provide required approach clearances at doors at 1A, 1B, 1C, 2A, 2B, 2C, 3A, 3B, 3C, 4A, 4B, 4C, Stage access.	PC03	86,250.00
Oak Ridge High School: Remove classroom technology panels.	PC02	53,906.25
Grangerland Intermediate School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Kaufman Elementary School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Milam Elementary School: Provide local classroom audio system.	PC03	86,250.00
Moorhead Stadium: Areas located under bleachers are not sprinkled (concession, storage, restrooms, etc.) Note: pressbox is sprinkled.	PC03	86,250.00
Oak Ridge High School: Replace existing metal roof system.	PC02	242,937.50
Moorhead Stadium: Provide air conditioning at ticket booths (home and visitor sides).	PC03	86,250.00
Oak Ridge High School 9th Grade Campus: Upgrade exterior wall packs to LED.	PC03	86,250.00
Oak Ridge High School: Provide new ADA compliant room graphics and way finding signage throughout facility to match front lobby.	PC03	86,250.00
The Woodlands Transportation Center: Reconfigure Mens' Locker to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection and accessible shower.	PC03	86,250.00
Tough Elementary School (K-6): Provide local classroom audio system.	PC03	86,250.00
Tough Elementary School (K-6): Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Vogel Intermediate School: Provide local classroom audio system.	PC03	86,250.00
Vogel Intermediate School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Walter P. Jett Continuing Education Center: Upgrade gym lighting with T5 or LED fixtures, including control.	PC03	86,250.00
Washington Junior High School: Provide required approach clearances at doors at 100B Custodial, 200B Custodial, toilets at 400B, Men and Women toilets at corridor adjacent to stage, toilet in 104A, toilet in 104B, toilet in 107, toilet in 109, toilet at coaches office	PC03	86,250.00
Wilkinson Elementary School: Upgrade gym lighting with T8 or LED fixtures including control.	PC03	86,250.00
Oak Ridge High School: Replace Plexiglas glazing at storefront door/ window system near Boys' C-119; and four (4) Plexiglas panels at cafeteria storefront and door/window storefront system.	PC02	6,468.75
Oak Ridge High School: Safety and Security upgrades	PC02	300,000.00
Oak Ridge High School: Softball Turf Conversion	PC02	1,000,000.00
York Junior High School: Provide local classroom audio system.	PC03	86,250.00
Ford Elementary School: Replace stained or damaged carpet at 106, 112, 203, 205, 206, 207, 211, 215, 302, 307, Library, Stage ramp, 302, 403, 404.	PC03	87,328.13
Ford Elementary School: no place to wash and store dishes	PC03	87,500.00
Moorhead Junior High School: Structural Coat / restripe track	PC03	87,500.00
Oak Ridge High School: structural coat / restripe track	PC03	87,500.00
Oak Ridge High School: Sports Lighting	PC02	550,000.00
Oak Ridge High School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
The Woodlands High School: Refurbish rusted lockers in football field house junior varsity locker room.	PC03	87,687.50
Walter P. Jett Continuing Education Center: Provide new gypsum board wall furring around perimeter of all classrooms to allow for new electrical outlets to be placed inside the walls in lieu of exposed wire mold (28 classrooms).	PC03	89,556.25
Birnham Woods Elementary School: Replace sports court gym flooring per district standards.	PC03	89,843.75
Kaufman Elementary School: Replace sports court gym flooring per district standards.	PC03	89,843.75
Ride Elementary: DAS Repeater System and BDA First Responder	PC03	90,000.00
Oak Ridge Maintenance: Install 24/7 exhaust in IDF (5'x6').	PC02	21,562.50
York Junior High School: replace lighting in gym. per gym	PC03	90,000.00
Oak Ridge Maintenance: Upgrade all interior lighting in Maintenance Warehouse with LED (209+/- fixtures).	PC03	90,562.50
Runyan Elementary School: Replace light poles with LED.	PC03	90,562.50
Cox Intermediate School: Renovate existing restroom and laundry room in life skills 205 per district standards.	PC03	91,640.63
Grangerland Intermediate School: Renovate laundry room and restroom in life skills area per district standards.	PC03	91,640.63
Kaufman Elementary School: Renovate laundry room and shower restroom in life skills area per district standards.	PC03	91,640.63
David Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Provide grab bars and proper clearance between water closet	PC03	92,000.00
Giesinger Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Provide grab bars and proper clearance between water closet	PC03	92,000.00
Washington Junior High School: Reconfigure toilets to comply with current ADA requirements. Renovate so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Provide grab bars and proper clearance between water closet	PC03	92,000.00
Wilkerson Intermediate School: Provide accessible toilet, lavatory, faucet, or sink at Clinic and Art.	PC03	92,000.00
Conroe High School: Remove old TV, associated support brackets and cabling throughout the facility.	PC03	93,437.50
Oak Ridge Transportation Center: Cameras	PC02	18,000.00
Oak Ridge Transportation Center: Change manual transfer switch to automatic transfer switch at fuel storage.	PC02	17,968.75

Oak Ridge Transportation Center: generators upgrade	PC02	120,000.00
Oak Ridge Transportation Center: Install 24/7 air conditioning to MDF.	PC02	21,562.50
Walter P. Jett Continuing Education Center: Replace all exhaust fan equipment in building.	PC03	93,437.50
Caney Creek High School: Expand varsity football locker room	PC03	93,750.00
Glen Loch Elementary: DAS Repeater System and BDA First Responder	PC03	96,000.00
Hailey Elementary: DAS Repeater System and BDA First Responder	PC03	96,000.00
Anderson Elementary School: Provide classroom local sound system.	PC03	97,031.25
Armstrong Elementary School: Provide classroom local sound system.	PC03	97,031.25
Austin Elementary School: Provide classroom local sound system.	PC03	97,031.25
Oak Ridge Transportation Center: Saw cut slab in (3) locations to install power under floor in bus operations.	PC02	21,562.50
Birnham Woods Elementary School: Provide classroom local sound system.	PC03	97,031.25
Oak Ridge Transportation Center: Underground detention	PC02	2,750,000.00
Collins Intermediate School: Repair and repaint hollow metal door frame, vision lite frame, or door throughout facility.	PC03	97,031.25
Creighton Elementary School: Provide classroom local sound system.	PC03	97,031.25
Creighton Elementary School: Provide district standard 5'-0" high marker board throughout the facility.	PC03	97,031.25
David Elementary School: Provide classroom local sound system.	PC03	97,031.25
Ford Elementary School: Provide classroom local sound system.	PC03	97,031.25
Galatas Elementary School: Provide classroom local sound system.	PC03	97,031.25
Patterson Elementary School: LED stage lighting	PC02	
Patterson Elementary School: Stage Curtains - fire proofing	PC02	
Patterson Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Giesinger Elementary School: Provide classroom local sound system.	PC03	97,031.25
Glen Loch Elementary School: Provide classroom local sound system.	PC03	97,031.25
Hailey Elementary School: Provide classroom local sound system.	PC03	97,031.25
Hauke Academic Alternative High School: Provide classroom local sound system.	PC03	97,031.25
Houser Elementary School: Provide classroom local sound system.	PC03	97,031.25
Houston Elementary School: Provide classroom local sound system.	PC03	97,031.25
Knox Junior High School: Repair and repaint hollow metal door frame, vision lite frame, or doors throughout facility and Knox Field House.	PC03	97,031.25
Lamar Elementary School: Provide classroom local sound system.	PC03	97,031.25
Oak Ridge Elementary School: Provide classroom local sound system.	PC03	97,031.25
Powell Elementary School: Provide classroom local sound system.	PC03	97,031.25
Reaves Elementary School: Provide classroom local sound system.	PC03	97,031.25
Rice Elementary School: Provide classroom local sound system.	PC03	97,031.25
Rice Elementary School: Provide district standard 5'-0" high marker board at all classroom spaces.	PC03	97,031.25
Ride Elementary School: Provide classroom local sound system.	PC03	97,031.25
Runyan Elementary School: Provide classroom local sound system.	PC03	97,031.25
San Jacinto Elementary School: Provide classroom local sound system.	PC03	97,031.25
Wilkinson Elementary School: Provide local classroom audio system.	PC03	97,031.25
Portable Buildings: Provide ADA accessibility improvements at all portable buildings district-wide (ramps, door hardware, etc.).	PC02	2,770,062.50
Portable Buildings: Provide district standard 4'-0" high marker board and tack board upgrades at all portable buildings district wide.	PC02	2,026,875.00
Portable Buildings: Provide exterior envelope upgrades at all portable buildings district wide (roof, siding, etc.)	PC02	5,405,000.00
Portable Buildings: Provide finish upgrades at all portable buildings district-wide (flooring, painting, etc.).	PC02	2,026,875.00
Portable Buildings: Provide HVAC upgrades at all portable buildings district-wide (HVAC units, controls, etc.).	PC02	2,702,500.00
Portable Buildings: Provide lighting upgrades at all portable buildings district wide.	PC02	945,875.00
Walter P. Jett Continuing Education Center: Replace all handrails at stairs to be ADA compliant.	PC03	97,246.88
San Jacinto Elementary: DAS Repeater System and BDA First Responder	PC03	97,500.00
Collins Intermediate School: Replace all exterior light poles with LED lights.	PC03	97,750.00
North Maintenance & Warehouse Complex: Replace galvanized domestic water piping throughout.	PC03	97,750.00
Buckalew Elementary School: serving line needs to be reworked	PC03	100,000.00
Powell Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Caney Creek High School: Meats lab does not meet standard, update to current standards	PC03	100,000.00
Collins Intermediate High School: hardware - no ADA deadbolt	PC03	100,000.00
Collins Intermediate School: pumping grease traps added as a general item	PC03	100,000.00
Glen Loch Elementary School: small restrooms could be combined	PC03	100,000.00
Powell Elementary School: Install ceiling projectors in 602, 605 and LGI.	PC02	10,781.25
McCullough Junior High School: Replace elevator	PC03	100,000.00
Oak Ridge High School 9th Grade Campus: aviation program	PC03	100,000.00
San Jacinto Elementary School: serving lines need to be enlarged and revised. Has limited expansion	PC03	100,000.00
The Woodlands College Park: ALC style modules need to be updated (building controls upgrade) changing whole cabinet	PC03	100,000.00
York Junior High School: Rubber removal and replace	PC03	100,000.00
Bush Elementary School: Replace existing natural gas generator and transfer switch.	PC03	100,625.00

Powell Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Powell Elementary School: Provide miscellaneous repairs at walls.	PC02	35,937.50
Powell Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Caney Creek High School: Provide new CMU dugouts to match softball.	PC03	100,625.00
Discipline Alternative Education Program (DAEP): Install control joints in gypsum board partitions at 20' on center and/or above door and window openings to reduce the quantity of cracked gypsum board walls.	PC03	100,625.00
Powell Elementary School: Repair miscellaneous pipe and duct insulation in Central Plant.	PC02	50,312.50
Hailey Elementary School: Provide required approach clearances at doors K Corridor, K11, K12, 303, 304, 403, 404, 503, 504, 603,604, Stage access (2).	PC03	100,625.00
Hauke Academic Alternative High School: Replace hot and cold unit serving counters.	PC03	100,625.00
McCullough Junior High School: Replace boiler on second floor.	PC03	100,625.00
Moorhead Stadium: Construct restroom addition to existing pressbox (home side).	PC03	100,625.00
Oak Ridge High School: Renovate restroom and shower area at room D-100 and G-105-B per ADA standards.	PC03	100,625.00
Powell Elementary School: Repair and repaint hollow metal door frame, vision lite frame, or door throughout facility.	PC03	100,625.00
Reaves Elementary School: Replace old casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink at Y304, P409, G209, B119.	PC03	100,625.00
Ride Elementary School: Provide required approach clearances at doors at 1A, 1B, 2A, 2B, 3A, 3B, 4A, 4B, A-4 toilet, (2) Stage Access, 307, 407, 107, 207.	PC03	100,625.00
Powell Elementary School: Stage Curtains - fire proofing	PC02	
The Woodlands High School: Provide d/x HVAC unit for Administration area.	PC03	100,625.00
The Woodlands High School: Upgrade electrical distribution for HVAC upgrades / equipment.	PC03	100,625.00
Wilkerson Intermediate School: Provide perimeter fencing.	PC03	100,625.00
Caney Creek High School: wood dance floor - 4,500 mirrors and bars - match Grand Oaks HS	PC03	102,000.00
Hauke Academic Alternative High School: wood dance floor - 4,500 mirrors and bars - match Grand Oaks HS (Verify)	PC03	102,000.00
Powell Elementary School: Stage Curtains - safety, rigging & tracks	PC02	
Knox Junior High School: wood dance floor - 1,200sqft and 4,500 mirrors and bars - match Grand Oaks HS	PC03	102,000.00
The Woodlands College Park High School: wood dance floor - 1,200sq ft and 4,500 mirrors and bars - match Grand Oaks HS	PC03	102,000.00
David Elementary: DAS Repeater System and BDA First Responder	PC03	102,225.00
Geisinger Elementary: DAS Repeater System and BDA First Responder	PC03	102,225.00
Powell Elementary School: Renovate/reconfigure Kitchen. Restrooms does not meet ADA requirements, dry storage space deficient by 73 square feet.	PC03	102,421.88
Oak Ridge High School: Resurface tennis courts.	PC03	103,500.00
Giesinger Elementary School: Prepare and repaint hollow metal door frame, vision lite frame, or door throughout the facility.	PC03	104,218.75
Conroe High School 9th Grade Campus: Replace high jump pad.	PC03	106,375.00
Bozman Intermediate School: Provide LED parking lot lighting.	PC03	107,812.50
Buckalew Elementary School: Provide d/x HVAC for administration area.	PC03	107,812.50
Bush Elementary School: Upgrade/replace existing main electrical switchgear in central plant.	PC03	107,812.50
CISD Natatorium: Replace in-ground light fixtures on south end of stadium with new fixtures.	PC03	107,812.50
Cox Intermediate School: Install parking lot LED light fixtures.	PC03	107,812.50
Cryar Intermediate School: Provide LED parking lot lighting.	PC03	107,812.50
Powell Elementary School: Upgrade DDC controls throughout the building.	PC02	595,125.00
Deane L. Sadler Administration & Technology Center: Provide additional constant volume boxes in area B for better zone control.	PC03	107,812.50
Powell Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Deretchin Elementary School (K-6): Provide variable speed drives on chilled water pumps.	PC03	107,812.50
Galatas Elementary School: Provide district standard 5'-0" high marker board at all classrooms.	PC03	107,812.50
Grangerland Intermediate School: Install LED parking lot lighting.	PC03	107,812.50
Reaves Elementary School: back walkway area where they deliver is raised and is an issue (poor access)	PC02	150,000.00
Reaves Elementary School: serving lines need a refresh	PC02	100,000.00
Reaves Elementary School: serving lines need to be enlarged	PC02	105,000.00
Reaves Elementary School: Clean basketball court inlets.	PC02	2,156.25
Reaves Elementary School: Install floor drain at Custodial A124 and A126. High use creates ponding water on the floor. Replace rusted door frames at these locations.	PC02	25,156.25
Hauke Academic Alternative High School: Provide required approach clearances at doors to Mens' A124A and Womens' A124B at Auditorium, third floor toilet, Office A203, Toilet A203A, Office A204, toilet A204A, Boys' toilet A208, Storage A225, Girls' A223, Sto	PC03	107,812.50
Reaves Elementary School: Provide district standard cable management at A-3, G205.	PC02	14,375.00
McCullough Junior High School: Provide new 5' white dry marker boards throughout facility (approx. 45 classrooms).	PC03	107,812.50
Moorhead Stadium: Install LED lighting wall pack fixtures around perimeter of building.	PC03	107,812.50
Moorhead Stadium: Provide new toilet exhaust for restroom buildings.	PC03	107,812.50
Moorhead Stadium: Replace concrete stairs at end of bleachers (both sides) to ensure proper riser/tread dimensions.	PC03	107,812.50
Oak Ridge High School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	107,812.50
Oak Ridge High School: Replace all existing domestic water heaters.	PC03	107,812.50
Oak Ridge High School: Replace chilled and hot water piping at all air handling units (AHU's) from valve to coil connection in all mechanical rooms.	PC03	107,812.50
The Woodlands High School 9th Grade Campus: Install floor drains below all emergency shower drains in science labs.	PC03	107,812.50
The Woodlands High School: Install LED lighting wall pack fixtures around perimeter of building.	PC03	107,812.50
The Woodlands High School: Provide permanent HVAC and humidity control to armory in ROTC area.	PC03	107,812.50
Reaves Elementary School: Provide district standard projector at Music, PK105.	PC02	7,187.50
Walter P. Jett Continuing Education Center: Provide new HVAC unit in gym building.	PC03	107,812.50
Washington Junior High School: Provide ADA compliant accessible showers with benches at all shower locations. Renovate so that water will not drain across adjacent shower locations to comply with code.	PC03	107,812.50

Wilkerson Intermediate School: Provide district standard 5'-0" high marker board at classrooms throughout facility.	PC03	107,812.50
Galatas Elementary: DAS Repeater System and BDA First Responder	PC03	108,705.00
Lamar Elementary School: Repair or replace damaged laminate on doors throughout the facility.	PC03	109,250.00
Oak Ridge High School: house lighting	PC03	110,000.00
Oak Ridge Maintenance: Replace ceiling and grid in office for fire sprinkler scope of work.	PC03	111,585.94
Runyan Elementary: DAS Repeater System and BDA First Responder	PC03	112,965.00
Reaves Elementary School: Replace ceiling tile and grid as needed for Plumbing scope of work.	PC02	259,944.65
Reaves Elementary School: Replace galvanized domestic water piping with type 'L' copper.	PC02	442,750.00
Houston Elementary School: Provide district standard 5'-0" high marker board at all Classrooms. Remove existing boards and repair surfaces.	PC03	114,281.25
Anderson Elementary School: Replace Sellers boiler with new.	PC03	115,000.00
Caney Creek High School: Reconfigure toilets to comply with current ADA requirements. Renovate to have proper turn around and required distance between water closet with grab bars and accessible lavatory and faucet with pipe protection at toilets at 3308, t	PC03	115,000.00
Creighton Elementary School: Provide required approach clearances at doors at Clinic toilet, Office Custodial, Office Corridor 400 exterior door, (4) stage access stairs, 304 Girls', 302 Girls', 504 Girls', 604 Girls', Corridor 300, Staff Corridor, 200 Custodial, Corridor 5	PC03	115,000.00
Creighton Elementary School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at 709 Staff, 504/505 Staff, 304/303 Staff, principals toilet, clinic toile	PC03	115,000.00
Ford Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at A-1 Prin, 1D, 4C, 4D, 3D .	PC03	115,000.00
Galatas Elementary School: Provide required approach clearances at doors 10 Boys', 10 Girls', 20 Boys', 20 Girls', 30 Boys', 30 Girls', 40 Boys', 40 Girls', Stage access, GI 1, LGI 2, Servery, Art.	PC03	115,000.00
Giesinger Elementary School: Provide required approach clearances at doors A-2A, A-1A , A-7, 3, , 308, 408, 108, 208, 100/200 Corridor Staff, 300/400 corridor staff, 4, 704, 705, Office Corridor, 500 corridor, 703, 706.	PC03	115,000.00
Hailey Elementary School: Renovate toilets to meet current ADA requirements with proper clearance between toilet with grab bars and lavatory with pipe protection at 200 Boys',200 Girls',603,503,713.	PC03	115,000.00
Houser Elementary School: Renovate toilets to meet current ADA requirements with proper clearance between toilet with grab bars and lavatory with pipe protection at A-1A,9A,9B,5C,6C.	PC03	115,000.00
Houston Elementary School: Repair and repaint hollow metal door frames, vision lite frame, or doors throughout the building.	PC03	115,000.00
Reaves Elementary School: Replace grease trap at Kitchen.	PC02	28,750.00
Oak Ridge High School: Remove all lay-in ceilings in various student restrooms throughout facility and replace with hard ceiling per CISD standards.	PC03	115,000.00
Reaves Elementary School: Reseal and re-stripe west asphalt lot.	PC02	21,562.50
Reaves Elementary School: Stage Curtains - fire proofing	PC02	
Reaves Elementary School: Provide required Approach Clearances at doors G210, P410, Y310, A123, A126, and (4) Stage.	PC03	115,000.00
Rice Elementary School: Provide required approach clearances at doors 04, 06, 1A, 1B, 2A, 2C, 4A, 4B, Kindergarten Girls' and Boys', Stage access, A-1 Toilet, 209, 3C, 1C, 0C.	PC03	115,000.00
Anderson Elementary: DAS Repeater System and BDA First Responder	PC03	115,500.00
Reaves Elementary School: Stage Curtains - safety, rigging & Tracks	PC02	
Bush Elementary: DAS Repeater System and BDA First Responder	PC03	115,500.00
Powell Elementary: DAS Repeater System and BDA First Responder	PC03	115,500.00
Cox Intermediate School: Provide new marker boards in all classrooms (5' H; 54 classrooms).	PC03	116,437.50
Grangerland Intermediate School: Provide new marker boards in all classrooms (5' H; 54 classrooms).	PC03	116,437.50
Wilkerson Intermediate School: Repair or replace damaged laminate on door throughout facility.	PC03	116,437.50
Bozman Intermediate School: Replace sports court gym flooring per district standards.	PC03	116,796.88
Collins Intermediate School: Replace existing flooring with current district standard flooring at Cafeteria.	PC03	116,796.88
Cox Intermediate School: Replace sports court gym flooring per district standards.	PC03	116,796.88
Grangerland Intermediate School: Replace sports court gym flooring per district standards.	PC03	116,796.88
Rice Elementary School: Clean entire storm sewer system.	PC02	7,187.50
Rice Elementary: DAS Repeater System and BDA First Responder	PC03	117,012.00
Rice Elementary School: Cover above ceiling PVC storm drains with fireproofing.	PC02	265,937.50
Oak Ridge Elementary: DAS Repeater System and BDA First Responder	PC03	117,988.50
Travis Intermediate School: Provide District Standard 5'-0" High Marker board at 302, 303, 309, 310, 311, 316, 315, 317, 318, 407, 408, 409, 410, 412, 413 400, 403, 118, 119, 204, 205, 206, 207, 200, 210, 211, 212, 213, 214, 215, 216, 217, 218, 606, 607, 608, 609	PC03	118,593.75
Rice Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Powell Elementary School: Upgrade mechanical boiler. Replace with high efficiency heater.	PC03	119,851.56
McCullough Junior High School: Reseal north asphalt lot.	PC03	119,888.94
Collins Interm.: DAS Repeater System and BDA First Responder	PC03	120,000.00
Houston Elementary School: add a life skills program	PC03	120,000.00
Irons Junior High School: Resurface tennis courts	PC03	120,000.00
Rice Elementary School: Install shunt trip breakers for electric equipment under range hood.	PC01	21,562.50
Lamar Elementary School: survey is needed to see if improvements should be made - for possible addition	PC03	120,000.00
Rice Elementary School: Life Skills overhaul including a new restroom	PC03	120,000.00
Ride Elementary: Fire Alarm Voice Evac System Upgrade	PC03	120,000.00
Rice Elementary School: needs storage.	PC02	52,500.00
Rice Elementary School: Repair/replace old 2x4 ceiling tile and grid with district standard 2x2 ceiling tile and grid throughout facility for MEP scope of work.	PC02	280,341.25
Rice Elementary School: Replace (4) old electrical panels.	PC02	35,937.50
San Jacinto Elementary School: Life Skills overhaul and add restroom	PC03	120,000.00
The Woodlands College Park High School: Deep sinks in the art rooms	PC03	120,000.00
The Woodlands Transportation Center: interior floor in the shop needs to be re-leveled and sloped to drain	PC03	120,000.00
The Woodlands Transportation Center: rework entry gates and curb cuts at the North-east side by dumpsters	PC03	120,000.00
Wilkerson Intermediate School: survey is needed	PC03	120,000.00
Hauke Academic Alternative H.S.: DAS Repeater System and BDA First Responder	PC03	121,308.00
Ford Elementary: DAS Repeater System and BDA First Responder	PC03	121,500.00

Anderson Elementary School: Re-insulate ductwork and control valve at the air handling units in Central Plant.	PC03	122,187.50
Galatas Elementary School: Upgrade emergency generator.	PC03	122,187.50
Hailey Elementary School: Replace light poles with LED and improve lighting at the back bus ramp.	PC03	122,187.50
Houston Elementary School: Upgrade existing parking lot fixtures to LED.	PC03	122,187.50
Powell Elementary School: Replace emergency generator.	PC03	122,187.50
Moorhead Junior High School: Provide District standard 5'-0" high marker board at 101, 102, 104, 106, 107, 109, 110, 108, 111, 112, 113, 114, 115, 116, 117, 118, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 302, 303, 304, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000	PC03	122,906.25
San Jacinto Elementary School: Monument Sign Replacement	PC03	125,000.00
Oak Ridge High School 9th Grade Campus: cyber security lab	PC03	125,000.00
Oak Ridge High School 9th Grade Campus: electrical program - dual credit	PC03	125,000.00
Oak Ridge High School 9th Grade Campus: healthcare program	PC03	125,000.00
Oak Ridge High School: law enforcement	PC03	125,000.00
The Woodlands High School 9th Grade Campus: feeder for cyber security, computer upgrades	PC03	125,000.00
Rice Elementary School: Replace HVAC system throughout the building to provide individual room control.	PC02	3,593,750.00
Rice Elementary School: sheetrock walls are getting wet - more durable material needed.	PC02	6,500.00
McCullough Junior High School: Provide perimeter fence with double gates (review fence layout with maintenance).	PC03	125,781.25
Glen Loch Elementary: Fire Alarm Voice Evac System Upgrade	PC03	128,000.00
Rice Elementary School: Stage Curtains - fire proofing	PC02	
Hailey Elementary: Fire Alarm Voice Evac System Upgrade	PC03	128,000.00
Lamar Elementary: DAS Repeater System and BDA First Responder	PC03	128,217.00
Buckalew Elementary: DAS Repeater System and BDA First Responder	PC03	129,000.00
Birnham Woods Elementary School: Provide new marker boards in all classrooms (5' H; 60 classrooms).	PC03	129,375.00
Bozman Intermediate School: Provide local classroom audio system.	PC03	129,375.00
Bozman Intermediate School: Provide new marker boards in all classrooms (5' H; 60 classrooms).	PC03	129,375.00
Broadway Elementary School: Provide local classroom audio system.	PC03	129,375.00
Rice Elementary School: Stage Curtains - safety, rigging & tracks	PC02	
Buckalew Elementary School: Provide local classroom audio system.	PC03	129,375.00
Bush Elementary School: Provide local classroom audio system.	PC03	129,375.00
Caney Creek High School: Provide new discus with cage.	PC03	129,375.00
Collins Intermediate School: Provide classroom local sound system.	PC03	129,375.00
Cox Intermediate School: Provide local classroom audio system.	PC03	129,375.00
Cryar Intermediate School: Provide local classroom audio system.	PC03	129,375.00
Deretchin Elementary School (K-6): Install local classroom audio system.	PC03	129,375.00
Grangerland Intermediate School: Provide local sound system for classrooms.	PC03	129,375.00
Ride Elementary School: generator needs to be replaced	PC02	150,000.00
Ride Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Ride Elementary School: Install air conditioning (A/C) in small Office A-3.	PC02	2,156.25
Ride Elementary School: Install projector in Library.	PC02	3,593.75
Irons Junior High School: Provide local classroom audio system.	PC03	129,375.00
Kaufman Elementary School: Provide local classroom audio system.	PC03	129,375.00
Ride Elementary School: need to add 110 receptacle for personal lift	PC02	2,000.00
Kaufman Elementary School: Provide new marker boards in all classrooms (5' H; 60 classrooms).	PC03	129,375.00
Knox Junior High School: Provide classroom local sound system.	PC03	129,375.00
Ride Elementary School: Provide HVAC drop in fire riser room. Place under building controls with 55 degree outside temperature setting.	PC02	7,187.50
Lamar Elementary School: Install ADA compliant hardware throughout the original facility.	PC03	129,375.00
Mitchell Intermediate School: Provide local classroom audio system.	PC03	129,375.00
Ride Elementary School: Provide shunt trip breakers and GFCI receptacles in Kitchen.	PC02	21,562.50
Moorhead Junior High School: Provide classroom local sound system.	PC03	129,375.00
Oak Ridge High School 9th Grade Campus: Replace electrical main switchgear.	PC03	129,375.00
Travis Intermediate School: Provide classroom local sound system.	PC03	129,375.00
Ride Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Vogel Intermediate School: Install VFD on outside air handling units.	PC03	129,375.00
Ride Elementary School: Replace (9) front canopy light fixtures.	PC02	10,350.00
Washington Junior High School: Provide accessible lavatory, faucet, or sink at 104B, L2, 315, 314, 314A, 313, S1, 607, FE-8, 300, 304, 306, 309, 307, 305, 303, 304A, 307A.	PC03	129,375.00
Washington Junior High School: Provide classroom local sound system.	PC03	129,375.00
Wilkerson Intermediate School: Provide classroom local sound system.	PC03	129,375.00
Wilkinson Elementary School: Provide new marker boards in all classrooms (5' H; 54 classrooms).	PC03	129,375.00
San Jacinto Elementary: Fire Alarm Voice Evac System Upgrade	PC03	130,000.00
Wilkerson Intermediate: DAS Repeater System and BDA First Responder	PC03	130,326.00
Reaves Elementary: DAS Repeater System and BDA First Responder	PC03	131,037.00
Ride Elementary School: Replace air handling equipment throughout.	PC02	2,803,125.00
Houser Elementary: DAS Repeater System and BDA First Responder	PC03	134,100.00

Caney Creek High School: Reconfigure room to have proper ADA compliant accessible shower at Boys' athletics.	PC03	134,765.63
Oak Ridge High School: Replace second floor guard rails to be ADA compliant.	PC03	134,765.63
Wilkinson Elementary School: Replace sports court gym flooring per district standards.	PC03	134,765.63
Caney Creek High School: Resurface Tennis Courts	PC03	135,000.00
Ride Elementary School: Replace existing skylights.	PC02	150,937.50
Ride Elementary School: Stage Curtains - fire proofing	PC02	
Walter P. Jett Continuing Education Center: Repaint all lockers.	PC03	135,592.19
Washington Junior High School: Replace existing single ply roof system.	PC03	135,987.50
David Elementary: Fire Alarm Voice Evac System Upgrade	PC03	136,300.00
Geisinger Elementary: Fire Alarm Voice Evac System Upgrade	PC03	136,300.00
Ride Elementary School: Stage Curtains - safety, rigging & tracks	PC02	
Armstrong Elementary School: Install lighting controls.	PC03	136,562.50
Ride Elementary School: Replace pole lighting with LED.	PC03	136,562.50
Caney Creek High School: Provide new 20'x40' storage building at practice fields.	PC03	138,000.00
Collins Intermediate School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Clinic toilet, Principal toilet, 600 Staff, 500 Staff, Music Men, Music Women, kitchen toilet.	PC03	138,000.00
Conroe High School: Resurface tennis courts.	PC03	138,000.00
Galatas Elementary School: Reconfigure Kindergarten toilets for current ADA configurations and add lavatory within room for code compliance at K01, K02, K03, K04, K05, K06.	PC03	138,000.00
Giesinger Elementary School: Renovate toilets to meet Current ADA Requirements with proper clearance at Toilet and Sink at 5A, 5B, A-1A, A-2A , 100/200 Corridor Staff, 300/400 corridor staff.	PC03	138,000.00
Powell Elementary School: Reconfigure Kindergarten toilets for current ADA configurations and add lavatory within room for code compliance at 001, 002, 003, 004, 005, and 006.	PC03	138,000.00
Oak Ridge Elementary School: Replace all doors with current district standard doors throughout original portion of building.	PC03	140,156.25
Oak Ridge High School: Replace lockers in room G-108, G-108-A and G-108-B; replace lockers in A-Hall to match existing lockers in other areas of building.	PC03	140,831.88
Ride Elementary School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Creighton Elementary: DAS Repeater System and BDA First Responder	PC03	142,500.00
Buckalew Elementary School: Replace existing hydronic heating boiler with new hybrid boiler system.	PC03	143,750.00
Runyan Elementary School: needs a managers office	PC02	52,500.00
Runyan Elementary School: serving lines need to be enlarged and revised	PC02	100,000.00
Runyan Elementary School: Add inlet on north side.	PC02	2,156.25
Runyan Elementary School: Add proper combustion air through wall for Boiler Room.	PC02	14,375.00
David Elementary School: Expand cold storage.	PC03	143,750.00
Runyan Elementary School: Install 24/7 air conditioning in MDF.	PC02	21,562.50
Runyan Elementary School: Install chilled water system to replace 600 Wing has (6) residential. Replace split systems.	PC02	241,500.00
Deane L. Sadler Administration & Technology Center: Provide variable speed drives on all air handling units (AHU's).	PC03	143,750.00
Deretchin Elementary School (K-6): Replace existing hydronic heating boiler with new hybrid boiler system.	PC03	143,750.00
Runyan Elementary School: Install exit signs in Kitchen and in Music Room.	PC01	6,900.00
Runyan Elementary School: Install fire sprinkler system at original portions of school.	PC02	206,640.63
Irons Junior High School: Install LED parking lot lighting.	PC03	143,750.00
Runyan Elementary School: needs greater SF but has limited expansion space	PC02	1,500,000.00
Runyan Elementary School: Provide additional electrical capacity at classrooms. It was reported service may be insufficient and that classrooms typically trip circuits.	PC02	178,250.00
Lamar Elementary School: Upgrade all exterior lighting to LED.	PC03	143,750.00
Mitchell Intermediate School: Replace hydronic heating boilers and pumps.	PC03	143,750.00
Runyan Elementary School: Provide air conditioning in restrooms from adjacent system.	PC02	25,875.00
Moorhead Stadium: Provide new LED light fixtures around concourse area of stadium.	PC03	143,750.00
Runyan Elementary School: Provide required approach clearances at exterior door at Kitchen.	PC02	7,187.50
Runyan Elementary School: Provide shunt trip breakers for Kitchen equipment under hoods.	PC01	21,562.50
Oak Ridge High School: Replace main electrical switchgear.	PC03	143,750.00
Peet Junior High School: Upgrade parking lot lighting to LED.	PC03	143,750.00
Runyan Elementary School: Reconfigure Kitchen toilet, custodial and storage area to meet requirements of code. Current configuration has toilet exit to custodial then through storage.	PC02	93,078.13
Runyan Elementary School: Remove (2) old handsets in Library.	PC02	1,293.75
Runyan Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Runyan Elementary School: Remove residential style DX units at Kindergarten addition and provide new four (4) pipe system AHU, ductwork and VAV.	PC02	8,629.31
Runyan Elementary School: Renovate and expand kitchen and servery. Expand back of house into parking lot.	PC02	1,317,468.75
Powell Elementary School: Replace all restroom exhaust fans to roof type.	PC03	143,750.00
Runyan Elementary School: Repair or reconstruct concrete foundation and stair seating at the courtyard adjacent to 304. The concrete is severely chipped and reinforcing is exposed.	PC02	14,375.00
Runyan Elementary School: Replace existing receptacles in restrooms with GFCI.	PC02	3,593.75
Runyan Elementary School: Replace Kitchen air handling unit.	PC02	28,750.00
Runyan Elementary School: Replace mechanical boiler with hybrid system.	PC02	83,375.00
Runyan Elementary School: Replace older electrical panels in Central Plant and old part of school.	PC02	64,687.50
The Woodlands High School 9th Grade Campus: Replace domestic and hydronic boilers and related pumps.	PC03	143,750.00
Runyan Elementary School: Stage Curtains - fire Proofing	PC02	
The Woodlands High School 9th Grade Campus: Upgrade parking lot lighting to LED.	PC03	143,750.00
The Woodlands High School: Provide d/x HVAC unit for Weight Room.	PC03	143,750.00

The Woodlands High School: Provide four (4) new pits for track and field events.	PC03	143,750.00
Runyan Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Runyan Elementary School: Upsize the domestic water line serving the new wing to provide proper capacity.	PC02	97,750.00
Runyan Elementary School: DAS Repeater and BDA First Responder	PC02	
Runyan Elementary School: Needs gym to allow more efficient use of cafeteria	PC02	3,200,000.00
The Woodlands High School: Replace domestic water heaters throughout.	PC03	143,750.00
Travis Intermediate School: Correct sloping stair treads to be level at Stairs adjacent to 219.	PC03	143,750.00
San Jacinto Elementary School: Install or up-grade 24/7 air conditioning in MDF (room is hot).	PC02	21,562.50
Vogel Intermediate School: Replace existing hydronic heating boiler with new hybrid boiler system.	PC03	143,750.00
Walter P. Jett Continuing Education Center: Upgrade existing auditorium and stage lighting.	PC03	143,750.00
Walter P. Jett Continuing Education Center: Repaint all interior and exterior previously painted surfaces (including second floor exterior walkway, all exterior wooden doors and hollow metal frames).	PC03	144,479.53
San Jacinto Elementary School: Deep sinks in the art rooms	PC02	15,000.00
Conroe High School: Replace fencing around tennis courts.	PC03	144,828.13
Galatas Elementary: Fire Alarm Voice Evac System Upgrade	PC03	144,940.00
Ride Elementary School: Expand cold storage.	PC03	145,015.00
San Jacinto Elementary School: Install lighting controls in older portion of building.	PC02	238,625.00
Bush Elementary School: Paint all interior and exterior previously painted surfaces including tectum wall panels at room 606 (600 sf); door frames at north door in art room 604, at kitchen (35 doors) and room 606; and door lite frames at east main corridor. Repa	PC03	145,546.88
Runyan Elementary School: Replace the kindergarten corridor slab as it is uneven and out of level.	PC03	145,546.88
Ag Barn - Otwell: add additional secure storage	PC03	147,000.00
Armstrong Elementary: DAS Repeater System and BDA First Responder	PC03	148,719.00
Glen Loch Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at 6A,6B,6C and 6D.	PC03	149,500.00
Oak Ridge High School 9th Grade Campus: Cover Welding Lab Outdoor area	PC03	150,000.00
San Jacinto Elementary School: Provide District Standard Projector at 106, 110, 111, 112, 120, 121, 122, 123, 125, 130, 131, 132, 133, 142, 145, 146, 147, 148, 149, 154, 155, 156, 157, 158, 159, 161, 162, 163, 164, 165, 166, 167, 208, 211, 220, 221, 223, 230, 231,	PC02	165,312.50
San Jacinto Elementary School: Provide miscellaneous roof repairs.	PC02	14,375.00
Washington Junior High School: ADA issues in Band Hall (ramp remodel design)	PC03	150,000.00
Washington Junior High School: PVC pipe exposed	PC03	150,000.00
San Jacinto Elementary School: Reinstall data in food serving line above ceiling.	PC02	1,437.50
Runyan Elementary: Fire Alarm Voice Evac System Upgrade	PC03	150,620.00
San Jacinto Elementary School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	28,750.00
Anderson Elementary School: Provide required approach clearances at doors at 30 Corridor Boys', 30 Corridor Girls', 40 Corridor Boys', 40 Corridor Girls', 10 Corridor Boys', 10 Corridor Girls', 20 Corridor Boys', 20 Corridor Girls', K Boys', K Girls', Principal Toilet, Offi	PC03	150,937.50
David Elementary School: Provide required approach clearances at doors A-7, A-9, 1A, 1B, 2A, 2B, 3A, 3B, 4A, 4B, 6D, 6E, (2) Access to Stage, 602, 605, (2) Office Corridor, A4A, A4B, 641A.	PC03	150,937.50
Anderson Elementary: Fire Alarm Voice Evac System Upgrade	PC03	154,000.00
Bush Elementary: Fire Alarm Voice Evac System Upgrade	PC03	154,000.00
Powell Elementary: Fire Alarm Voice Evac System Upgrade	PC03	154,000.00
Hailey Elementary School: Install occupancy sensors.	PC03	155,250.00
Ride Elementary School: Replace concrete turn-around drive.	PC03	155,250.00
San Jacinto Elementary School: Replace gravel service lot with concrete.	PC03	155,250.00
The Woodlands High School: Resurface existing tennis courts.	PC03	155,250.00
Moorhead Stadium: Seal asphalt parking.	PC03	155,537.50
Rice Elementary: Fire Alarm Voice Evac System Upgrade	PC03	156,016.00
Oak Ridge Elementary: Fire Alarm Voice Evac System Upgrade	PC03	157,318.00
Anderson Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Cafeteria Boys', Cafeteria Girls'.	PC03	158,125.00
Caney Creek High School: Provide new 60' backstop with block wall & net to end of dugouts at baseball field.	PC03	158,125.00
San Jacinto Elementary School: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	21,562.50
Caney Creek High School: Replace stained or damaged carpet at 2441, library entry, 4100 corridor, 4110 corridor, 4110 rotunda, 4200 corridor, 3402, 3211, 3242, 3210, 3206, 3201, 1102, B100, Admin, 5504, 5504B, 5506, 5508, 5508A, 5508 office, 1505, 1504, 15	PC03	158,125.00
Collins Intermediate School: Reconfigure gang toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at Cafeteria Men, Cafeteria Women.	PC03	158,125.00
San Jacinto Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
San Jacinto Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Testing and Assessment Center: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, accessible toilet, faucet and lavatory with pipe protection at men's and women's toilet.	PC03	158,125.00
San Jacinto Elementary School: Upgrade public address system at stage.	PC02	17,250.00
The Woodlands High School: Replace exhaust fans throughout.	PC03	158,125.00
The Woodlands Transportation Center: Replace asphalt road off of Sawdust Rd. with concrete (500').	PC03	158,125.00
Collins Interm.: Fire Alarm Voice Evac System Upgrade	PC03	160,000.00
Rice Elementary School: Expand cold storage.	PC03	160,353.13
Hauke Academic Alternative High School: Install ADA compliant accessible hardware throughout facility.	PC03	160,425.00
Snyder Elementary School: CPVC replace above slab	PC02	500,000.00
Snyder Elementary School: LED stage lighting	PC02	
Snyder Elementary School: Stage Curtains - fire proofing	PC02	
Snyder Elementary School: Stage Curtains - safety rigging on tracks	PC02	
Stewart Elementary School: Add HVAC for Instrument Storage	PC02	75,000.00
Stewart Elementary School: LED stage lighting	PC02	5,000.00

Hailey Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at 642 Boys', 643 Girls', 807 Girls',808 Boys'.	PC03	161,000.00
Stewart Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Stewart Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Rice Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate to have clearance between water closet with grab bars and lavatory with pipe protection at 6A,6B,A-1 toilet,3C,4C,OC,1C.	PC03	161,000.00
Hauke Academic Alternative H.S.: Fire Alarm Voice Evac System Upgrade	PC03	161,744.00
Ford Elementary: Fire Alarm Voice Evac System Upgrade	PC03	162,000.00
Caney Creek High School: child care lab in the building, renovate	PC03	162,500.00
Lamar Elementary School: Replace old doors with louvers originally used for return air.	PC03	163,875.00
Ride Elementary School: Replace stained or damaged carpet at 600, 301, 302, 303, 305, 405, 404, 403, 401, Library, 603, Stage, 605, 201, 202, 203, 204, 205, 206, 101, 102, 103, 104, 105, 106, 001, 002, 003, 004.	PC03	164,306.25
Buckalew Elementary School: Expand cold storage.	PC03	165,312.50
Wilkerson Intermediate School: Expand cold storage.	PC03	167,325.00
Rice Elementary School: Replace stained or damaged Carpet at 3, 4, 602, 205, 200, 201, 202, 203, 204, 300, 301, 302, 304, 305, 306, 401, 402, 403, 405, 506, 100, 101, 102, 103, 104, 105, 30, 40, 50, 00, 10, 20.	PC03	168,187.50
Testing and Assessment Center: Provide district standard cable management throughout building.	PC02	34,967.19
Testing and Assessment Center: Provide district standard projector at training room.	PC02	3,593.75
Broadway Elementary: DAS Repeater System and BDA First Responder	PC03	170,340.00
Cox Intermediate: DAS Repeater System and BDA First Responder	PC03	170,340.00
Cryar Intermediate: DAS Repeater System and BDA First Responder	PC03	170,340.00
Testing and Assessment Center: Remove and replace exterior building waterproofing sealants throughout entire facility. Including all wall central joints, through wall penetrations around all doors and windows and joints between building and paving.	PC02	7,187.50
Testing and Assessment Center: Remove old wire mold and electrical tripping hazards from the Break room and Break room storage.	PC02	2,156.25
Testing and Assessment Center: Repair soffit above entry door.	PC02	3,593.75
Testing and Assessment Center: Replace (6) wall packs at back of building.	PC02	6,900.00
Testing and Assessment Center: Replace all sidewalks (300 LF).	PC02	9,379.69
Kaufman Elementary: DAS Repeater System and BDA First Responder	PC03	170,340.00
Testing and Assessment Center: Replace HVAC system and zoning.	PC02	215,625.00
Milam Elementary: DAS Repeater System and BDA First Responder	PC03	170,340.00
Lamar Elementary: Fire Alarm Voice Evac System Upgrade	PC03	170,956.00
Buckalew Elementary: Fire Alarm Voice Evac System Upgrade	PC03	172,000.00
Conroe Transportation Center: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at all toilets	PC03	172,500.00
Galatas Elementary School: Replace old casework with current district standard casework. Provide accessible sink at locations with sink at Clinic, Office Workroom, Registrar, Speech,10 Plan, 20 Plan, 30 Plan, 40 plan, Library Workroom, LGI (1), LGI (2), K Plan.	PC03	172,500.00
Hauke Academic Alternative High School: Replace small chiller.	PC03	172,500.00
Irons Junior High School: Upgrade gym lighting with T5 or LED fixtures including control.	PC03	172,500.00
Knox Junior High School: Provide required approach clearances at doors at stage access, Storage at main corridor by Cafeteria, Admin Copy, Workroom, Principal, (2)Clinic toilets, Storage B105, MDF, Library Office, 206 (2)Resource, Mens Toilet at resource, Wome	PC03	172,500.00
The Woodlands College Park High School: Add HVAC for Instrument Storage	PC02	100,000.00
McCullough Junior High School: Renovate boy's and girl's student restrooms in shop E105, E106, E102 and E104). Revise space layout to provide ADA accessible fixtures and clearances (current improper frontal approach and large electrical panel obstruction inside	PC03	172,500.00
Oak Ridge Elementary School: Renovate room to meet current ADA requirements with 5'-0" stall with grab bars and non protruding accessible lavatory and faucet with pipe protection at Boys' 4, Girls' 4.	PC03	172,500.00
The Woodlands College Park High School: Band Tower - typically schools purchase their own	PC02	30,000.00
Walter P. Jett Continuing Education Center: Provide variable speed drives on all air handling units (AHU's).	PC03	172,500.00
The Woodlands College Park High School: Baseball Turf Conversion	PC02	2,100,000.00
The Woodlands College Park High School: Camera conversion - analog to IP	PC02	152,000.00
The Woodlands College Park High School: carpet	PC02	1,750,000.00
The Woodlands College Park High School: fire alarm and voice evacuation system	PC02	500,000.00
The Woodlands College Park High School: Football Turf Conversion	PC02	1,600,000.00
York Junior High School: Remove existing chalk boards in all classrooms and replace with new marker boards and tack boards (5'H marker boards; 75 classrooms).	PC03	172,500.00
Wilkerson Intermediate: Fire Alarm Voice Evac System Upgrade	PC03	173,768.00
San Jacinto Elementary School: Upgrade exterior lighting to LED.	PC03	173,793.75
Collins Intermediate School: Install ADA compliant hardware throughout facility.	PC03	174,656.25
Reaves Elementary: Fire Alarm Voice Evac System Upgrade	PC03	174,716.00
Conroe High School 9th Grade Campus: re-establish fabrication shop (Classroom Space and Dirty Lab)	PC03	175,000.00
Runyan Elementary School: Provide occupancy sensors throughout to save energy.	PC03	177,243.75
The Woodlands College Park High School: HVAC equipment in auditorium, dampen and seal	PC02	125,000.00
Houston Elementary: DAS Repeater System and BDA First Responder	PC03	178,500.00
The Woodlands College Park High School: LED stage lighting	PC02	250,000.00
Giesinger Elementary School: Replace non-compliant door hardware throughout facility (round knob).	PC03	178,537.50
Houser Elementary: Fire Alarm Voice Evac System Upgrade	PC03	178,800.00
Conroe High School 9th Grade Campus: Provide LED parking lot pole lighting.	PC03	179,687.50
Conroe High School: Provide required approach clearances at doors throughout the facility (other than toilet locations).	PC03	179,687.50
Galatas Elementary School: Install occupancy sensors throughout.	PC03	179,687.50
Glen Loch Elementary School: Replace old casework with current district standard casework at Library.	PC03	179,687.50
Hailey Elementary School: Upgrade old (electric) main switch boards.	PC03	179,687.50
The Woodlands College Park High School: Provide access to maintenance pad at new athletic additions.	PC02	14,375.00
Oak Ridge High School: Provide variable speed drives on chilled and hot water pumps.	PC03	179,687.50

York Junior High School: Replace parking lot lighting with LED fixtures.	PC03	179,687.50
Powell Elementary School: Expand Cold Storage.	PC03	179,946.25
The Woodlands College Park High School: Remove and replace exterior building waterproofing sealants throughout entire facility. Including all wall control joints, through wall penetrations around all doors and windows and joints between building and paving.	PC02	43,125.00
Bozman Intermediate: DAS Repeater System and BDA First Responder	PC03	182,208.00
Patterson Elementary: DAS Repeater System and BDA First Responder	PC03	182,208.00

The Woodlands High School 9th Grade Campus: Stage Curtains - fire proofing	PC02	7,000.00
The Woodlands High School 9th Grade Campus: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Caney Creek High School: Provide required ADA compliant approach clearances at doors 2217, 2205, 2210, 2203, 2201, 2202, cust at 2300, 2217, 2217 prep, cust at 2102, Boys' at 2102, and Girls' at 2102, toilets at 4217 , serving storage, kitchen toilet, custodial at 4217	PC03	251,562.50
The Woodlands College Park High School: Install piping to fire tank from domestic in lieu of irrigation	PC03	251,562.50
Vogel Intermediate: Fire Alarm Voice Evac System Upgrade	PC03	251,940.00
Travis Intermediate: DAS Repeater System and BDA First Responder	PC03	252,249.00
The Woodlands High School 9th Grade Campus: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	28,750.00
Houston Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate to have proper clearance at door, 5' stall with grab bars, lavatory with pipe protection at 510, 511, 800F, 800G, 213, 214, 705A, 413, 414, 023, 024	PC03	253,000.00
Powell Elementary School: Renovate toilets to comply with current ADA requirements. Renovate to have clearance between water closet with grab bars and lavatory with pipe protection at A-2A,A-4A,A-7,5A,5B,2C,3C, 6AQ, 6B, 6C, 6D. (remove shower in clinic)	PC03	253,000.00
The Woodlands High School: Add HVAC for Instrument Storage	PC02	100,000.00
Oak Ridge High School: re-tool culinary lab	PC03	255,000.00
The Woodlands High School: Add voice evacuation system	PC01	420,000.00
The Woodlands College Park High School: culinary lab needs to be re-tooled and renovated, too small and under equipped	PC03	255,000.00
The Woodlands High School: auditorium seats - critical wider seats, don't have to sit as low, seats need to be wider	PC02	300,000.00
Mitchell Intermediate: Fire Alarm Voice Evac System Upgrade	PC03	258,000.00
The Woodlands High School: camera conversion - analog to IP	PC02	152,000.00
Deretchin Elementary: Fire Alarm Voice Evac System Upgrade	PC03	258,208.00
Tough Elementary/Interm.: Fire Alarm Voice Evac System Upgrade	PC03	258,208.00
Reaves Elementary School: Create 48" clearance that is required in front of MDP and other gear facing the MDP in main Electrical room.	PC03	258,750.00
The Woodlands College Park High School: Replace wood flooring at stage front and back in auditorium.	PC03	258,750.00
The Woodlands High School: Deep sinks in the art rooms	PC02	30,000.00
Conroe High School 9th Grade Campus: Provide LED interior lighting replacement with controls for all non-instructional areas.	PC03	260,690.63
The Woodlands High School: Football Turf Conversion	PC02	1,600,000.00
Anderson Elementary School: Reconfigure toilet to comply with current ADA requirements. Renovate to have clearance between water closet and lavatory at Clinic toilet, Principal toilet, Office Men, 50 Corridor Men, 50 Corridor Women, 30/40 Corridor toilet, 100 Corridor Men, 100 Corridor Women	PC03	264,500.00
Creighton Elementary School: Cover the existing storm drainage above slab that is PVC with fire wrap.	PC03	265,937.50

Conroe Transportation Center: Add additional parking on west side (buses are parking on grass).	PC03	267,375.00
The Woodlands High School: KILN replacements	PC02	15,000.00
The Woodlands High School: LED stage lighting and controls	PC02	250,000.00
The Woodlands High School: Strip, regrade and re-sod existing practice football field.	PC03	267,818.47
Moorhead Stadium: Renovate pressbox (home & visitor side): paint all previously painted exterior and interior surfaces and new building graphic signage. Replace vinyl tile, carpet and base throughout. Replace casework to ensure ADA accessibility. Provide ADA c	PC03	269,531.25
The Woodlands High School 9th Grade Campus: Provide new dry marker boards in all classrooms throughout facility.	PC03	269,531.25
The Woodlands High School: passage to band enclosed	PC02	500,000.00
Portable Buildings: Provide technology upgrades at all portable buildings district-wide.	PC03	270,250.00
Moorhead Junior High School: Install lighting controls.	PC03	273,125.00
Grangerland Intermediate: Fire Alarm Voice Evac System Upgrade	PC03	274,868.00
Knox Junior High School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at B119 Clinic Toilet, B120 Clinic Toilet, Boys' across from Art 129, Girls' ac	PC03	276,000.00
San Jacinto Elementary School: Renovate toilets to meet current ADA requirements with proper clearance at toilet and lavatory. Provide grab bars at water closet and pipe protection at lavatory at Clinic Toilet, Lounge toilet, 110A, 110B, 111 Staff, 112, 112 Staff, 2	PC03	276,000.00
Caney Creek High School: Provide district standard 5'-0" high marker board at all teaching spaces.	PC03	280,312.50
Houston Elementary School: Remove and replace staff parking lot (southeast lot).	PC03	280,312.50
Oak Ridge High School: Upgrade gym lighting with T5 or LED fixtures including control.	PC03	280,312.50
The Woodlands High School: Provide concrete pad at practice field entrance.	PC02	3,953.13
Moorhead Junior High School: DAS Repeater System and BDA First Responder	PC03	285,840.00
Galatas Elementary School: Reconfigure miscellaneous toilets for current ADA configuration Provide 5' turnaround with compliant toilet, lavatory, grab bars at Cafeteria Boys', Cafeteria Girls', left Main Corridor Boys', left main Corridor Girls.	PC03	287,500.00
Oak Ridge High School: Replace chilled water pumps.	PC03	287,500.00
Ride Elementary School: Replace all interior lighting with LED. (Interior Lighting).	PC03	287,500.00
The Woodlands High School: Provide miscellaneous roof repairs.	PC02	28,750.00
The Woodlands High School: Replace hot water piping throughout athletic area.	PC03	287,500.00
The Woodlands High School: Replace hydronic heating water pumps with new variable speed drives (VSD's).	PC03	287,500.00
The Woodlands High School: Replace old, wooden bleachers in auxiliary gym with new, motorized pull-out bleachers. Note: Five (5) rows high on one side.	PC03	287,500.00
The Woodlands High School: Upgrade parking lot lighting to LED.	PC03	287,500.00
Walter P. Jett Continuing Education Center: Replace local sound system in auditorium.	PC03	287,500.00
The Woodlands High School: Provide new practice hitting net at softball field.	PC02	2,156.25
Conroe High School 9th Grade Campus: needs a bigger prep area	PC03	300,000.00
Conroe High School 9th Grade Campus: serving lines need to be opened up (Configure like Conroe HS)	PC03	300,000.00
McCullough Junior High School: lockers are in need of repair or replacement	PC03	300,000.00
Oak Ridge Transportation Center: second fueling island (covered) diesel with above ground tank - preferred	PC03	300,000.00
The Woodlands HS, 9th Grade Campus: DAS Repeater System and BDA First Responder	PC03	300,000.00
York Junior High School: replace lockers in both boy's and girl's locker rooms	PC03	300,000.00
Caney Creek High School: Provide classroom local sound system.	PC03	301,875.00
Conroe High School: Provide classroom local sound system.	PC03	301,875.00
The Woodlands College Park High School: Provide local classroom audio system.	PC03	301,875.00
Oak Ridge High School-9th: DAS Repeater System and BDA First Responder	PC03	305,214.00
The Woodlands High School: relocating HVAC equipment in auditorium	PC02	1,500,000.00
Knox Junior High School: DAS Repeater System and BDA First Responder	PC03	305,236.50
The Woodlands High School: Remove and replace exterior building waterproofing sealants throughout entire facility. Including all wall control joints, through wall penetrations around all doors and windows and joints between building and paving.	PC02	43,125.00
McCullough Junior High School: Replace existing built up roof system.	PC03	306,762.50
Creighton Elementary School: Replace T-8 interior lighting with LED.	PC03	309,421.88
Peet Junior High School: DAS Repeater System and BDA First Responder	PC03	310,791.00
York Junior High School: DAS Repeater System and BDA First Responder	PC03	315,000.00
David Elementary School: Reconfigure toilet to comply with ADA so the toilets are in compliance. Renovate to have 5' stall with grab bars, lavatory with pipe protection. Provide proper clearance at doors at 6A, 6C, 6D, 6E.	PC03	316,250.00
Rice Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at 5A, 5B, 7A, 7B.	PC03	316,250.00
Washington Junior High School: Fire Alarm Voice Evac System Upgrade	PC03	317,470.00
Conroe High 9th Grade Campus: Fire Alarm Voice Evac System Upgrade	PC03	320,908.00
Lamar Elementary School: Reconfigure Student toilets to comply with Current Code and ADA so the toilets are in compliance and there is a 5' turnaround. Renovate to have clearance between water closet and lavatory at toilets 101, 102, 103, 104, 105, 106, 107	PC03	322,000.00
Ride Elementary School: Remove existing data cabinet in wall. Install new data distribution system. Patch and repair finish surfaces throughout facility.	PC03	322,000.00
North Maintenance & Warehouse Complex: Install new concrete parking north side	PC03	323,437.50
Oak Ridge High School: Resurface existing track.	PC03	323,437.50
Runyan Elementary School: Replace T-12 and T-8 light fixture with LED.	PC03	323,437.50
Walter P. Jett Continuing Education Center: Install main electrical distribution equipment upgrade and upgrade distribution throughout building.	PC03	323,437.50
Oak Ridge High School: Replace flooring at black box theater room F-114 (due to floor bubbling); stage F-100; and room G-102 (due to water penetration with new wood flooring system).	PC03	330,625.00
Houser Elementary School: Replace existing modified bitumen roof system.	PC03	335,225.00
Caney Creek High School: Replace wall packs and parking lot lights to LED	PC03	335,512.50
Travis Intermediate: Fire Alarm Voice Evac System Upgrade	PC03	336,332.00
Caney Creek High School: place to store pole vault pads	PC03	340,000.00
Conroe High School: place to store pole vault pads	PC03	340,000.00
Irons Junior High School: place to store pole vault pads	PC03	340,000.00

Knox Junior High School: place to store pole vault pads	PC03	340,000.00
McCullough Junior High School: place to store pole vault pads	PC03	340,000.00
Moorhead Junior High School: place to store pole vault pads	PC03	340,000.00
Oak Ridge High School 9th Grade Campus: place to store pole vault pads	PC03	340,000.00
Oak Ridge High School: place to store pole vault pads	PC03	340,000.00
Peet Junior High School: place to store pole vault pads	PC03	340,000.00
The Woodlands College Park High School: place to store pole vault pads	PC03	340,000.00
The Woodlands High School 9th Grade Campus: place to store pole vault pads	PC03	340,000.00
The Woodlands High School: place to store pole vault pads	PC03	340,000.00
Washington Junior High School: place to store pole vault pads	PC03	340,000.00
The Woodlands High School: Safety and Security upgrades	PC02	300,000.00
York Junior High School: place to store pole vault pads	PC03	340,000.00
Armstrong Elementary School: Upgrade T-12 lamps in 2X4 light fixtures in older part of building to LED.	PC03	345,000.00
Hailey Elementary School: Replace all interior lighting with LED.	PC03	345,000.00
The Woodlands High School: Softball Turf Conversion	PC02	1,000,000.00
The Woodlands High School: Stage Curtains - fire proofing	PC02	50,000.00
The Woodlands High School: Stage Curtains - safety rigging on tracks	PC02	20,000.00
North Maintenance & Warehouse Complex: Reconfigure toilets to comply with current ADA requirements. Renovate to have proper clearance at door, 5' stall with grab bars, lavatory with pipe protection at all toilets.	PC03	345,000.00
Oak Ridge High School: Provide new accessible restroom and dressing room behind stage F-100; and accessible restroom at Boys' locker room G-108; Girls' locker room G-204, and room G-200-B, per ADA standards.	PC03	345,000.00
The Woodlands High School: Provide local classroom sound system at all classrooms.	PC03	345,000.00
Walter P. Jett Continuing Education Center: Renovate men's and women's restroom first and second floor: Provide all new finishes (floor, walls, ceiling). Rework space to provide ADA accessibility.	PC03	345,000.00
York Junior High School: Resurface existing track.	PC03	345,000.00
Anderson Elementary School: Upgrade emergency generator.	PC03	349,312.50
Ford Elementary School: Replace interior lighting with LED.	PC03	349,312.50
The Woodlands High School: Upgrade wireless access points.	PC02	143,750.00
Irons Junior High School: Intro to robotics lab addition	PC03	350,000.00
The Woodlands High School: wood dance floor - 1,200sqft and 4,500 mirrors and bars - match Grand Oaks HS	PC02	102,000.00
McCullough Junior High School: Intro to robotics lab	PC03	350,000.00
Peet Junior High School: Intro to robotics lab	PC03	350,000.00
The Woodlands College Park High School: College Park Addition - proposed - larger IT space to create HUB for CISD (A/C Issues)	PC03	350,000.00
The Woodlands Transportation Center: Coat existing metal roof system.	PC02	653,557.94
The Woodlands College Park High School: electrical upgrade for the ag lab	PC03	350,000.00
McCullough Junior High School: Remove and replace service lot with concrete.	PC03	352,187.50
San Jacinto Elementary School: Replace old electrical gear in older portion of school.	PC03	352,187.50
Buckalew Elementary School: Provide additional electrical circuits throughout building.	PC03	359,375.00
Ford Elementary School: Remove and replace parking lot.	PC03	359,375.00
Lamar Elementary School: Replace old casework with ADA compliant accessible casework and provide accessible sink at locations with sink at Music, Speech, Speech Office, Activity Room, Lounge, Library Shelving, Pod 2 , Pod3, Pod 4.	PC03	359,375.00
Oak Ridge High School: Repaint window lite kits at all hollow metal doors throughout facility.	PC03	359,375.00
The Woodlands High School: Provide better HVAC exhaust and humidity control in football Field House.	PC03	359,375.00
Travis Intermediate School: Provide ADA compliant access to second floor balcony level of 105. Provide code compliant balcony railing. Complete installation of balcony seating.	PC03	359,375.00
The Woodlands Transportation Center: repave bus drive off of Sawdust Rd.	PC02	1,050,000.00
The Woodlands Transportation Center: Replace (1) 7-1/2 ton and (1) 4 ton DX Unit.	PC02	31,625.00
Travis Intermediate School: Reconfigure slope at egress path to comply with current ADA requirements at the Main corridor entry into the Auditorium. Slope exceeds requirements, there is no 5'-0" landing at the door, and there are no compliant handrails.	PC03	359,375.00
Walter P. Jett Continuing Education Center: Renovate front administration area: Provide new office layout and finishes to accommodate reception lobby, conference, work room, clinic, etc. (Coordinate with new secure front entry.)	PC03	359,375.00
Wilkerson Intermediate School: Install occupancy sensors throughout.	PC03	359,375.00
Hauke Academic Alternative High School: Add enclosed and conditioned walk to connect Cafeteria with main building.	PC03	362,250.00
David Elementary School: Remove existing data cabinet in wall. Provide new data distribution. Patch and repair finish surfaces throughout facility.	PC03	363,004.69
Giesinger Elementary School: Remove existing data cabinet in wall, install new data distribution and patch and repair finish surfaces throughout facility.	PC03	363,004.69
Tough Elementary School (K-6): Address washout near drive near swimming pool.	PC02	7,187.50
Runyan Elementary School: Life Skills overhaul, add restrooms (relocation)	PC03	365,000.00
Hauke Academic Alternative High School: Renovate room to meet current ADA requirements with 5'-0" stall with grab bars, non-protruding accessible lavatory with pipe protection, and urinals without floor transition (where applicable) at basement Boys' and Girls' restrooms.	PC03	368,000.00
Ride Elementary School: Replace all electrical gear.	PC03	370,875.00
Runyan Elementary School: Remove existing data cabinet in wall. Install new data distribution system. Patch and repair finish surfaces at all classrooms in original building.	PC03	372,865.94
Tough Elementary School (K-6): Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Knox Junior High School: Replace tennis courts.	PC03	373,750.00
Galatas Elementary School: Remove existing data cabinet in wall. Provide all new data distribution. Patch and repair finish surfaces at all classrooms.	PC03	374,677.19
Tough Elementary School (K-6): Replace sports floors in Gym (starting to bow and come loose).	PC02	89,843.75
Caney Creek High School: Replace athletic lockers	PC03	375,000.00
Walter P. Jett Continuing Education Center: Upgrade building lighting to LED throughout facility including controls.	PC03	375,646.78
Moorhead Junior High School: Fire Alarm Voice Evac System Upgrade	PC03	381,120.00
San Jacinto Elementary School: Replace (2) Carrier chiller(s).	PC03	388,125.00

Washington Junior High School: Install ADA compliant hardware throughout the facility.	PC03	388,125.00
Rice Elementary School: Remove existing data cabinet in wall. Install new data delivery system. Patch and repair finish surfaces at stair to Stage.	PC03	392,477.75
Tough Elementary School (K-6): Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	21,562.50
Tough Elementary School: Add HVAC for Instrument Storage	PC02	75,000.00
Tough Elementary School: Deep sinks in the art rooms	PC02	15,000.00
Tough Elementary School: KILN replacements (1)	PC02	5,000.00
Glen Loch Elementary School: Replace interior T-12 and T-8 lighting with LED.	PC03	393,875.00
Lamar Elementary School: overhead water pipes are galvanized	PC03	400,000.00
Tough Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Tough Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
The Woodlands HS, 9th Grade Campus: Fire Alarm Voice Evac System Upgrade	PC03	400,000.00
Collins Intermediate School: Remove existing data cabinet in wall. Provide new data distribution system. Patch and repair finish surfaces throughout facility.	PC03	402,500.00
Collins Intermediate School: Renovate serverry.	PC03	402,500.00
Travis Intermediate School: Deep sinks in the art rooms	PC02	15,000.00
Lamar Elementary School: Replace domestic galvanized steel pipe with type "L" copper.	PC03	402,500.00
Mitchell Intermediate School: Renovate serverry.	PC03	402,500.00
Moorhead Junior High School: Renovate serverry.	PC03	402,500.00
Woodforest Bank Stadium: Replace concourse area lighting with new LED fixtures (56 fixtures).	PC03	402,500.00
Hauke Academic Alternative High School: Remove existing data cabinet in wall. Provide new data distribution system. Patch and repair finish surfaces at office.	PC03	406,887.25
Travis Intermediate School: KILN replacements	PC02	5,000.00
Oak Ridge High School-9th: Fire Alarm Voice Evac System Upgrade	PC03	406,952.00
Travis Intermediate School: Life Skills overhaul - current changing table is in regular restroom 202	PC02	120,000.00
Travis Intermediate School: No data or power installed at (4) stations in Rooms 311 and 313.	PC02	17,825.00
Travis Intermediate School: performing arts center HVAC can't run while auditorium is in use	PC02	850,000.00
Anderson Elementary School: Remove existing data cabinet in wall. Provide all new data distribution. Patch and repair finish surfaces at all classrooms and Diagnostician, Art, Science, Computer, Music.	PC03	407,531.25
Powell Elementary School: Remove existing data cabinet in wall. Install new data distribution system. Patch and repair finish surfaces at all classrooms, A-1, 602 and 605.	PC03	407,531.25
Milam Elementary School: Replace lay-in ceiling tile and grid throughout facility.	PC03	408,106.25
Walter P. Jett Continuing Education Center: Remove and replace south asphalt with concrete and restripe lot (84 spaces).	PC03	410,667.88
Peet Junior High School: Fire Alarm Voice Evac System Upgrade	PC03	414,388.00
Galatas Elementary School: Replace T-8 interior lighting with LED.	PC03	417,611.00
Walter P. Jett Continuing Education Center: Replace existing BUR roof system at main building.	PC03	418,114.13
Travis Intermediate School: Provide district standard cable management at 113, 110, 300A, 400, 401, 406, 407, 408, 409, 410, 411, 412, 413, 204, 205, 206, 207, 210, 211, 212, 213, 214, 215, 216, 217, 218, 606, 607, 608, 609, 610, 611, 612, 613, 614, 502, 503, 504, 505, 507, 509.	PC02	846,085.19
Travis Intermediate School: Provide district standard Projector at 110, 302, 303, 309, 310, 315, 316, 317, 407, 400, 403, 118, 119, 204, 205, 206, 207, 200, 214, 510, 508, 506, 504, 502, 503, 505, 507, 509.	PC02	100,625.00
York Junior High School: Fire Alarm Voice Evac System Upgrade	PC03	420,000.00
Buckalew Elementary School: Upgrade building lighting to LED including controls.	PC03	420,468.75
McCullough Junior High School: Upgrade lighting in non-instructional areas to LED including controls.	PC03	420,468.75
Rice Elementary School: Replace T-8 with LED. (Interior Lighting).	PC03	420,468.75
Lamar Elementary School: Remove existing data cabinet in wall. Install new data distribution. Patch and repair finish surfaces throughout original building.	PC03	430,061.19
Mitchell Intermediate School: Provide additional electrical circuits throughout.	PC03	431,250.00
Oak Ridge High School: Replace wooden bleachers at gym G-100 per district standards and ADA accessibility.	PC03	431,250.00
The Woodlands High School: Renovate area for recently relocated sewing and fashion programs (Note: recently moved to accommodate growth in nutrition program).	PC03	431,250.00
The Woodlands High School: Replace old, wooden bleachers on both sides of the performance gym with new, motorized pull-out bleachers.	PC03	431,250.00
Travis Intermediate School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at 109, 320, 322, 115, 202.	PC03	431,250.00
Anderson Elementary School: Upgrade interior lighting (T-12) to LED.	PC03	436,640.63
Powell Elementary School: Replace all interior lighting with LED.	PC03	436,640.63
Wilkerson Intermediate School: Remove existing data cabinet in wall. Provide new data distribution system. Patch and repair finish surfaces at 516.	PC03	437,135.13
McCullough Junior High School: DAS Repeater System and BDA First Responder	PC03	447,774.00
Houser Elementary School: Remove existing data cabinet in wall. Install new data distribution. Patch and repair finish surfaces at all classrooms and applicable spaces.	PC03	449,793.75
Caney Creek High School: LED stage lighting	PC03	450,000.00
Buckalew Elementary School: Remove existing classroom technology cabinets in teacher wardrobe and install new data cabling to MDF/IDF.	PC03	452,812.50
The Woodlands Transportation Center: need storage and parts room	PC03	455,000.00
Giesinger Elementary School: Replace old casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink at A-2, A-5, A-6, 503, 504, 308, 408, Library circulation desk, Library Shelving, L1, T1, 108, and 208.	PC03	460,000.00
Travis Intermediate School: Replace stained or damaged carpet throughout building.	PC02	966,955.94
Hailey Elementary School: Replace Chiller #1 and #2.	PC03	460,000.00
Lamar Elementary School: Replace all interior lighting with LED.	PC03	460,779.13
Bush Elementary School: Replace vinyl tile, carpet and base throughout facility (including Custodial and Storage rooms).	PC03	465,750.00
Travis Intermediate School: Stage Curtains - fire proofing	PC02	7,000.00
Travis Intermediate School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Travis Intermediate: Add HVAC for Instrument Storage	PC02	75,000.00
Conroe High School 9th Grade Campus: Replace ceiling tile and grid in original part of building.	PC03	467,960.16
Wilkerson Intermediate School: Replace T-8 with LED. (Interior Lighting).	PC03	468,984.38

Vogel Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
Vogel Intermediate School: Deep sinks in the art rooms	PC02	15,000.00
Houser Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at 7A, 7B, 7C,7D Office Men, Office Women.	PC03	474,375.00
Ride Elementary School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with grab bars, lavatory with pipe protection at A-6, A-8,6A, 6B, 6E, 6F.	PC03	474,375.00
Provide soccer goals to lifecycle schedule (2 pair per facility)	PC03	475,000.00
Vogel Intermediate School: Install new projection system in all classrooms throughout facility.	PC02	179,687.50
Houser Elementary School: Replace T-12 and T-8 with LED (interior lighting).	PC03	481,921.88
Vogel Intermediate School: KILN replacements (1)	PC02	5,000.00
The Woodlands High School: Provide new turf at football practice fields.	PC03	483,862.50
Reaves Elementary School: Replace T-8 with LED (interior lighting).	PC03	485,875.00
Testing and Assessment Center: Replace wall paneling throughout facility with district standard finishes.	PC03	489,540.63
Vogel Intermediate School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	21,562.50
Vogel Intermediate School: Remove existing classroom technology cabinets in teacher wardrobe and install new data cabling to main and intermediate distribution frames (MDF and IDF).	PC02	571,348.75
Creighton Elementary School: Provide fire sprinkler system throughout.	PC03	494,500.00
Creighton Elementary School: Remove existing data cabinet in wall. Provide all new data distribution. Patch and repair finish surfaces at all classrooms.	PC03	498,093.75
Armstrong Elementary School: Remove existing data cabinet in wall. Provide all new data distribution. Patch and repair finish surfaces throughout the original facility.	PC03	498,828.31
New (Grangerland) Junior High School: pole barn for Ag program	PC03	500,000.00
Vogel Intermediate School: Replace or repair all damaged plaster. Provide tuck point repair at all cracked mortar joints. Paint all.	PC02	20,125.00
Washington Junior High School: drainage on site holistically (detention pond and drainage piping)	PC03	500,000.00
Vogel Intermediate School: Stage Curtains - fire proofing	PC02	7,000.00
Vogel Intermediate School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Oak Ridge High School: Replace hydronic boilers and pumps.	PC03	503,125.00
The Woodlands High School 9th Grade Campus: Renovate server room.	PC03	503,125.00
The Woodlands High School: boys locker room needs a renovation (girls locker room)	PC03	513,500.00
Walter P. Jett Continuing Education Center: Replace all interior lined ductwork throughout building.	PC03	517,500.00
Walter P. Jett Continuing Education Center: Add wall or ceiling mounted projector system.	PC02	35,937.50
Moorhead Junior High School: Replace T-12 Light fixtures in mechanical rooms in original building with LED.	PC03	518,218.75
Walter P. Jett Continuing Education Center: Coat existing metal roof system at south mechanical building.	PC02	5,210.94
David Elementary School: Renovate/reconfigure Kitchen. Dry storage space deficient by 24 square feet.	PC03	523,020.00
Birnham Woods Elementary School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Broadway Elementary School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Cox Intermediate School: Upgrade building lighting to LED including controls	PC03	530,538.13
Cryar Intermediate School: Upgrade building lighting to LED including controls	PC03	530,538.13
Grangerland Intermediate School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Kaufman Elementary School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Milam Elementary School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Vogel Intermediate School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Wilkinson Elementary School: Upgrade building lighting to LED including controls.	PC03	530,538.13
Creighton Elementary School: Install ADA compliant hardware throughout the building. Installation will create modification of hollow metal frame and potential replacement of door. Replace door with compliant laminate clad district standard door.	PC03	539,062.50
Oak Ridge High School: Replace and expand cold storage.	PC03	543,870.94
Oak Ridge High School: DAS Repeater System and BDA First Responder	PC03	544,500.00
Walter P. Jett Continuing Education Center: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving)	PC02	28,750.00
Anderson Elementary School: Replace air handling units in Central Plant.	PC03	546,250.00
Deretchin Elementary School (K-6): Upgrade building controls.	PC03	556,761.00
Anderson Elementary School: Replace existing metal roof.	PC03	560,625.00
Giesinger Elementary School: Replace existing metal roof system.	PC03	560,625.00
Oak Ridge High School: Upgrade lighting in non-instructional areas to LED including controls	PC03	560,625.00
Powell Elementary School: Replace existing metal roof system.	PC03	560,625.00
Tough Elementary School (K-6): Expand cold and dry storage space into service yard (cold storage deficient 191 sqft; dry storage deficient by 95 sqft).	PC03	562,630.31
Knox Junior High School: Replace old classroom casework with current district standard casework. Provide accessible sink at locations with sink at 308, 303 Shop, 303A Int. Shop, 309, 224, 225, 223, 222, 221, 220, 200, 202, 203, 204, 205, 206, 207, 208, 209, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000	PC03	566,375.00
Bozman Intermediate School: Upgrade building lighting to LED including controls.	PC03	567,502.00
Collins Intermediate School: Replace non 2x4 lighting with LED.	PC03	575,000.00
Walter P. Jett Continuing Education Center: Repaint plaster ceiling at Auditorium.	PC02	38,812.50
Walter P. Jett Continuing Education Center: Repair crack in exterior plaster wall and provide gypsum board fur down at window in corridor at room 109 and 208.	PC02	1,408.75
Moorhead Stadium: Renovate concession building (home & visitor side): paint all previously painted exterior and interior surfaces and new building graphic signage. Upgrade existing lighting. Provide ADA accessible countertop and rework entrance to ensure proper access.	PC03	575,000.00
Creighton Elementary School: Replace ceiling tile and grid throughout facility for Fire Sprinkler replacement scope of work.	PC03	589,173.75
Walter P. Jett Continuing Education Center: Replace all doors throughout campus to match current and rework classroom entrances to provide proper ADA frontal approach clearances and update hardware per ADA (approx. 28 doors).	PC02	100,625.00
Conroe Transportation Center: Replace bus parking asphalt.	PC03	589,375.00
McCullough Junior High School: Fire Alarm Voice Evac System Upgrade	PC03	597,032.00
The Woodlands High School 9th Grade Campus: Upgrade building lighting to LED including controls.	PC03	602,671.88
The Woodlands High School: Upgrade lighting in non-instructional areas to LED including controls.	PC03	602,671.88

Tough Elementary School (K-6): Upgrade building lighting to LED including controls.	PC03	602,671.88
Deretchin Elementary School (K-6): Upgrade building lighting to LED including controls.	PC03	603,157.75
Caney Creek High School: Cover existing storm piping above slab that is PVC with fire wrap.	PC03	610,937.50
Walter P. Jett Continuing Education Center: Replace existing building controls.	PC02	346,750.88
Walter P. Jett Continuing Education Center: Replace existing BUR and foam roof systems at south and east buildings.	PC02	192,817.63
San Jacinto Elementary School: Remove existing data cabinet in wall. Install new data distribution systems. Patch and repair finish surfaces at 148, 146, 145, 143, 144, 112, 111, 102, 230, 231, 232, 233, 245, 244, 242, 240, 211, 202.	PC03	611,961.00
Walter P. Jett Continuing Education Center: Replace existing classroom technology panels and install data/voice cabling back to MDF/IDF location.	PC02	179,687.50
Walter P. Jett Continuing Education Center: Replace existing lay-in ceiling grid and tile throughout facility.	PC02	288,959.06
The Woodlands College Park High School: Expand cold storage.	PC03	612,130.63
Walter P. Jett Continuing Education Center: Replace floor finish at landings and stair treads.	PC02	13,476.56
Moorhead Stadium: Renovate mens' and womens' restroom building (home & visitor side): Paint all previously painted interior and exterior surfaces (including exposed ceiling structure and new building graphic signage). Provide ADA accessible water closets, urinals and lavatories.	PC03	628,906.25
Walter P. Jett Continuing Education Center: Replace or repair all cracked/broken brick and miscellaneous damaged plaster. Provide tuck point repair at all cracked mortar joints.	PC02	107,812.50
Anderson Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Creighton Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Provide grab bars and proper clearance between water closet and lavatory.	PC03	632,500.00
David Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Walter P. Jett Continuing Education Center: Upgrade public address system throughout facility.	PC02	143,750.00
Galatas Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Giesinger Elementary School: Reconfigure student toilets and vestibule to comply with code and current ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Washington Junior High School: Add HVAC for Instrument Storage	PC02	75,000.00
Hailey Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Washington Junior High School: Clean storm sewer.	PC02	7,187.50
Washington Junior High School: Coat existing metal roof system at pre-engineered building.	PC02	8,265.63
Houser Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Washington Junior High School: Correct corridor lighting controls have low voltage wiring routed through high voltage conduits and contactors.	PC02	7,187.50
Powell Elementary School: Reconfigure student toilets and vestibule to comply with code and ADA so the toilets are in compliance and there is not a latching door between the wc and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Reaves Elementary School: Renovate room to meet current ADA requirements with 5'-0" stall with grab bars and non-protruding accessible lavatory with pipe protection at K corridor Girls', K corridor Boys', Girls' at A124, Boys' at A124, Girls' at A125, Boys' at A125.	PC03	632,500.00
Rice Elementary School: Reconfigure student toilets and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
Ride Elementary School: Reconfigure student toilets and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet required number of lavatories.	PC03	632,500.00
The Woodlands High School: DAS Repeater System and BDA First Responder	PC03	646,401.00
The Woodlands High School: Renovate agricultural area.	PC03	646,875.00
Washington Junior High School: Replace all existing wood doors, wood doors with louvers, and plastic laminate doors that do not comply with current district standards. Install district standard plastic laminate clad doors throughout the facility.	PC03	646,875.00
Austin Elementary School: Remove existing data cabinet in wall. Provide all new data distribution. Patch and repair finish surfaces at classrooms and applicable spaces.	PC03	650,611.06
Houston Elementary School: Replace T-8 interior lighting with LED.	PC03	670,593.75
Washington Junior High School: Install additional wall packs around building.	PC02	46,000.00
Galatas Elementary School: Replace old casework with current accessible district standard casework. Provide accessible sink at locations with sink at all classrooms.	PC03	675,625.00
Washington Junior High School: Install emergency generator and distribution system.	PC02	517,500.00
Washington Junior High School: Install emergency lighting for Auditorium/Stage and throughout building.	PC02	21,562.50
Washington Junior High School: Install exhaust in Electrical room FE-17.	PC02	12,218.75
Washington Junior High School: Install occupancy sensors throughout.	PC02	359,375.00
Washington Junior High School: Install range hood over range in Room 104B.	PC02	2,156.25
Washington Junior High School: Install supply air to IDF closet on mezzanine.	PC02	7,187.50
Caney Creek High School: DAS Repeater System and BDA First Responder	PC03	682,320.00
Knox Junior High School: Replace galvanized domestic water piping with copper throughout school.	PC03	701,143.50
Collins Intermediate School: Replace chillers in 2019.	PC03	711,562.50
Washington Junior High School: performing arts center HVAC can't run while auditorium is in use	PC02	250,000.00
Washington Junior High School: Provide 24/7 air conditioning in MDF.	PC02	21,562.50
Washington Junior High School: Provide district standard projector at weight room, 400A, 316, 317.	PC02	10,781.25
Armstrong Elementary School: Replace old classroom casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink at 8A, B10, B11, B12, B13, B14, B16, B17, B26, C10, C11, C12, C13, C14, C15, D10, D11.	PC03	713,000.00
Milam Elementary School: Replace vinyl tile, carpet and base throughout facility.	PC03	718,267.00
Washington Junior High School: Provide hot water to all mop sinks.	PC02	71,875.00
Oak Ridge High School: Provide variable speed drives on all air handling units (AHU).	PC03	718,750.00
The Woodlands College Park High School: BAS control upgrade.	PC03	718,750.00
Travis Intermediate School: Install ADA compliant elevator.	PC03	718,750.00
Walter P. Jett Continuing Education Center: Replace all air handling units throughout building.	PC03	718,750.00
Oak Ridge High School: Fire Alarm Voice Evac System Upgrade	PC03	726,000.00
The Woodlands College Park High School: DAS Repeater System and BDA First Responder	PC03	739,119.00
Washington Junior High School: Provide make up water for mechanical boilers from Domestic water main.	PC02	8,050.00
Deretchin Elementary School (K-6): Replace vinyl, carpet and base throughout facility.	PC03	742,348.00
Washington Junior High School: Provide miscellaneous repairs at exterior walls.	PC02	7,187.50
Washington Junior High School: Provide miscellaneous repairs at roof.	PC02	21,562.50
Washington Junior High School: Provide separate MDF Room.	PC02	28,462.50

Washington Junior High School: Rebuild and replace water meter and valves.	PC02	57,500.00
Washington Junior High School: Replace existing built up roof system.	PC03	751,931.81
San Jacinto Elementary School: Replace T-12 and T-8 fixture in older portion of building with LED.	PC03	759,943.00
Washington Junior High School: Renovate, reconfigure and expand kitchen.	PC03	761,609.06
Oak Ridge High School: Replace existing built up roof system.	PC03	766,906.25
The Woodlands High School: Paint all interior and exterior previously painted surfaces.	PC03	772,672.42
Oak Ridge High School: Add additional 120/208 panels/circuits in each classroom pod. Provide new feeders from main switchgear to new distribution panels throughout campus.	PC03	776,250.00
Ford Elementary School: Reconfigure student toilets and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory. Add additional lavatories as necessary to meet requirements.	PC03	790,625.00
Moorhead Stadium: Football Stadium Press Box: Renovate existing pressbox (home and visitor). Replace old casework with ADA compliant current district standard casework (home and visitor); replace old ceiling tile and grid throughout (home and visitor).	PC03	797,812.50
Washington Junior High School: Relocate water heater in lower cabinet; not serviceable in Room 104B.	PC02	6,037.50
Washington Junior High School: Remove existing data cabinet in wall. Provide all new data distribution system. Patch and repair finish surfaces throughout facility.	PC03	798,635.47
Washington Junior High School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	28,750.00
Knox Junior High School: overhead water pipes are galvanized	PC03	800,000.00
Knox Junior High School: Remove existing data cabinet in wall. Install new data delivery system. Patch and repair finish surfaces.	PC03	818,000.75
Oak Ridge High School 9th Grade Campus: Replace air handling units not replaced in 2014 renovation.	PC03	826,562.50
David Elementary School: Replace existing built up roof system.	PC03	838,062.50
Galatas Elementary School: Replace existing modified bitumen roof system.	PC03	838,062.50
The Woodlands College Park High School: Paint all previously painted interior and exterior finishes including mens' locker room 1505 (up to 6th course above finish floor); room 1516 (bottom six courses from finish floor); all stair handrails throughout facility; low	PC03	842,734.38
Washington Junior High School: Repair storm connection on northwest corner (50' of 12").	PC02	3,593.75
Washington Junior High School: Replace asphalt lot (northeast corner) and restripe.	PC02	481,562.50
Houser Elementary School: Replace old casework with current district standard casework. Provide accessible sink at locations with sink at all classrooms in the original building.	PC03	851,000.00
The Woodlands High School: Strip, regrade, sod football, soccer practice field.	PC03	856,935.08
The Woodlands High School: Fire Alarm Voice Evac System Upgrade	PC03	861,868.00
Oak Ridge High School: Remove and replace east lot.	PC03	862,500.00
The Woodlands High School: Provide variable speed drives on all air handling units (AHU's).	PC03	862,500.00
Washington Junior High School: Replace asphalt lot with concrete, south side service lot and restripe.	PC02	287,500.00
Washington Junior High School: Replace T-8 interior lighting with LED.	PC03	862,500.00
Knox Junior High School: Replace all interior lighting with LED.	PC03	878,671.88
Washington Junior High School: Replace Boys' gymnasium mechanical room walls that are wood; and also a return air plenum which is a code violation.	PC02	31,625.00
Washington Junior High School: Replace fence along right-of-way.	PC02	10,781.25
Oak Ridge Elementary School: Replace old casework with current ADA compliant accessible district standard casework in classrooms. Provide accessible sink at locations with sink. Replace in Art, Music, 200A, 201, 202, 208. 207, 207A, 206, 205, 204, 203, 300, 301	PC03	891,250.00
Washington Junior High School: Replace galvanized and PVC water piping in old building.	PC02	517,500.00
Travis Intermediate School: Replace rooms with no or old casework with current ADA compliant district standard casework in classrooms. (All classes except music, Art, and Science wing.)	PC03	891,250.00
Travis Intermediate School: Replace T-8 with LED. (Interior Lighting).	PC03	905,625.00
Caney Creek High School: Fire Alarm Voice Evac System Upgrade	PC03	909,760.00
Washington Junior High School: Replace kitchen return air devices.	PC02	7,187.50
Washington Junior High School: Replace lighting at bus drop canopy; 13 fixtures.	PC02	14,950.00
Washington Junior High School: Replace old air handling equipment for Kitchen and Cafetorium.	PC02	215,625.00
Washington Junior High School: Replace old air handling equipment Girls' Gymnasium Coaches Office (2 units).	PC02	14,375.00
Giesinger Elementary School: Replace old casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink at all classrooms, 706, and 703.	PC03	920,000.00
Washington Junior High School: Replace old air handling equipment in Girls' Gymnasium (4) RTU's.	PC02	112,125.00
Washington Junior High School: Replace old air handling equipment in Mechanical Room 100B (DX, HW Heat).	PC02	115,000.00
Washington Junior High School: Replace old air handling unit in Mechanical Room 300B.	PC02	115,000.00
Washington Junior High School: Replace old Kalwall skylight at 600-A band.	PC02	50,000.00
Washington Junior High School: Replace sidewalks (south lot) to meet ADA requirements.	PC02	1,796.88
Powell Elementary School: Replace old casework with current accessible district standard casework. Provide accessible sink at locations with sink at all classrooms, 604 Art, 603, Music, 600 Computer, and 601 Science.	PC03	920,000.00
Washington Junior High School: Replace T-12 light fixtures in: 1) Girls' restroom 200 Wing; 2) Storage 300 S-1; 3) Storage 300 S-T; 4) Cafeteria Boys' and Girls' restrooms; 5) Central Plant; 6) Clinic; 7) Cafeteria stage.	PC02	28,750.00
Houser Elementary School: Provide required approach clearances at doors at Stage access, 6A, 6B, 6C, stage, Stage Storage, Principal toilet.	PC03	934,375.00
Collins Intermediate School: Reconfigure Boys' & Girls' student toilets and vestibule to comply with current code and ADA so the toilets are in compliance and there is not a latching door between the water closet and lavatory at corridors by 520, 504, 510, 604, 610	PC03	948,750.00
Ride Elementary School: Replace existing modified bitumen roof system.	PC03	948,750.00
Washington Junior High School: Replace the following electrical gear: 1) 200 amp panel in 100 wing Janitor's closet; 2) 100 amp panel in room 106; 3) old panel in Boy's 200 wing restroom; 4) old electrical gear in Mechanical room 300A; 5) old 200 amp panel in Mechanical Room 300B.	PC02	83,375.00
Washington Junior High School: Restripe fire lane.	PC02	2,335.94
San Jacinto Elementary School: Renovate room to meet current ADA requirements with 5'-0" stall with grab bars and non-protruding accessible lavatory with pipe protection at Boys' 213, Girls' 214, Boys' 125, Girls' 127, Boys' 135 and Girls' 137..	PC03	948,750.00
Washington Junior High School: Rework data in Music Room 316.	PC02	7,187.50
Washington Junior High School: roof drains protruding and leaking into office area	PC02	15,000.00
Rice Elementary School: Replace parking lots with concrete.	PC03	955,937.50
Moorhead Junior High School: Remove existing data cabinet in wall. Provide new data delivery system. Patch and repair finish surfaces where old boxes were removed.	PC03	958,755.00
Irons Junior High School: Upgrade building lighting to LED including controls.	PC03	967,984.47
Runyan Elementary School: Connect downspouts (12 boots, 300' PVC) to storm.	PC03	972,900.00
The Woodlands College Park High School: Fire Alarm Voice Evac System Upgrade	PC03	985,492.00
Washington Junior High School: roof failure 50% of roof needs to be replaced	PC02	800,000.00

Wilkerson Intermediate School: Reinstall carpet. Carpet is loose laid over plastic vapor barrier and is loose with open joints throughout the facility.	PC03	999,206.25
Washington Junior High School: Room off of Room 54 has wood in the return air plenum (duct return air).	PC02	17,250.00
Washington Junior High School: Stage Curtains - fire proofing	PC02	
Washington Junior High School: Stage Curtains - safety, rigging & Tracks	PC02	
Irons Junior High School: Classroom and dirty shop for Intro into Ag addition	PC03	1,000,000.00
Knox Junior High School: Classroom and dirty shop for Intro into Ag - space is limited at this campus	PC03	1,000,000.00
McCullough Junior High School: Classroom and dirty shop for Intro into Ag - space is limited at this campus	PC03	1,000,000.00
Moorhead Junior High School: Classroom and dirty shop (Not needed if new Grangerland JH)	PC03	1,000,000.00
Washington Junior High School: Upgrade (2) parking lot light poles to LED and add (3) light poles.	PC02	71,875.00
Peet Junior High School: Classroom and dirty shop for Intro into Ag	PC03	1,000,000.00
Washington Junior High School: sewer line and clay pipe that goes under the building	PC03	1,000,000.00
Ride Elementary School: Renovate/reconfigure and expand kitchen to include custodial room adjacent to restroom. Dry storage space deficient by 20 square feet.	PC03	1,015,953.13
The Woodlands High School: Renovate culinary arts (current area includes five home economics-type cooking stations with no gas range or hood exhaust at any station). Provide new layout (construct addition if needed) in order to accommodate commercial quantities.	PC03	1,024,218.75
Peet Junior High School: Upgrade interior lighting to LED including controls.	PC03	1,027,812.50
The Woodlands High School: Replace all floor tile throughout (including hallways, commons, etc.).	PC03	1,027,812.50
Bush Elementary School: Renovate/reconfigure kitchen (cold storage is deficient by 121 sqft; dry storage is deficient by 44 sqft).	PC03	1,033,231.88
Wilkerson Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Wilkerson Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
Lamar Elementary School: Reconfigure toilets to comply with current ADA requirements. Renovate to have 5' stall with grab bars, non protruding lavatory with pipe protection at Pod 1 Boys', Pod 1 Girls', Pod 2 Boys', Pod 2 Girls', Pod 3 Boys', Pod 3 Girls', Pod 4 Boys', Pod 4 Girls'	PC03	1,035,000.00
Wilkerson Intermediate School: Add HVAC for Instrument Storage	PC02	75,000.00
Washington Junior High School: Reconfigure toilets to comply with ADA requirements. Renovate to have 5' stall with water closet and grab bars and accessible lavatory and faucet with pipe protection at toilets at band hall, Toilets at Boys' PE, toilets at Boys' athletic	PC03	1,035,000.00
Galatas Elementary School: Renovate/reconfigure expansion of kitchen is recommended. Dry storage space deficient by 43 sq. ft., cold storage space deficient by 135 sq. ft.	PC03	1,047,218.75
Giesinger Elementary School: Renovate/reconfigure and expand the back of house area. The dry storage area is deficient by 30 square feet.	PC03	1,047,218.75
Glen Loch Elementary School: Renovation/expansion of back of house to include storage room adjacent to restroom is recommended. Dry storage space is deficient by 42 square feet.	PC03	1,047,218.75
Hailey Elementary School: Renovate/reconfigure and expand back of house to include storage room adjacent to restroom. Dry storage space deficient by 62 square feet.	PC03	1,047,218.75
Wilkerson Intermediate School: Install catwalk and ladder. Outside air unit in Mechanical Room 713 is not serviceable.	PC02	21,562.50
Wilkerson Intermediate School: Install data and power to Library computer tables under floor to eliminate trip hazard.	PC02	28,750.00
Houser Elementary School: Renovate or reconfigure and expand back of house including storage space adjacent to restroom. Cold storage assembly is deficient by 166 sq. ft. dry storage is deficient by 40 sq. ft.	PC03	1,047,218.75
Wilkerson Intermediate School: needs gym addition	PC02	6,000,000.00
Rice Elementary School: Renovate/reconfigure and expand back of house including storage room adjacent to restroom. Restroom not ADA, dry storage deficient by 53 square feet, cold storage deficient by 104 square feet, janitor room outside building.	PC03	1,047,218.75
Wilkerson Intermediate School: DAS Repeater and First Responder	PC02	
Wilkerson Intermediate School: Fire Alarm Voice Evac System Upgrade	PC02	
Wilkerson Intermediate School: Provide access on service / kitchen drive with concrete (400x10).	PC02	34,500.00
Creighton Elementary School: Replace old casework with current ADA compliant accessible district standard casework. Provide accessible sink at locations with sink in all classrooms, Art and Music.	PC03	1,058,000.00
Conroe High School 9th Grade Campus: Replace vinyl tile, carpet and base in original section of building.	PC03	1,069,643.75
York Junior High School: all field surfaces need to be reworked - football, baseball, softball	PC03	1,070,000.00
North Maintenance & Warehouse Complex: Mezzanine is wood construction and does not comply with ADA requirements or Code. There is no accessible path, stair slope and width do not meet code requirements, and handrails do not comply at Central warehouse	PC03	1,078,125.00
Anderson Elementary School: Replace old casework with current accessible district standard casework. Provide accessible sink at locations with sink at all classrooms, Art, Music, Speech, Computer, Science, Reception desk, Clinic, Principal, Lounge, Office, Diagnostics	PC03	1,092,500.00
Wilkerson Intermediate School: Provide district standard projector at 6B, 5B, 5A.	PC02	14,375.00
Oak Ridge High School: ADA upgrades needed across the building	PC03	1,100,000.00
Armstrong Elementary School: Renovate room to meet current ADA requirements with 5'-0" stall with grab bars and non protruding accessible lavatory with pipe protection at Corridor B, C, D, E, F, G and Library toilets.	PC03	1,106,875.00
San Jacinto Elementary School: Replace old air handling equipment for (2) old classroom wings and install VAV's.	PC03	1,106,875.00
Wilkerson Intermediate School: Regrade around additional parking lot on west side.	PC02	7,187.50
Collins Intermediate School: Replace old casework with current district standard casework. Provide accessible sink at locations with sink at Office Workroom, lounge, office, Counselor, Counselor, Band Storage, (4) workrooms), Media, Library, Workroom, Library Computer	PC03	1,138,500.00
Oak Ridge High School: Provide a 400mm track with concrete curbs.	PC03	1,150,000.00
York Junior High School: Replace carpet in various locations throughout facility (carpet no longer adhering to floor).	PC03	1,207,500.00
Wilkerson Intermediate School: Relocate transformer in Custodial Storage 714 blocking code required clearances to (4) electrical panels.	PC02	6,900.00
Wilkerson Intermediate School: Relocate transformer in MDF blocking 'code required access to (2) electrical panels.	PC02	3,593.75
Moorhead Stadium: Renovate field house (home & visitor side): paint all previously painted exterior and interior surfaces and new building graphic signage. Provide new floor finishes throughout. Provide new restroom/shower fixtures, partitions and accessories.	PC03	1,239,714.38
Wilkerson Intermediate School: Remove and replace exterior building waterproofing sealants throughout entire facility (including all wall control joints, through wall penetrations, around all doors and windows, and joints between building and paving).	PC02	28,750.00
Oak Ridge Maintenance: Install concrete lot (currently gravel).	PC03	1,254,075.00
Walter P. Jett Continuing Education Center: Replace all exterior windows and glazing with energy efficient windows with insulated glass.	PC03	1,293,750.00
Wilkerson Intermediate School: Remove skylights, install new finishes, lighting and roof at entry corridor.	PC02	28,750.00
Caney Creek High School: Remove existing data cabinet in wall. Provide new data delivery system. Patch and repair finish surfaces throughout school.	PC03	1,316,577.50
The Woodlands High School: Replace plumbing fixtures throughout building.	PC03	1,318,187.50
Wilkerson Intermediate School: Replace (5) soffit light fixtures.	PC02	5,750.00
Wilkerson Intermediate School: Replace all pole lights with LED.	PC02	194,062.50
Walter P. Jett Continuing Education Center: Replace existing two pipe chilled/hot water system to a four pipe system throughout.	PC03	1,365,625.00
Wilkerson Intermediate School: Replace basketball court with concrete.	PC02	63,250.00
David Elementary School: Replace old casework with current accessible district standard casework. Provide accessible sink at locations with sink at all classrooms, Art, and Science (including T-0 Work, 108 Work, 208 Work, 308 Work, 408 work, L-1 Work, A-8 Copy	PC03	1,381,868.75
Ford Elementary School: Renovate/reconfigure and expand back of house, including storage room adjacent restroom to expand dry and cold storage square footage. Bring restroom up to ADA requirements. Dry storage is deficient by 151 square feet. Cold storage	PC03	1,389,343.75

McCullough Junior High School: Renovate Boys' and Girls' student restrooms, department offices and staff restrooms throughout facility. Provide new ADA accessible partition/stall lay-out, sinks, and ensure frontal approach clearances are ADA compliant.	PC03	1,394,375.00
Creighton Elementary School: Renovate reconfigure and expand kitchen and servery.	PC03	1,417,375.00
Wilkerson Intermediate School: Reseal and re stripe asphalt south parking lot.	PC02	46,718.75
Ford Elementary School: Replace existing built up roof system, replace or remove existing skylights, and patch and repair roof and finishes.	PC03	1,424,850.00
Hauke Academic Alternative High School: Construct ADA compliant accessible access (elevator) to the third level Weight Room and to basement level.	PC03	1,437,500.00
Wilkerson Intermediate School: Wet glaze seal all deteriorated and damaged window glazing gaskets.	PC02	28,750.00
Houston Elementary School: Replace old casework with current district standard casework throughout facility (existing casework is in good condition but does not meet current district standard).	PC03	1,495,000.00
McCullough Junior High School: could use a kitchen overhaul	PC03	1,500,000.00
Moorhead Junior High School: over capacity, built for intermediate	PC03	1,500,000.00
Wilkinson Elementary School: Deep sinks in the art rooms	PC02	12,000.00
Wilkerson Elementary School: kitchen could be larger, Has limited expansion	PC03	1,500,000.00
The Woodlands High School: Replace ceiling grid and tile throughout facility.	PC03	1,545,344.84
Oak Ridge High School: Renovate, reconfigure and expand kitchen.	PC03	1,556,812.50
Mitchell Intermediate School: Replace classroom casework per district standards (61 classrooms, library, and approx. 15 offices).	PC03	1,689,062.50
McCullough Junior High School: Replace electrical main distribution panels and all secondary panels throughout campus.	PC03	1,725,000.00
Moorhead Stadium: Football Stadium: Replace trough urinal at Boys' toilets (home and visitor); install complete ADA compliant building graphics package to comply with current district standards; provide required approach clearances at doors at mens' and women's restrooms.	PC03	1,725,000.00
Oak Ridge High School 9th Grade Campus: Renovate, reconfigure and expand Kitchen.	PC03	1,761,656.25
Tough Elementary School (K-6): Replace existing built up roof system.	PC03	1,796,300.00
Vogel Intermediate School: Replace existing built up roof system.	PC03	1,796,300.00
McCullough Junior High School: Replace casework throughout facility per district standard (including Library, department/staff Offices and approximately 70 classrooms).	PC03	1,796,875.00
Wilkinson Elementary School: Stage Curtains - fire proofing	PC02	7,000.00
Wilkinson Elementary School: Stage Curtains - safety rigging on tracks	PC02	3,000.00
The Woodlands College Park High School: Renovate/reconfigure kitchen. Dry storage space deficient by 213 sqft (kitchen not at exterior wall; unable to expand outside of building).	PC03	1,923,892.50
The Woodlands College Park High School: Replace all vinyl tile in corridors per district standards.	PC03	1,972,968.75
Oak Ridge High School 9th Grade Campus: Add auto, Diesel, Transportation, and Distribution	PC03	2,000,000.00
Caney Creek High School: Replace chiller piping.	PC03	2,012,500.00
The Woodlands High School 9th Grade Campus: Replace existing built up roof system.	PC03	2,131,525.00
The Woodlands College Park High School: Upgrade building lighting to LED including control system.	PC03	2,191,109.38
Oak Ridge Transportation Center: additional parking, would require underground detention	PC03	2,250,000.00
The Woodlands High School: Remove and replace asphalt with concrete in lot and restripe.	PC03	2,321,562.50
The Woodlands High School: Replace vinyl composition tile (VCT) and carpet throughout entire facility.	PC03	2,472,550.31
The Woodlands High School 9th Grade Campus: Replace all air handling units (AHU's) throughout except mechanical rooms next to library.	PC03	2,515,625.00
Caney Creek High School: Replace old casework with current ADA compliant district standard casework. Provide accessible sink at locations with sink throughout building.	PC03	2,527,700.00
The Woodlands College Park High School: Replace vinyl tile, carpet and base throughout facility.	PC03	2,696,750.00
McCullough Junior High School: Replace chilled and hot water piping mains throughout building.	PC03	2,731,250.00
York Junior High School: Add HVAC for Instrument Storage	PC02	75,000.00
McCullough Junior High School: Upgrade athletic pole lighting at baseball, softball and football fields.	PC03	2,875,000.00
York Junior High School: camera conversion - analog to IP	PC02	200,000.00
Oak Ridge High School: Replace all air handling units (AHU's).	PC03	2,875,000.00
York Junior High School: Deep sinks in the art rooms	PC02	15,000.00
Caney Creek High School: needs complete revision of kitchen	PC03	3,000,000.00
Conroe High School: masterplan set for complete kitchen	PC03	3,000,000.00
Oak Ridge High School: Replace existing casework throughout facility per district standards (including Coaches Office).	PC03	3,090,625.00
York Junior High School: Install projectors in all classrooms (75 classrooms).	PC02	269,531.25
York Junior High School: Intro to robotics lab	PC02	350,000.00
York Junior High School: KILN replacements (3)	PC02	15,000.00
San Jacinto Elementary School: needs more dining lunch Needs gym to allow more efficient use of cafeteria	PC03	3,200,000.00
The Woodlands High School: Replace all air handling units (AHU's) and outside air handling units (OAHU's).	PC03	3,450,000.00
The Woodlands High School: Replace all casework throughout facility (including Offices, classrooms, library book shelving, circulation desk, etc.).	PC03	3,521,875.00
The Woodlands College Park High School: Replace air cooled chillers.	PC03	3,737,500.00
Powell Elementary School: Replace air handling units throughout including ductwork (20 years old).	PC03	4,469,636.72
Develop New Centrally Located Facility for Animal Projects)Facility would house large animals, small animals and pigs. Facility would have fields, barns with lockable feed storage areas, pest control system, and waste management	PC03	5,000,000.00
Runyan Elementary School: add gym	PC03	6,000,000.00
Glen Loch Elementary School: single control point 5 zone single air handlers	PC03	6,600,000.00
The Woodlands College Park High School: classroom addition (# OF CLASSROOMS NEEDED)	PC03	7,000,000.00
Conroe High School: Rotunda: Perform major renovation to update corridors and rooms to meet current district standards.	PC03	7,690,625.00
Caney Creek High School: auditorium is 3 times too small for 350 students (Build 800 seat auditorium)	PC03	8,000,000.00
The Woodlands College Park High School: Renovate shower area to provide compartment showers in lieu of gang style at locker room 1505, 1516 and 1525.	PC03	12,398,437.50
